**Right On!** Bradford Chambers, Rebecca Moon, 1970      **Right On An Anthology of Black Literature** Bradford Chambers, 1976      **Right On!** Bradford Chambers, Rebecca Moon, 1970      **The Cambridge Companion to American Civil Rights Literature** Julie Armstrong, 2015-03-02 This Companion brings together leading scholars to examine the significant traditions genres and themes of civil rights literature      *The Black Arts Enterprise and the Production of African American Poetry* Howard Rambsy, 2018-05-09 A closer look at the poets and publishers who made the Black Arts Movement such an enduring cultural enterprise      Digital Literary Redlining Amy E. Earhart, 2025-06-24 Though canon concerns seem to be a relic of 1990s academia we are once again at a historical moment when there is resistance to teaching texts by writers of color and texts that deal with race ethnicity and gender At the same time algorithmic bias scholars are locating systemic bias encoded into systems from policing software to housing software Bringing these divergent areas together Amy E Earhart examines how technological and institutional infrastructures construct and deconstruct race ethnicity and gender identities Focusing on two central infrastructures the database a commonly used technological infrastructure in the digital humanities and the anthology a scholarly and pedagogical infrastructure Earhart considers how such seemingly naturalized infrastructures impact the representation and modeling of identity The book draws upon the building and use of DALA a collection of almost 100 years of generalist American and African American literature anthologies constructed to investigate questions of identity and representation in literary anthologies and by extension the larger literary canon The resulting examination and its rigorous discussion of how identities are created and recreated within Black literary histories has important implications for contemporary cultural and political debates about canon formation literary scholarship and the bias embedded in technological infrastructures      **Focus on Minorities** Fort Bragg (N.C.). Library, 1973      The Pen is Ours Jean Fagan Yellin, Cynthia D. Bond, 1991 This bibliography of writing by and about African American women provides a much needed research tool to scholars and researchers in the field The bibliography lists writing by African American women whose earliest publication appeared before 1910 a supplemental bibliography lists writing published as of 1911      **Richard Wright** Kenneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for

serious students of Richard Wright and his critics      *African-American Literature* Paul Q. Tilden, 2003 Having its origins in the slave narratives and the folktales transmitted orally during that period the literature of the African American has been rich and varied Beginning with the first published work of fiction *Clotel Or the President s Daughter* in 1853 continuing under the influence of W E B Du Bois during the first part of this century and reaching a flowering during the Harlem Renaissance major contributions have been made to American literature Today African American writers such as Toni Morrison Alex Haley and Maya Angelou are recognised as among the most significant and popular authors in this country This new book presents an important overview of African American literature as well as a comprehensive bibliography with easy access provided by title subject and author indexes      **Race, Rights and Reform** Sarah C. Dunstan, 2021-02-18 Innovative new study mapping African American and Francophone black intellectual collaborations over human rights and citizenship from 1919 to 1963      *The Cambridge Companion to African American Women's Literature* Angelyn Mitchell, Danille K. Taylor, 2009-04-30 The Cambridge Companion to African American Women s Literature covers a period dating back to the eighteenth century These specially commissioned essays highlight the artistry complexity and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction Together the essays provide an invaluable guide to a rich complex tradition of women writers in conversation with each other as they critique American society and influence American letters Accessible and vibrant with the needs of undergraduate students in mind this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature      *African American Literature* Stephen Currie, 2011-05-23 In this informative volume author Stephen Currie presents readers with an extensive survey of African American literature that covers the history of African American writing and authorship from the oral traditions of the seventeenth century to the publications of the present Readers will learn about the importance power and prevalence of African American literature before during and after the Civil War and gain an insight into the way African American literature both shaped and was shaped by periods such as the Harlem Renaissance and the Civil Rights Movement      *The Dictionary Catalog of the Vivian G. Harsh Collection of Afro-American History and Literature, the Chicago Public Library* Chicago Public Library, 1978      **The Addison Gayle Jr. Reader** Addison Gayle (Jr.), 2009 This is a comprehensive representation of Addison Gayle Jr s crucial influence on African American aesthetics and literature The reader collects 60 personal essays critical articles and other seminal works which represent the range of Gayle s writing in such subjects as cultural nationalism and racism      **The Civil Rights Reader** Julie Buckner Armstrong, Amy Schmidt, 2009-01-01 This anthology of drama essays fiction and poetry presents a thoughtful classroom tested selection of the best literature for learning about the long civil rights movement Unique in its focus on creative writing the volume also ranges beyond a familiar 1954-68 chronology to include works from the 1890s to the present The civil rights

