Right Wrong Ways To Use The Bible:

Banned Questions About the Bible Christian D Piatt,2011-03-31 From Christian Piatt When I was a teenager my youth minister threw a bible at my head for asking questions Too often for various reasons people don t have the opportunity to ask the hard questions they have about faith religion salvation and the bible And when questions are left unanswered in communities of faith people either seek answers elsewhere or lose interest all together The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of experts who are challenged with responding in two hundred words or less in plain English This volume addresses challenging or controversial questions about scripture collected from people on Facebook MySpace Twitter and other social networking media Respondents include theology professors clergy lay leaders liberals conservatives and voices representing a spectrum of views The idea behind the books is not so much to provide definitive answers as it is to stimulate thought reflection and discussion By offering multiple perspectives readers have the opportunity to arrive at their own questions Better they come to understand that questioning faith is not taboo but rather that it can be at the foundation of a strong and growing faith The directive given to each respondent guided them to be concise and to speak in plain language but also not to rely exclusively on the Bible says it justifications or to wax abstract or overly intellectual Instead they write from personal experience as much as possible and provide real life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives The Living Church ,1953 **Philosophy and Ethics** Jon Mayled,Libby Ahluwalia,2003-08-08 This is the foundation edition of the bestselling textbook which covers one of the most popular areas of study for RS GCSE It provides an accessible approach to the course for lower ability students and is also an ideal resource for those taking the short course option *You Can't Ask That!* Christian Piatt ,2020-10-06 Have you ever had a burning question that seemed off limits or inappropriate to ask about Christianity the Bible or Jesus You Can t Ask That gathers 50 of the most provocative challenging or otherwise taboo questions that many of us have wondered about but few have actually asked Edited by Christian Piatt who once had a bible thrown at his head for asking too many questions during a Sunday school class this collection considers nothing off limits and takes the hard questions seriously Responses from theology professors pastors lay leaders and other progressive Christians range from the personal to the profound and from sarcastic to deeply touching By offering multiple perspectives to those banned questions readers can craft their own answers Better yet they ll understand that questioning faith is not taboo it s the foundation of a strong and growing faith A course of Sunday school lessons on Christian faith and duty John Watson,1883 **How to Read the Psalms** Tremper Longman III,2025-01-07 The Psalms are well loved by Christians yet they also challenge us when we look at them closely In the second edition of this popular How to Read volume Tremper Longman III offers practical study exercises and suggestions for interpreting the psalms helping us overcome the distance between the psalmists world and ours *Right and Wrong Ways to Use the Bible* Joseph Carter Swaim,1953

The Gift of Reading - Part 2 J. Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its Creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Having outlined in Part 1 a method for reading the Bible in order to understand it The Gift of Reading Part 2 addresses the issues of hermeneutics or the theory of reading After briefly surveying the major approaches to reading the Bible throughout the history of the Church The Gift of Reading Part 2 argues for an understanding of the role of the text read and author based on a Biblical epistemology and theology A Christian Student's Survival Guide Ph D Dr Robert a Morey, 2010-07 How Postmodernism Serves (My) Faith Crystal L.
