That Their Work Will Be a Joy Cameron Lee, Kurt Fredrickson, 2012-09-01 For those who are called to it pastoral ministry can be a source of deep joy But there are also challenges An increasing number of pastors seem to be burning out under the load Congregations may not be aware of the many and conflicting demands placed on a pastor's time and energies nor the pastor's need for rest and personal support That Their Work Will Be a Joy was written to encourage mutual understanding between pastors and congregations about the stresses of ministry The authors present five principles that will help ministry remain more of a joy than a burden Every chapter contains practical recommendations targeted specifically for pastors congregational leaders and even seminarians preparing for ministry A dozen personal responses to the book written as letters from people in ministry have been collected together at the end The book is helpful as a ministry preparation text a guide for those serving as pastors or as a discussion starter for pastors support groups It will help church committees smooth a pastoral transition or calm seminary graduates anticipating their first placement The hope is that stressed out pastors will recover their sense of vocation and congregations will begin to fulfill their calling as the body of Christ
