BLISS

Right Honourable Men The Descent Of Canadian Politics

Janet Ajzenstat

Right Honourable Men The Descent Of Canadian Politics:

Right Honourable Men Michael Bliss, 2012-03-13 Updated with an insightful and controversial assessment of Jean Chrétien Since first published in 1994 Right Honourable Men has remained the definitive source for Canadians wanting to know more about the quality of our leaders and the personalities behind the policies Now in this timely new edition Bliss evaluates Jean Chrétien's record and asserts that he was actually a conservative prime minister as conservative as Mulroney himself And Chrétien's legacy A decade of squandered opportunities national decline and dashed hopes of real reform From the visionary Macdonald the reckless Laurier and the misunderstood King to the flamboyant Trudeau the vainglorious Mulroney and the wily Chrétien Right Honourable Men defines the essence of political leadership in Canada sets the standard for rating prime ministers and provides a fascinating roadmap for our past and our future **Canada and the End of Empire** Phillip

Alfred Buckner, 2007-10-01 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire Canada and the End of Empire looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries tend to view the end of British rule from a nationalist perspective Canada and the End of Empire challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism **Canadian Founding** Janet

Ajzenstat, 2007-05-28 Convinced that rights are inalienable and that legitimate government requires the consent of the governed the Fathers of Confederation whether liberal or conservative looked to the European enlightenment and John Locke Janet Ajzenstat analyzes the legislative debates in the colonial parliaments and the Constitution Act 1867 in a provocative reinterpretation of Canadian political history from 1864 to 1873 Ajzenstat contends that the debt to Locke is most evident in the debates on the making of Canada's Parliament though the anti confederates maintained that the existing provincial parliaments offered superior protection for individual rights the confederates insisted that the union's general legislature the Parliament of Canada would prove equal to the task and that the promise of life and liberty would bring the scattered populations of British North America together as a free nation Battle Royal David Johnson, 2018-01-20 A nuanced and thorough investigation of the cases for preserving or abolishing the monarchy in Canada Subjecting both sides to searching

critiques political scientist David Johnson examines the republican challenge to the Crown and the monarchist defence of it while giving a tantalizing view of what the reign of King Charles III might look like **Essays in Honour of Michael Bliss** Elsbeth A. Heaman, Alison Li, Shelley McKellar, 2008-03-22 A leading public intellectual Michael Bliss has written prolifically for academic and popular audiences and taught at the University of Toronto from 1968 to 2006 Among his publications are a comprehensive history of the discovery of insulin and major biographies of Frederick Banting William Osler and Harvey Cushing The essays in this volume each written by former doctoral students of Bliss with a foreword by John Fraser and Elizabeth McCallum do honour to his influence and at the same time reflect upon the writing of history in Canada at the end of the twentieth century The opening essays discuss Bliss s career his impact on the study of history and his academic record Bliss himself contributes an autobiographical essay that strengthens our understanding of the business of scholarship teaching and writing In the second section the contributors interrogate public mythmaking in the relationship between politics and business in eighteenth nineteenth and twentieth century Canada Further sections investigate the relationship between fatherhood religion and historiography as well as topics in health and public policy A final section on Medical Science and Practice deals with subjects ranging from early endocrinology lobotomy the mechanical heart and medical biography as a genre Going beyond a collection of dedicatory essays this volume explores the wider subject of writing social and medical history in Canada in the late twentieth century The Truth about Trudeau Bob Plamondon, 2013-05-09 Finally after over 30 years of hagiographies comes a book that sets the record straight and tells us the truth about Pierre Elliott Trudeau In this unprecedented and meticulously researched sweep of the record Globe and Mail bestselling author Bob Plamondon challenges the conventional wisdom that Trudeau was a great prime minister With new revelations fresh insights and in depth analysis Plamondon reveals that the man did not measure up to the myth While no one disputes Trudeau s intelligence toughness charisma and the flashes of glamour he brought Canada in the end the pirouettes were not worth the price **A Short History of the State in Canada** E.A. Heaman, 2015-01-01 A concise elegant survey of a complex aspect of Canadian history A Short History of the State in Canada examines the theory and reality of governance within Canada s distinctive political heritage a combination of Indigenous French and British traditions American statism and anti statism and diverse practical experiments and experiences E A Heaman takes the reader through the development of the state in both principle and practice examining Indigenous forms of government before European contact the interplay of French and British colonial institutions before and after the Conquest of New France the creation of the nineteenth century liberal state and finally the rise and reconstitution of the modern social welfare state Moving beyond the history of institutions to include the development of political cultures and social politics A Short History of the State in Canada is a valuable introduction to the topic for political scientists historians and anyone interested in Canada s past and present *The History of Canada Series: The Destiny of Canada* Christopher Pennington, 2011-04-05 It was Sir John A Macdonald s last campaign His

