Stalkers and Shooters Kevin Dockery, 2007-07-03 Now in paperback From the author of the Navy SEALs Oral History series an intimate look at the world's most efficient and deadly warriors Snipers have a rich history This fascinating book follows their tasks and techniques from the Revolutionary and Civil Wars through both World Wars to the Korean War and Vietnam the genesis of modern sniping to the current conflicts in the Middle East Also readers will see how sniping has evolved on the civilian side in law enforcement Readers will learn about the tools of the trade but most importantly they will hear from the experts themselves military snipers as well as civilian police and SWAT snipers Capturing the suspense and action of the hunt the words of these men draw readers into the close knit little known world of men who need only one bullet to get the job done     *1998 Standard Catalog of Firearms* Ned Schwing, 1998     **The Standard Catalog of Firearms** Ned Schwing, 1999     **Army-Navy-Air Force Register and Defense Times** ,1903     **The British National Bibliography** Arthur James Wells, 1995     **My World Ends With You** Thomas Holiday ,2023-08-11 Fire blood and death these smells are all too familiar in this world A world that exists in a Reality where humans and vampires coexist This world has been breaking apart as strange anomalies occur across the globe and without any idea of the cause the World governments are trying to cast the blame on the vampires A Reaper named Malkiel is a special class of vampire that has a soul He has wandered the earth for hundreds of years hiding underneath the sun from humanity and his own kind Now he works as a firefighter saving anyone he can from the strange anomalies This time hiding won't be an option as demons emerge from above and below causing mayhem with strange new powers bestowed to them by an unknown entity In order to save himself and this world Malkiel will fight and learn about who he is and the connection that vampires demons and humans all share The answers will be the key in finding away to stop the demons and keeping the world governments from going to war with the vampires     **Gun Trader's Guide, Thirty-Fourth Edition** Stephen Carpenteri, 2012-10 Provides descriptions prices and photographs of small firearms     *Popular Science* ,1979-04 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better     *Military Handguns of Two World Wars* John Walter, 2003 In this companion volume to his *Military Rifles of Two World Wars* renowned firearms expert John Walter examines in detail the handguns used by all nations that fought in WWII He covers the full range from the Walther PPK Luger and Smith and Wessons to the less well known Turkish parabellum and Finish Lahti At the end of the nineteenth century the supremacy of the revolver was being threatened by the semi automatic pistol the design that would predominate throughout two world wars and beyond In this book John Walter provides detailed technical specifications and data for every gun manufactured and gives a history of its development and use Every entry is also accompanied by a photograph or technical drawing and in some cases rare pictures of the guns in combat     Small Arms for

Urban Combat Russell C. Tilstra, 2014-01-10 The urbanization of warfare has necessitated the kind of precision targeting that only small arms can deliver Weapons not often seen on the battlefield can prove useful even indispensable in an urban setting This expert reference guide examines in detail the most successful small arms in use and how changes in warfare have affected how those weapons are used and have transformed the small arms industry Professional soldiers law enforcement officers and students and researchers of small arms will gain a working knowledge of the most common and successful urban combat weapons including some currently in development *Handguns of the World* Edward Clinton Ezell, 1993 *Over and Under* Todd Tucker, 2008-07-08 In the summer of 1979 Andy and Tom are two fourteen year old boys best friends expert cave explorers and crack shots with their Springfield M 6 Scout rifles In rural southern Indiana they are blissfully unaware of the local labor strife surrounding the Borden Casket Company The fact that Andy's dad is a manager and Tom's dad is a union laborer has no bearing on their fun and adventure But in the building summer heat violence quickly erupts including an explosion a murder and the escape of two fugitives and the young boys can no longer ignore that the world around them has forever changed Through their secret observations of labor meetings both boys feel the effect of the dissolution and it tests their loyalty and friendship as well as the town's spirit What began as a season of independence becomes a summer of growth and change of adventure and misbehavior Reminiscent of *Stand by Me* and *To Kill a Mockingbird* *Over and Under* is the quintessential story of ruddy faced scheming precocious boys who must navigate that hazy boundary between growing up and making the most of their last summer of innocence and freedom as they explore the wilds of rural Indiana see the most amazing gunshot of their lives and discover what it means to be friends **Rifles and Pistols** Jeremy Flack, 1995

*Making War at Fort Hood* Kenneth T. MacLeish, 2015-03-01 An intimate look at war through the lives of soldiers and their families at Fort Hood *Making War at Fort Hood* offers an illuminating look at war through the daily lives of the people whose job it is to produce it Kenneth MacLeish conducted a year of intensive fieldwork among soldiers and their families at and around the US Army's Fort Hood in central Texas He shows how war's reach extends far beyond the battlefield into military communities where violence is as routine boring and normal as it is shocking and traumatic Fort Hood is one of the largest military installations in the world and many of the 55 000 personnel based there have served multiple tours in Iraq and Afghanistan MacLeish provides intimate portraits of Fort Hood's soldiers and those closest to them drawing on numerous in depth interviews and diverse ethnographic material He explores the exceptional position that soldiers occupy in relation to violence not only trained to fight and kill but placed deliberately in harm's way and offered up to die The death and destruction of war happen to soldiers on purpose MacLeish interweaves gripping narrative with critical theory and anthropological analysis to vividly describe this unique condition of vulnerability Along the way he sheds new light on the dynamics of military family life stereotypes of veterans what it means for civilians to say thank you to soldiers and other questions about the sometimes ordinary sometimes agonizing labor of making war *Making War at Fort Hood* is the first

ethnography to examine the everyday lives of the soldiers families and communities who personally bear the burden of America s most recent wars

