Rights Of Youth Canadian Critical Issues Series:

In Search of Canadian Materials ,1971 *Youth Crime and Justice* Barry Goldson,John Muncie,2006-05-15 Youth Crime and Justice presents a detailed and comprehensive critical analysis of evidence from leading national and international scholars As such it provides a powerful antidote to the excesses of contemporary correctionalism Professor Andrew Rutherford University of Southampton Youth Crime and Justice is the most comprehensive and up to date collection on the market today A must for all researchers teachers and students of youth justice Professor Tim Newburn London School of Economics and Political Science and President of the British Society of Criminology For the first time leading national and international scholars have been brought together to engage explicitly with a comprehensive critical assessment of the relation between evidence and contemporary youth justice policy formation This book along with its companion volume Comparative Youth Justice edited by John Muncie and Barry Goldson will significantly advance the development of an emerging youth criminology The book is essential reading for criminology and criminal justice students researchers and practitioners Contributors Affiliations Tim Bateman is a Senior Policy Development Officer with Nacro a UK based crime reduction agency Chris Cunneen is Professor of Criminology and Director of the Institute of Criminology at the University of Sydney Matthew Follett is a Lecturer in Criminology at the University of Leicester Loraine Gelsthorpe is a Reader in Criminology and Criminal Justice at the Institute of Criminology University of Cambridge Barry Goldson is a Senior Lecturer in Sociology at the University of Liverpool England Kevin Haines is Head of Applied Social Sciences at the University of Swansea Lynn Hancock is a Lecturer in Sociology at the University of Liverpool Harry Hendrick is an Associate Professor of History at the University of Southern Denmark Gordon Hughes is Professor of Criminology at the International Centre for Comparative Criminological Research at the Open University Fergus McNeill is a Senior Lecturer at the Glasgow School of Social Work Universities of Glasgow and Strathclyde Phil Mizen is a Senior Lecturer in Sociology at the University of Warwick John Muncie is Professor of Criminology and Co Director of the International Centre for Comparative Criminological Research at the Open University David O Mahony is a Senior Lecturer in Youth Justice at the Institute of Criminology and Criminal Justice School of Law Queen s University Belfast Gilly Sharpe is a Doctoral Research Student at the Institute of Criminology University of Cambridge David Smith is Professor of Criminology at Lancaster University Roger Smith is a Lecturer in Social Work at the University of Leicester Colin Webster is a Senior Lecturer in Criminology at the University of Teesside Rob White is Professor of Sociology and Head of the School of Sociology and Social Work at the University of Tasmania **Resources in Education** ,2001-10 *Research in Education* ,1971 **Comparative Youth Justice** John Muncie,Barry Goldson,2006-05-15 In this pathbreaking volume Muncie and Goldson bring together leading authors to examine and compare youth justice systems around the world Comparative Youth Justice will be of interest to all criminologists concerned with comparative penal policy and will be essential to all scholars of youth justice Professor Tim

Newburn London School of Economics and Political Science and President of the British Society of Criminology Comparative Youth Justice is what we need in an era of hardening social policies and irresponsible political demagoguery thoughtful critiques comparative analysis and a commitment to the rights of youth John Muncie and Barry Goldson have done a fine job of bringing together a group of commentators who know the inner workings of juvenile justice and what it will take to change the current law and order model A book that is required reading for practitioners professors policy makers researchers and students concerned about the bankrupt state of juvenile justice and willing to consider new ideas and directions Tony Platt California State University Sacramento With contributions from leading commentators from 13 different countries this carefully integrated edited collection comprises the most authoritative comparative analysis of international youth justice currently available However Comparative Youth Justice is not simply an attempt to document national similarities and differences but looks critically at how global trends are translated at the local level This book also examines how youth justice is implemented in practice with a view to promoting change as well as reflection Each chapter addresses key critical issues the degree of compliance with international law the extent of repenalisation adulteration tolerance the impact of experiments in restoration and risk management This book is designed as a companion volume to Youth Crime and Justice edited by Barry Goldson and John Muncie published simultaneously by SAGE Publications This is a brilliant set of edited volumes that will be an indispensable and timely source of information and analysis for anyone with an interest in issues of youth justice and comparative criminology David A Green Oxford University Critical Issues in Democratic Schooling Kenneth Teitelbaum, 2020-04-28 Focusing on a wide range of critical issues this book provides a comprehensive analysis of the linkage of different educational ideas policies and practices to a commitment for democratic schooling Informed by significant interdisciplinary research as well as by his own extensive professional experiences as a teacher professor department chair and dean Teitelbaum examines contemporary concerns related to three broad areas 1 teaching and teacher education 2 curriculum studies and 3 multiculturalism and social justice His approach is to integrate the current and the historical the practical and the theoretical the technical and the socio political and the personal and the structural With this volume Teitelbaum considers how schools should be organized and funded what they should teach and to whom the role that teachers students and parents should play in school life and the need and prospects for schools and teacher education programs that foster meaningful learning critical reflection and social justice **Canadian Books in Print**, 1995