Conservatives had dominated Canadian politics since Confederation Their National Policy which protected Canadian manufacturers from foreign competition was well established and affection for the Old Man was deep and widespread The Liberal leader Wilfrid Laurier was new in the job and uncertain that a Roman Catholic from Quebec had any chance of winning votes outside his home province But Macdonald's decision to hang Louis Riel had split the country the economy was in the doldrums and a movement in support of free trade with the United States gave the Liberals hope In this richly textured narrative Christopher Pennington spins a colourful tale of a country poised to make a momentous choice and of nineteenth century politics both at its most principled and at its most corrupt *Canada Transformed* Sarah Gibson, Arthur Milnes, 2014-12-09 To coincide with the bicentennial of Sir John A Macdonald's birth this is the first ever selected collection of his most important and defining speeches Published in collaboration with The Sir John A Macdonald Bicentennial Commission and endorsed by all of our living Prime Ministers this is a beautifully produced book that deserves to be in all Canadian homes schools and libraries The Sir John A Macdonald Bicentennial Commission set out several years ago to collect annotate and footnote all of our first Prime Minister's speeches Rather shockingly this had not been done before the speeches of even the most minor of US presidents are available in print and e book form Obviously such a collection is a must for libraries and educational institutions across the country as a matter of historical record but the speeches also make for great reading His words have a Churchillian feel to them direct decisive visionary and very often funny Sir John A is marvellously quotable and through these speeches you understand how our country was formed what its challenges were and often continue to be and why our first PM was perhaps the best we'll ever have **Writing History** Michael Bliss, 2011-09-20 One of Canada's best known and most honoured biographers turns to the raw material of his own life A university professor prolific scholar public intellectual and frank critic of the world Michael Bliss describes a life that has taken him from small town Ontario to international recognition for his books in Canadian and medical history **Canada and the Cost of World War II** Robert Bryce, 2005-05-20 Bryce chronicles in splendid detail how the tiny and overburdened department in Ottawa worked behind the scenes to deal with the critical public policy challenges that accompanied World War II and postwar reconstruction Canada's financial aid made it possible for Britain to wage an effective war and then deal with the destruction it wrought Bryce details how Canada's Department of Finance can also be credited with overcoming some of Britain's most pressing balance of payments problems after the war **Times of Transformation** Barbara J. Messamore, 2025-04-01 Times of Transformation positions the watershed 1921 federal election in the context of activist efforts and the revolutionary mood in the years following the Great War New Liberal leader William Lyon Mackenzie King who went on to become Canada's longest serving prime minister came to power with his party capturing every Quebec seat This election brought many Canadian firsts the first post Confederation minority government the first time women were eligible to vote on terms equal to men and the first effective fracturing of the two party system with the establishment of a

federal Labour party and the dramatic rise of the Progressives These changes had been brewing before the end of the war The Progressive party owed its success to the increased politicization of farmers and the concerns of the western voting base Suffrage came after a decades long battle for political rights for women Labour strikes swept the nation in the post Great War era and a new national Labour party gained Commons representation In short this election manifested long building forces for change and the global zeitgeist of postwar disillusionment and hope *Cheated* Bill Waiser, Jennie Hansen, 2023-10-03 Canadians and politicians have a common responsibility to learn from the mistakes inherited from a colonialist legacy and to not repeat the wrongs corruption and injustices our people suffered in the hands of government officials politicians and their oppressive laws Reading and learning from *Cheated* would be a good place to start reconciliation and reparation Ovide Mercredi former National Chief of the Assembly of First Nations The story of how Laurier Liberals took hold of the Department of Indian Affairs in 1896 and transformed it into a machine for expropriating Indigenous land You won't find the Ocean Man and Pheasant Rump reserves on a map of southeastern Saskatchewan In 1901 the two Nakoda bands reluctantly surrendered the 70 square miles granted to them under treaty It's just one of more than two dozen surrenders aggressively pursued by the Laurier Liberal government over a fifteen year period One in five acres was taken from First Nations This confiscation was justified on the grounds that prairie bands had too much land and that it would be better used by white settlers In reality the surrendered land was largely scooped up by Liberal speculators including three senior civil servants and a Liberal cabinet minister and flipped for a tidy profit None were held to account *Cheated* is a gripping story of single minded politicians uncompromising Indian Affairs officials grasping government appointees and well connected Liberal speculators set against a backdrop of politics power patronage and profit The Laurier government's settlement of western Canada can never be looked at the same way again The Canadian Century Brian Lee Crowley Jason Clemens Niels Veldhuis, 2013-02 One hundred years ago a great Canadian Sir Wilfrid Laurier predicted that the twentieth century would belong to Canada He had a plan to make it so What happened Canada lost sight of Laurier's plan and failed to claim its century dwelling instead in the long shadow of the United States No more Co authors Brian Crowley Jason Clemens and Niels Veldhuis envision Canada's emergence as an economic and social power They argue while the United States was busy precipitating a global economic disaster Canada was on a path that could lead it into an era of unprecedented prosperity It won't be easy We must be prepared to follow through on reforms enacted and complete the work already begun If so Canada will become the country that Laurier foretold a land of work for all who want it of opportunity investment innovation and prosperity Laurier said that the twentieth century belonged to Canada He was absolutely right he was merely off by 100 years **In the Long Run We're All Dead** Timothy Lewis, 2007-10-01 In *The Long Run We're All Dead* The Canadian Turn to Fiscal Restraint offers the first comprehensive scholarly account of this vital public policy issue Lewis deftly analyzes the history of deficit finance from before Confederation through Canada's postwar Keynesianism to the