**Gulf Military Forces in an Era of Asymmetric Wars** Khalid Al-Rodhan,Anthony H. Cordesman,2006-12-30 The significance of the Persian Gulf to international peace and security and to the global energy market cannot be overstated Events such as the attacks of September 11 and the rise in energy demand and prices have only highlighted the importance of stability in the Gulf to the health of the global economy This book demonstrates that the nature of military and political threats in the Gulf states Bahrain Saudi Arabia Iran Iraq Qatar Yemen and the UAE has shifted during the past three years Although the threat from Saddam Hussein s Iraq which produced three recent major conventional wars Iran Iraq 1980 88 Persian Gulf 1990 and Iraq 2003 has largely disappeared it has been replaced by concerns over the asymmetric warfare conducted by terrorist organizations and over the proliferation of WMDs by both states and terrorists These developments are affecting the defense planning and strategic posture of each country and this book analyzes developments in the force structures of the Gulf states and their ability to deal with this shift in the nature of the threat The military and security forces of the Gulf states must evolve to adapt to the changing nature of the threat and take into account the risk of the Iraqi insurgency and the uncertainty surrounding Iraq s future The key areas covered in this book include the internal terrorist threat to Saudi Arabia and the Gulf states the impact of Iran s nuclear program and the risk it poses to energy and internal security in the Gulf area and border disputes within the region that could develop into conflict In addition the book studies the impact of the Iraq War on regional security and the fear of the insurgency spilling over into neighboring states Cordesman and Al Rodhan demonstrate a shift toward using internal security services to deal with the threat of extremism and asymmetric warfare They also suggest that high energy prices and export revenues provide the Gulf countries the

opportunity to upgrade their military forces and deal with their undercapitalization as a result of low oil prices in the 1990s Moreover they insist that the future of Iraq the strategic and nuclear posture of Iran and the terrorist threat will remain major risks and uncertainties in the short to medium run *The Middle East Military Balance, 1996* Mark Heller,1998

Pre Code Hollywood explores the fascinating period in American motion picture history from 1930 to 1934 when the commandments of the Production Code Administration were violated with impunity in a series of wildly unconventional films a time when censorship was lax and Hollywood made the most of it Though more unbridled salacious subversive and just plain bizarre than what came afterwards the films of the period do indeed have the look of Hollywood cinema but the moral terrain is so off kilter that they seem imported from a parallel universe In a sense Doherty avers the films of pre Code Hollywood are from another universe They lay bare what Hollywood under the Production Code attempted to cover up and push offscreen sexual liaisons unsanctified by the laws of God or man marriage ridiculed and redefined ethnic lines crossed and racial barriers ignored economic injustice exposed and political corruption assumed vice unpunished and virtue unrewarded in sum pretty much the raw stuff of American culture unvarnished and unveiled No other book has yet sought to interpret the films and film related meanings of the pre Code era what defined the period why it ended and what its relationship was to the country as a whole during the darkest years of the Great Depression and afterward Malaysia Army Weapon Systems Handbook Volume 1 Strategic Information and Weapon Systems IBP, Inc., *World War I* Spencer C. Tucker,2019-05-10 Offers detailed coverage of every country that played a significant role in World War I from key participants including France Germany Great Britain the Ottoman Empire and the United States to smaller nations such as Bulgaria Montenegro and New Zealand World War I A Country by Country Guide is a comprehensive reference exploring the role various nations played in this devastating conflict Each of the 22 country sections provides detailed background information the reasons behind the country s entry into the war a summary of its combat effort in the war a discussion of the home front experience and a description of the war s impact on that nation Illuminating sidebars offer an interesting war anecdote involving each country while essays survey each country s military branches and key military and political leaders Finally a timeline for each nation covers all of the important events involving that country during World War I In addition to the country coverage a battles section offers entries on 18 of World War I s most important engagements and a separate section on weapons and tactical changes is included The book also features dozens of maps and images throughout the text that serve as important visual aids that help readers to understand all aspects of the conflict **Warman's Antiques and Collectibles Price Guide** Ellen T. Schroy,1997-04 Collectors of miniature paintings lace Lefton china Tucker china and yard long prints will find their favorite pieces listed in Warman s Antiques and Collectibles Price Guide This 31st edition has added these categories to the numerous old favorites Hundreds of photographs factory marks and illustrations aid in identifying antiques and collectibles
