BEACONSFIELD, 2005-04-07 This book is a compilation of articles that were previously published in metaphysical periodicals Many of the articles address the problems we are facing as the world goes through massive changes The book offers spiritual support for our personal lives and an understanding of what the world community faces It provides a positive and encouraging vision of our future John Warwick Montgomery's Legal Apologetic Ross Clifford, 2016-01-22 Dr Montgomery

is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery's work It focuses on his legal historical apologetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery's work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason A special feature of this analysis concerns Montgomery's apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age *Science Fiction, Fantasy, & Horror*, 1988 A comprehensive bibliography of books and short fiction published in the English language **Twentieth Century Fox** Michael Troyan, Jeffrey Paul Thompson, Stephen X.