retrenchment of the Mulroney and Chr tien years In doing so he illuminates how the political conditions for Ottawa s deficit elimination in the 1990s materialized after over 20 consecutive years in the red and how the decline of Canadian Keynesianism has made way for the emergence of politics organized around balanced budgets **Ernest Lapointe and Quebec's Influence on Canadian Foreign Policy** John MacFarlane,1999-01-01 The influence of Ernest Lapointe in 20th century Canadian political history is one of the least understood Analysing 17 foreign policy decisions the author uncovers Lapointe s relationship with Mackenzie King and the voice of Quebec he represented **Seeing Reds** Daniel Francis,2011-05-10 At the end of World War I Canada was poised on the brink of social revolution At least that is what many Canadians inspired by the Russian Revolution hoped and others dreaded Seeing Reds documents a turbulent period in Canadian history when in 1918 19 a fearful government tried to suppress radical political activity by branding legitimate labor leaders as Bolsheviks **A Concise History of Canada** Margaret Conrad,2012-05-28 Margaret Conrad s history of Canada begins with a challenge to its readers What is Canada What makes up this diverse complex and often contested nation state What was its founding moment And who are its people Drawing on her many years of experience as a scholar writer and teacher of Canadian history Conrad offers astute answers to these difficult questions Beginning in Canada s deep past with the arrival of its Aboriginal peoples she traces its history through the conquest by Europeans the American Revolutionary War and the industrialization of the nineteenth and twentieth centuries to its prosperous present Despite its successes and its popularity as a destination for immigrants from across the world Canada remains a curiously reluctant player on the international stage This intelligent concise and lucid book explains just why that is *Strategic Management of Diversity in the Workplace* Emile Chidiac,2018-06-14 Strategic Management of Diversity in the Workplace discusses the strategic management of ethnic and cultural diversity by taking particular examples from Australia Canada The United Kingdom and the United States of America in order to determine the salient benefits that organisations could derive when ethnic and cultural differences are seen as opportunities not as problems and are viewed as benefits rather than threats Strategic Management of Diversity in the Workplace provides a clear demonstration of the benefits conflicts and challenges faced by organisations The renewed interest in multiculturalism in academic and policy circles revives the debate about issues related to the management of ethnic diversity in society at large and in specific settings such as corporate Australia This book specifically focuses on this problematic area by aiming to explore the practice of management and application of multiculturalism in the workplace This book seeks to examine post multiculturalism in Australia and explore whether it has affected the ways in which corporate Australia deals with issues of diversity and the lessons learned here are ones that apply across the business world Strategic Management of Diversity in the Workplace would be of interest for researchers academics undergraduate and postgraduate business degrees students in the fields of Strategic Human Resources Management Cross Cultural Management Managing Workplace Training and Managing and Leading People **Tales of**

Ghosts Ronald W. Hawker, 2007-10-01 The years between 1922 and 1961 often referred to as the Dark Ages of Northwest Coast art have largely been ignored by art historians and dismissed as a period of artistic decline *Tales of Ghosts* compellingly reclaims this era arguing that it was instead a critical period during which the art played an important role in public discourses on the status of First Nations people in Canadian society Hawker's insightful examination focuses on the complex functions that Northwest Coast objects such as the ubiquitous totem pole played during the period He demonstrates how these objects asserted the integrity and meaningfulness of First Nations identities while simultaneously resisting the intent and effects of assimilation enforced by the Canadian government's denial of land claims its ban of the potlatch and its support of assimilationist education Those with an interest in First Nations and Canadian history and art history anthropology museology and post colonial studies will be delighted by the publication of this major contribution to their fields

Right Honourable Men The Descent Of Canadian Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Right Honourable Men The Descent Of Canadian Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Right Honourable Men The Descent Of Canadian Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights.

Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Right Honourable Men The Descent Of Canadian Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Right Honourable Men The Descent Of Canadian Politics Books

1. Where can I buy Right Honourable Men The Descent Of Canadian Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
