Right Here On This Spot:

Trilok Raye, 2013-02-19 Simmon Tree Bottom was the town of Kinsales best kept secret No one in that small Virginia town knew its historic value No one knew why this place was so horrid No one really cared either Nonetheless the ones who happened to stumble upon this place would never forget it After writing a best selling novel about the family that lived in this place called Simmon Tree Bottom Lizzy found herself dead center in the legend that lay beneath Kinsales mysterious persimmon tree It seemed that all hell was breaking loose and Lizzy realized that this small insignificant place was not so obscure at least not to those who dwelled beneath it There seemed to be a connection that tied it all together Lizzy introduced the world to Simmon Tree Bottom and now Simmon Tree Bottom was introducing her and the rest of the world to the Trilok

Sonata Form Carole Cummings, 2021-01-29 Love and war and dragons A sweet standalone romantic fantasy richly imagined Publisher's Weekly Old Forge is known for its dragons savage little things more singe than snarl and Milo Priddy is known for his way with them When rumblings of conflict appear on the horizon the dragons start to disappear Milo is dragonkin and knows what he must do It is an uneasy choice and one he dares not reveal even to his lover Ellis As leader of neighbouring Wellech Ellis has his own hard choices His skills are crucial to a secure homeland More and more the homeland he and Milo once hoped to share is under threat not only from outside but within For their own people are sowing mistrust of the magic users seeding a betrayal of not only the dragons but their kin

Reading and Writing Place Erika L. Bass, Amy Price Azano, 2024-02-27 In Reading and Writing Place Connecting Rural Schools and Communities Erika L Bass and Amy Price Azano suggest there is a need to add nuance to the ways we consider and engage with place in the classroom Using a narrative writing project completed with two rural schools in two states the authors provide an explanation of critical placed education and how students explorations of place through writing led the authors to develop a concept of place Big P and small p place Students explorations of place highlighted the how internalizations and externalizations of place impact identity formation and sense of belonging

The Faerie Hill Barbara-Ann Wilson, 2008-07-15 The Faerie Hill by Barbara Ann Wilson is truly a fairy tale for kids of all ages Travel with Duncan and Catriona into Scotland's secret Fairy Kingdom This book was inspired by the Faerie Hill of Doon in Aberfoyle Scotland one of the authors most favorite places I heard tell that the bold Rev Kirk is alive and well at the Court of the Faerie Queen as the two unsuspecting children in my story discovered So if you ever decide to visit Doon Hill in Aberfoyle please be respectful Many people visit the hill and leave wishes tied to the trees for the Faeries to grant them and also little gifts for the Faeries in return Remember the Faeries might well be watching so do be on your best behaviour B A Wilson

The Sun Rose and Angels Cried Willie G, 2019-09-03 The story you are about to read is true yes there are stretchers strewn about

but the basic story is all too real This story is told through the eyes of Lorraine's little brother Poncho and what he was going through at the time Every morning when I wake up my sister Lorraine invades my mind There's nothing I can do to stop it It wasn't always that way At one time the only thought I had when awakened in the morning was that I did not want to be awakened I hated having to get up How did this happen I don't know and there isn't a doctor in the world who can say they know definitively If they claim they know they're not telling the truth I do know this it started sometime after my sister became pregnant She did not know what to do And at that time in our history in the 60s and early 70s what to do was simple enough marry the guy who knocked you up For my sister and I'm sure for many other women it was not that simple Abortion to most it's either a bad thing or a good thing it's good versus evil It's God versus Satan I've heard that abortion is a social concern I've heard that abortion is an economic concern I've heard that abortion is a religious concern I've heard that abortion is a convenience and that's a concern I've heard that abortion is a stigma and that's a concern I've heard that abortion is murder plain and simple I've heard that abortion is a woman's right after all it's her body plain and simple But it's not so simple is it In the 60s and early 70s abortion was illegal And having one was dangerous unless you had access to the right people And having access to the right people usually meant you had money and lots of it You were paying for a service and to have that service kept secret My family was not rich Then came Roe v Wade and abortion became legal But legal doesn't mean acceptable You see accepting something that was unacceptable especially morally unacceptable takes time For an individual it may take no more time than a ride to the clinic but for groups it takes time days weeks months years This I call delayed acceptance Still for some acceptance never comes When I wake up in the morning I think about my sister's decision And I wonder if she made the decision And I wonder something more nefarious Did someone decide for her And I wonder if things would have been different if Roe v Wade had been there in time