movement was a complex ongoing process of defining national values such as freedom justice and equality In ways that historical documents cannot these collected writings show how Americans negotiated this process politically philosophically emotionally spiritually and creatively Gathered here are works by some of the most influential writers to engage issues of race and social justice in America including James Baldwin Flannery O Connor Amiri Baraka and Nikki Giovanni The volume begins with works from the post Reconstruction period when racial segregation became legally sanctioned and institutionalized This section titled The Rise of Jim Crow spans the period from Frances E W Harper s Iola Leroy to Ralph Ellison s Invisible Man In the second section The Fall of Jim Crow Martin Luther King Jr s Letter from Birmingham Jail and a chapter from The Autobiography of Malcolm X appear alongside poems by Robert Hayden June Jordan and others who responded to these key figures and to the events of the time Reflections and Continuing Struggles the last section includes works by such current authors as Rita Dove Anthony Grooms and Patricia J Williams These diverse perspectives on the struggle for civil rights can promote the kinds of conversations that we as a nation still need to initiate

**Student Activism and Civil Rights in Mississippi** James P. Marshall, 2013-03-11 In the 1890s Mississippi society still drew a sharp line between its African American and white communities by creating a repressive racial system that ensured white supremacy by legally segregating black residents and removing their basic citizenship and voting rights Over the ensuing decades white residents suppressed African Americans who dared defy that system with an array of violence terror and murder In 1960 students supporting civil rights moved into Mississippi and challenged this repressive racial order by encouraging African Americans to reassert the rights guaranteed under the Fourteenth and Fifteenth Amendments to the United States Constitution The ensuing social upheaval changed the state forever In Student Activism and Civil Rights in Mississippi James P Marshall a former civil rights activist tells the complete story of the quest for civil rights in Mississippi Using a voluminous array of sources as well as his own memories Marshall weaves together an astonishing account of student protestors and local activists who risked their lives for equality standing between southern resistance and federal inaction Their efforts and the horrific violence inflicted on them helped push many non southerners and the federal government into action culminating in the passage of the 1964 Civil Rights Act and the 1965 Voting Rights Act measures that destroyed legalized segregation and disfranchisement Ultimately Marshall contends student activism in Mississippi helped forge a consensus by reminding the American public of its forgotten promises and by educating the nation to the fact that African Americans in the South deserved to live as free and equal citizens

**Re-Membering and Surviving** Shirley A. James Hanshaw, 2020-10-01 The first book length critical study of the black experience in the Vietnam War and its aftermath this text interrogates the meaning of heroism based on models from African and African American expressive culture It focuses on four novels Captain Blackman 1972 by John A Williams Tragic Magic 1978 by Wesley Brown Coming Home 1971 by George Davis and De Mojo Blues 1985 by A R Flowers Discussions of the novels are framed within the historical context of

all wars prior to Vietnam in which Black Americans fought The success or failure of the hero on his identity quest is predicated upon the extent to which he can reconnect with African or African American cultural memory He is engaged therefore in remembering a term laden with the specificity of race that implies a cultural history comprised of African retentions and an interdependent relationship with the community for survival The reader will find that a common history of racism and exploitation that African Americans and Vietnamese share sometimes results in the hero's empathy with and compassion for the so called enemy a unique contribution of the black novelist to American war literature

**Southern Black Women in the Modern Civil Rights Movement** Bruce A. Glasrud, Merline Pitre, 2013-03-28 Throughout the South black women were crucial to the Civil Rights Movement serving as grassroots and organizational leaders They protested participated sat in mobilized created energized led particular efforts and served as bridge builders to the rest of the community Ignored at the time by white politicians and the media alike with few exceptions they worked behind the scenes to effect the changes all in the movement sought Until relatively recently historians too have largely ignored their efforts Although African American women mobilized

Africana Studies James L. Conyers, 1997 Known variously as African studies black studies African American studies Afro American studies and Africology the academic study of the African diaspora as a holistic discipline is a relatively new phenomenon University programs have been created with reference to a disciplinary matrix retarding the development of appropriate theory and methods throughout Africana studies Fifteen leaders in the field of Africana studies provide the conceptual framework for establishing the field as a mature discipline The focus is on four basic areas administration and organizational structure disciplinary matrix Africana womanism and cultural aesthetics The work examines both the theory and the method of scholars in African and African diaspora studies
