Mary C. Earle,2009-08-01 Using the metaphor of pilgrimage this book invites readers to reflect on living with illness The heart of the book is a collection of 30 meditations each followed by a reflection a short prayer and a suggested spiritual practice The meditations voice the difficulties and the challenges of living with illness and call the reader toward a deepening understanding compassion and generosity While the meditations intend to offer comfort they are also written from the conviction that God invites us to grow even in these circumstances When living with chronic terminal or progressive illness discovering a way to pray can be quite a challenge These 30 meditations provide a welcome means with practices inspired by the psalms **The Performing Life** Sharon Mabry,2012-08-07 The Performing Life A Singer s Guide to Survival is the first hand account of the 35 year career of singer music professor and recording artist Sharon Mabry who draws on personal experience to explore how professional singers survive in the face of personal and professional pressures exorbitant expectations illness and the demands of their public She details the factors that can change the course of a particular performance or an entire career Mabry offers sage advice for how singers can bolster themselves mentally physically and emotionally in order to maintain their powers of performance Divided into two parts The Performing Life focuses first on such basics as the need for extensive preparation discovering your performance niche acquiring mentors determining your maintenance level finding a strong support system learning how and what to organize and discovering how to groom body and mind In the second half Mabry draws on her wealth of personal stories to dig more deeply into such seemingly mundane but absolutely critical matters as personal health illness food allergies insomnia logistical challenges presented by venue location and performance dynamics and the difficulties off stage organized by the recording studio In all instances Mabry illustrates how perseverance organization attention to detail excellent training strong planning a resilient support system and a good sense of humor can lead to a successful and satisfying career during even the most difficult times **Science Education from People for People** Wolff-Michael Roth,2009-06-10 Contributing to the social justice agenda of redefining what science is and what it means in the lives of real people this book takes up the challenge of building an approach to science education from the standpoint of the learner With this orientation to science and scientific literacy science educators can begin to make inroads into the currently widespread irrelevance of science in the everyday lives of people **Finding the Right Words** Cindy Weinstein,Bruce L. Miller,2021-09-07 This memoir tells the story of a man s deterioration from Alzheimer disease from two perspectives His daughter an English professor at Caltech describes her father s dementia using her expertise in language and literature as a way to frame his loss of words spatial orientation identity behavioral decorum and memory The physician an academic neurologist at the University of California at San Francisco explains the science behind Alzheimer disease using his expertise in neurology articulating to a general audience how dementia assaults the brain
