Riding Fast:

Ride Fast Eric Harr, 2006-03-07 Utilizes a motivational speed level approach to fitness cycling for novice riders demonstrating a ten week program designed to help readers reach a twenty five mile per hour goal using a range of nutritional and riding strategies Original 15 000 first printing *Riding*, by G.G. Henry George Harper, 1898 **Get Fast!** Selene Yeager, 2013-04-23 Every cyclist wants to get faster Whether they re a weekend warrior a crit specialist or a charity cruiser speed is the X factor that lets a rider ride strong feel fresh and thoroughly enjoy each ride Get Fast is the cyclist s go to guide for gaining speed In it author Selene Yeager addresses speed from every possible angle including not only the standard chapters on riding techniques and bike maintenance tricks specific to getting fast but also stand alone chapters on fitness and weight loss stretching nutrition and supplementation motivation and mental attitude Together they present a complete and comprehensive guide to achieving one s top speed Bolstered by a foundation in science and road tested by Yeager and the editors of Bicycling magazine the wisdom presented in Get Fast will have riders and readers flying on the road dirt dirt roads cross course track anywhere and everywhere they love to ride most in no time at all *Fine Riding* Susan McBane, 2021-09-30 Equitation Science together with classical riding is today probably the most humane effective and practical way of training and enjoying the horse competitive or not To avoid getting involved is to accede to the status quo Our horses deserve better Sharon E Cregier Ph D FIAH Hon Edin founding member of Equine Behaviour Forum In precise practical language Fine Riding describes how to blend the principles of classical riding with the modern findings of Equitation Science demonstrating how to put the principles into practice when training and riding horses The book encompasses the author s lifelong background in authentic classical riding and a 17 year study and practice of Equitation Science It presents the best of the old with the best of the new resulting in a unique and rational blend of principles clearly explained that enables and encourages readers to train ride and care for their horses truly effectively and humanely Applicable to riding of all schools of thought from hacking to racing including jumping McBane s method is more than simply another system of riding It applies the results of rigorous scientific studies to the historical classical training and riding of horses in an ethical humane and effective way explaining the principles in such a way that readers will feel able to put it into effect themselves This book will encourage horse owners to serve their horses with renewed understanding and commitment

Riding in the Wind James T. Thomas, 2003 *The Bike Riding Champ!* Carl Sommer, 2018-03-01 When Bob Dot and Jan get their first big bikes a sunny day is an invitation to take a bike ride and possibly forget to follow their parents safety instructions The illustrations and creative dialogue remind children of experiences in their own lives Bob s excitement leads him to take risks on the steep hills littered with rocks It s not long before he falls and injures his knee teaching him a valuable lesson The story builds on previous reading skills and crafts educational opportunities for the early reader This cautionary tale gives parents an opening to discuss safety rules and the ramifications of ignoring them *An Analysis of*

Horsemanship; Teaching the Whole Art of Riding in the Manege, Military, Hunting, Racing and Travelling System 1805 John Adams (ridingmaster.), 1805 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We are happy to make these classics available again for future generations to enjoy

Riding High Ruth Zukerman, 2018-10-02 From the co founder of Flywheel and SoulCycle comes Riding High a story of perseverance and success Ruth Zukerman is an inspiration She somehow had a keen sense that indoor cycling was going to be a huge trend and she wasted no time turning it into a lucrative business I'm among the legions of Flywheel fans who make Ruth's class part of our regular routine Her energy enthusiasm and great playlist keeps us spinning and coming back for more KATIE COURIC Ruth Zukerman is the Queen of Spinning she put the Soul in SoulCycle and the Fly in Flywheel Recounting the pivotal moments that helped launch Zukerman as the breakout star of the boutique fitness world Riding High is a reminder that the greatest success stories often start in the unlikeliest of places Ruth Zukerman used her heartache at the death of her father the end of her marriage and the dissolution of her first business partnership with SoulCycle as the inspiration to reinvent herself At 51 she co founded a new business the highly successful Flywheel and built the life she'd always dreamed of And she did it all while navigating through single motherhood and a business world that is often unkind to women especially those who wear their hearts on their sleeves Riding High is a prescriptive warts and all journey through Ruth's evolution offering fresh unexpected business and life lessons to help readers recognize their own potential and channel their passion into success Part confidante part mentor Ruth pulls no punches and holds nothing back