Canadiana, 1986 **Curriculum Series** Ontario Institute for Studies in Education, 1967 **Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e** Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children's books and a basic book list for librarians

teachers and parents are included in this charmingly illustrated volume

A Question of Commitment Thomas Waldock, 2020-04-09 With the adoption of the United Nations Convention on the Rights of the Child 1989 commentators began to situate the evolution of the status of children within the context of the property to persons trajectory that other human rights stories had followed In the first edition of *A Question of Commitment* editors R Brian Howe and Katherine Covell provided a template of analysis for understanding this evolution They identified three overlapping stages of development as children transitioned from being regarded as objects to subjects in their own right social laissez faire paternalistic protection and children s rights In the social laissez faire stage children are regarded as objects and largely as the property of parents In the paternalistic protection stage children are seen as vulnerable and in need of protection The children s rights stage lays emphasis on children as rights bearers as individuals in their own right with entitlements In this second edition new essays assess the extent to which children s rights have been incorporated into their respective areas of policy and law The authors draw conclusions about what the situation reveals about the status of children in Canada Overall many challenges remain on the pathway to full recognition and citizenship

CA, 1972-07 *The Oxford Handbook of Children's Rights Law* Jonathan Todres, Shani M. King, 2020-02-19 Children s rights law is a relatively young but rapidly developing discipline The U N Convention on the Rights of the Child the field s core legal instrument is the most widely ratified human rights treaty in history Yet like children themselves children s rights are often relegated to the margins in mainstream legal political and other discourses despite their application to approximately one third of the world s population and every human being s first stages of life Now thirty years old the Convention on the Rights of the Child CRC signalled a definitive shift in the way that children are viewed and understood from passive objects subsumed within the family to full human beings with a distinct set of rights Although the CRC and other children s rights law have spurred positive changes in law policies and attitudes toward children in numerous countries implementation remains a work in progress We have reached a state in the evolution of children s rights in which we need more critical evaluation and assessment of the CRC and the large body of children s rights law and policy that this treaty has inspired We have moved from conceptualizing and adopting legislation to focusing on implementation and making the content of children s rights meaningful in the lives of all children This book provides a critical evaluation and assessment of children s rights law including the CRC With contributions from leading scholars and practitioners from around the world it aims to elucidate the content of children s rights law explore the complexities of implementation and identify critical challenges and opportunities for children s rights law

Routledge International Handbook of Critical Issues in Health and Illness Kerry Chamberlain, Antonia Lyons, 2021-07-27 The Routledge International Handbook of Critical Issues in Health and Illness is a multidisciplinary reference book that brings together cutting edge health and illness topics from around the globe It offers a range of theoretical and critical perspectives to provide contemporary insights into complex health issues that can offer ways to

address inequitable patterns of illness and ill health This collection written by an international pool of expert academics from a range of disciplinary backgrounds is unique in providing theoretical and critical analyses on key health topics considering power and broader social structures that influence health and illness outcomes The chapters are organised in three parts The first covers medical contexts here chapters provide commentary and critical analysis of the history of medicine medicalisation pharmaceuticalisation services and care medical technology diagnosis screening personalised medicine and complementary and alternative medicine The second part covers life contexts chapters include a range of life contexts that have implications for health including gender sexuality reproduction disability ethnicity indigeneity inequality ageing and dying The third part covers shifting contextual domains chapters consider contemporary areas of life that are rapidly changing including bioethics digital health migration medical travel geography and place commercialisation globalisation and climate change The Routledge International Handbook of Critical Issues in Health and Illness is a key contemporary reference text for scholars students researchers and professionals across disciplines including sociology psychology anthropology geography medicine public health and health science *Politics, Participation & Power Relations* Richard C. Mitchell, Shannon A. Moore, 2012-10-01 Until recently youth have become the great absence regarding matters of citizenship justice and democracy Rarely are young people taken up with the important discourses of freedom and citizenship especially discourses that transcend national boundaries and academic disciplines Richard Mitchell and Shannon Moore have put together a brilliant book that not only fills this void but makes one of the most powerful cases I have read for addressing young people in terms that not only allow them to talk back be heard but also to enjoy those rights and freedoms that give democracy a real claim on its ideals and promises Every educator parent student and all those young people now making their voices heard all over the world should read this book Henry A Giroux This diverse collection will appeal to students in senior undergraduate and graduate courses looking into the new cosmopolitanism in social policy citizenship or cultural studies in child and youth studies and in post colonial approaches to education sociology and political science

Comparative, International, and Global Justice Cyndi Banks, James Baker, 2015-09-23 Comparative International and Global Justice Perspectives from Criminology and Criminal Justice presents and critically assesses a wide range of topics relevant to criminology criminal justice and global justice The text is divided into three parts comparative criminal justice international criminology and transnational and global criminology Within each field are located specific topics which the authors regard as contemporary and highly relevant and that will assist students in gaining a fuller appreciation of global justice issues Authors Cyndi Banks and James Baker address these complex global issues using a scholarly but accessible approach often using detailed case studies The discussion of each topic is a comprehensive contextualized account that explains the social context in which law and crime exist and engages with questions of explanation or interpretation The authors challenge students to gain knowledge of international and comparative criminal justice issues and think about them

in a critical manner It has become difficult to ignore the global and international dimensions of criminal justice and criminology and this text aims to enhance criminal justice education by focusing on some of the issues engaging criminology worldwide and to prepare students for a future where fields of study like transnational crime are unexceptional

Children's Rights Tom O'Neill, Dawn Zinga, 2008-08-02 The United Nations Convention on the Rights of the Child was incorporated into international law in 1989 Since its adoption it has been ratified by nearly all member nations An outline of the basic rights of all persons under the age of 18 the Convention has various implications and its importance cannot be contested This collection focuses on children's rights as defined by the U N Convention and their relevance in both national and international contexts The contributors discuss the Convention from different disciplinary perspectives but are united in the belief that it is a tool to be utilized and contextualized by individuals institutions and communities If there is a single conviction to be found throughout Children's Rights it is that the rights of the child are far too important to be left to states alone to provide and protect To paint a detailed picture of the subject as a whole the volume looks at situations in which the basic rights of children are often denied such as violent social conflict parental abandonment and social inequality Consisting of thirteen essays by prominent scholars it is an in depth and interdisciplinary exploration of the significance of children's rights and a tremendous resource for those working with children and youth in institutional and educational settings

Rewriting Children's Rights Judgments Helen Stalford, Kathryn Hollingsworth, Stephen Gilmore, 2017-11-02 This important edited collection is the culmination of research undertaken by the Children's Rights Judgments Project This initiative involved academic experts revisiting existing case law drawn from a range of legal sub disciplines and jurisdictions and redrafting the judgment from a children's rights perspective The rewritten judgments shed light on the conceptual and practical challenges of securing children's rights within judicial decision making and explore how developments in theory and practice can inform and re invigorate the legal protection of children's rights Collectively the judgments point to five key factors that support a children's rights based approach to judgment writing These include using children's rights law and principles drawing on academic insights and evidence endorsing child friendly procedures adopting a children's rights focused narrative and using child friendly language Each judgment is accompanied by a commentary explaining the historical and legal context of the original case and the rationale underpinning the revised judgment including the particular children's rights perspective adopted the extent to which it addresses the children's rights deficiencies evident in the original judgment and the potential impact the alternative version might have had on law policy or practice Presented thematically with contributions from leading scholars in the field this innovative collection offers a truly new and unique perspective on children's rights

Proceedings, NECC '93 Thomas A. Brubaker, 1993 *Critical Issues in Child Welfare* Nora S. Gustavsson, Elizabeth A. Segal, 1994-04-06 This book provides a good overview of the important and current issues in child welfare today Emma Wolford in The Prevention Report Nora S Gustavson and Elizabeth A Segal take an interdisciplinary

approach to issues affecting young people in the USA The result is a book packed with up to date research and statistics relating to the health educational experience and prospects violence suffered and perpetrated homelessness effects of HIV and chemical exposure as they affect young people I would certainly recommend this book to social workers and all professionals working with young people However I feel its user friendly style and interdisciplinary approach make it attractive reading to a wider audience and hope that the rather prosaic title doesn't put them off Rosemary Rae in British Journal of Social Work Nora S Gustavsson and Elizabeth A Segal provide a clear concise overview of the mental emotional physical and social condition of children in the United States and the current social concerns that threaten their well being Traditional child welfare topics such as foster care adoption abuse and neglect are discussed as are areas of increasing scope and significance including poverty among children HIV and chemically exposed infants and the rising number of single parent households The need to strengthen proactive child welfare programming and primary prevention is a key theme throughout the book and serves as both an integrating and perspective altering force Human service professionals professors and advanced students will find the text an informative guide to sorting out the intricacies of child welfare policy as it exists today This book describes some of the most critical issues confronting child welfare The perspective is balanced and includes elements of policy analysis and principles that students should know This book will be a valuable resource Paula Allen Meares School of Social Work University of Michigan Nora S Gustavsson and Elizabeth A Segal provide a good overview of difficulties facing children in the 1990s The authors combine information from disciplines such as education medicine child development and economics in their analysis of the problems encountered by youngsters whose basic needs may not be met Choice
