

Rigoberta Menchbu Controversey

Jean Franco

Rigoberta Menchú Controversy:

The Rigoberta Menchú Controversy Arturo Arias, David Stoll, 2001 Guatemalan indigenous rights activist Rigoberta Menchú first came to international prominence following the 1983 publication of her memoir *I Rigoberta Menchú* which chronicled in compelling detail the violence and misery that she and her people suffered during her country's brutal civil war. The book focused world attention on Guatemala and led to her being awarded the Nobel Peace Prize in 1992. In 1999 a book by David Stoll challenged the veracity of key details in Menchú's account generating a storm of controversy. Journalists and scholars squared off regarding whether Menchú had lied about her past and if so what that would mean about the larger truths revealed in her book. In *The Rigoberta Menchú Controversy* Arturo Arias has assembled a casebook that offers a balanced perspective on the debate. The first section of this volume collects the primary documents: newspaper articles, interviews, and official statements in which the debate raged. Many are translated into English for the first time. In the second section a distinguished group of international scholars assesses the political, historical, and cultural contexts of the debate and considers its implications for such issues as the culture wars, historical truth, and the politics of memory. Also included is a new essay by David Stoll in which he responds to his critics.

Who Is Rigoberta Menchú? Greg Grandin, 2011-08-23 In 1984 indigenous rights activist Rigoberta Menchú published a harrowing account of life under a military dictatorship in Guatemala. That autobiography *I Rigoberta Menchú* transformed the study and understanding of modern Guatemalan history and brought its author international renown. She won a Nobel Peace Prize in 1992. At that point she became the target of historians seeking to discredit her testimony and deny US complicity in the genocidal policies of the Guatemalan regime. Told here is the story of an unlettered woman who became the spokesperson for her people and clashed with the intellectual apologists of the world's most powerful nation. What happened to her autobiography speaks volumes about power, perception, and race on the world stage. This critical companion to Menchú's work will disabuse many readers of the lies that have been told about this courageous individual.

Women Nobel Peace Prize Winners, 2d ed. Anita Price Davis, Marla J. Selvidge, 2015-12-01 From the first woman Nobel Peace Prize recipient Bertha von Suttner 1905 to the latest and youngest female Nobel laureate Malala Yousafzai 2014 this book in its second edition provides a detailed look at the lives and accomplishments of each of these sixteen Prize winners. They did not expect recognition or fame for their work: economist Emily Greene Balch 1946 was surprised to learn that anyone knew about her. But they did not work in isolation; all met with discouragement, derision, threats, or in Yousafzai's case attempted murder and exile. A history of the Prize and a biographical sketch of Alfred Nobel are included.

The Ethics of Life Writing Paul John Eakin, 2004 Our lives are increasingly on display in public, but the ethical issues involved in presenting such revelations remain largely unexamined. How can life writing do good and how can it cause harm? The eleven essays here explore such questions.

The Comfort Women Hoax J. Mark Ramseyer, Jason M. Morgan, 2024-01-23 During World War II the Japanese military extended Japan's civilian licensing

regime for domestic brothels to those next to its overseas bases It did so for a simple reason to impose the strenuous health standards necessary to control the venereal disease that had debilitated its troops in earlier wars In turn these brothels dubbed comfort stations recruited prostitutes through variations on the standard indenture contracts used by licensed brothels in both Korea and Japan The party line in Western academia though is that these comfort women were dragooned into sex slavery at bayonet point by Japanese infantry But as the authors of this book show that narrative originated as a hoax perpetrated by a Japanese communist writer in the 1980s It was then spread by a South Korean organization with close ties to the Communist North Ramseyer and Morgan discuss how these women really came to be in Japanese military comfort stations Some took the jobs because they were tricked by fraudulent recruiters Some were under pressure from abusive parents But the rest of the women seem to have been driven by the same motivation as most prostitutes throughout history want of money Indeed the notion that these comfort women became prostitutes by any other means has no basis in documentary history Serious intellectuals of all political perspectives in both South Korea and Japan have understood this for years Ramseyer and Morgan s findings caused a firestorm in Japanese Studies academia For explaining that the women became prostitutes of their own volition both authors of this book found themselves cancelled In this book the authors detail both the history of the comfort women and their own persecution by academic peers Only in the West and only through brutal stratagems of censorship and ostracism has the myth of bayonet point conscription survived Scandals and Scoundrels Ron Robin,2004-10-11 This is an incisive examination of several scandals that have rocked the academy over the last decade *Rigoberta Menchú Tum* Heather Lehr Wagner,2007 Rigoberta Menchu Tum experienced firsthand the oppression of the native Indian population in Guatemala This biography profiles the unwavering activist who was awarded the 1992 Nobel Peace Prize for her remarkable work promoting social justice and ethno cultural reconciliation based on respect for the rights of indigenous peoples **The Decline and Fall of the Lettered City** Jean Franco,2002-06-24 The cultural Cold War in Latin America was waged as a war of values This book charts the conflicting universals of this period the clash between avant garde and political vanguard **Women Who Changed the World** Candice Goucher,2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women s lived experiences Learning how women changed the world will change the ways the world looks at the past Women Who Changed the World Their Lives Challenges and Accomplishments through History features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today s tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman s life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting

legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women

Encyclopedia of World Writers, 1800 to the Present Marie Diamond,2020-07-01 In recent years schools have started introducing more inclusive syllabi emphasizing the works and ideas of previously overlooked or underrepresented writers Readers of all ages can now explore the rich contributions of writers from around the world These writers have various backgrounds and unlike most writers from the U S or the United Kingdom information on them in English can be difficult to find Encyclopedia of World Writers 1800 to the Present covers the most important writers outside of the U S Britain and Ireland since 1800 More than 330 insightful A to Z entries profile novelists poets dramatists and short story writers whose works are anthologized in textbooks or assigned in high school English classes Entries range in length from 200 to 1 000 words each and include a biographical sketch synopses of major works and a brief bibliography Dozens of entries are new to this edition and many existing entries have been updated and significantly expanded with new Critical Analysis sections Coverage includes Chinua Achebe Margaret Atwood Roberto Bola o Albert Camus Khalid Hosseini Victor Hugo Mohammad Iqbal Franz Kafka Stieg Larsson Mario Vargas Llosa Naghib Mahfouz Gabriel Garc a M rquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more

Cartographies of Affect Debra A. Castillo,Kavita Panjabi,2011 *Holocaust Consciousness and Cold War Violence in Latin America* Estelle Tarica,2022-04-01 This book proposes the existence of a recognizably distinct Holocaust consciousness in Latin America since the 1970s Community leaders intellectuals writers and political activists facing state repression have seen themselves reflected in Holocaust histories and have used Holocaust terms to describe human rights atrocities in their own countries In so doing they have developed a unique controversial approach to the memory of the Holocaust that is little known outside the region Estelle Tarica deepens our understanding of Holocaust awareness in a global context by examining diverse Jewish and non Jewish voices focusing on Argentina Mexico and Guatemala What happens she asks when we find the Holocaust invoked in unexpected places and in relation to other events such as the Argentine Dirty War or the Mayan genocide in Guatemala The book draws on meticulous research in two areas that have rarely been brought into contact Holocaust Studies and Latin American Studies and aims to illuminate the topic for readers who may be new to the fields

The Historiography of Genocide Anton Weiss-Wendt,Robert Krieken,Alfred A. Cave,Ben Kiernan,Doris Bergen,David Moshman,Victoria Sanford,John Docker,Robert Hitchcock,2008-02-13 The Historiography of Genocide is an indispensable guide to the development of the emerging discipline of genocide studies and the only available assessment of the historical literature pertaining to genocides

Remembering a Massacre in El Salvador Héctor Lindo-Fuentes,Erik Kristofer Ching,Rafael Lara Martínez,2007 The authors provide the first systematic study of the infamous massacre now regarded as one of the most extreme cases of state sponsored repression in modern

Latin American history Usa One Nation Under God? Jose Carlos Diaz,2007-09 The U S A claims to be one nation under God If that God is the Christian God this statement is false The author of this book sets out to prove this thesis with the analysis of over a dozen U S war events spanning over a century The U S A is now the only world superpower How did it get there By walking down the path marked by Manifest Destiny With the arrival of the Mayflower the English Puritans believed that God preordained them to spread their eternal values throughout the world This presumptuous goal eventually became the U S expansionist policy the basis for its political and economical conquest of the world Uncle Sam disguised with a false philanthropy became the Northern Colossus He is shouting that the country where he lives is one nation under God however it really is against God Repent USA This book is demonstrating this hypocrisy through an examination of U S military interventions around the world starting with the explosion of the Maine in 1898 and ending with the Operation Iraqi Freedom in 2003 Can the Subaltern Speak? Rosalind C. Morris,2010 Acknowledgments p ix Introduction Rosalind C Morris p 1 Part 1 Text Can the Subaltern Speak revised edition from the History chapter of Critique of Postcolonial Reason Gayatri Chakravorty Spivak p 21 Part 2 Contexts and Trajectories Reflections on Can the Subaltern Speak Subaltern Studies After Spivak Partha Chatterjee p 81 Postcolonial Studies Now That s History Ritu Birla p 87 The Ethical Affirmation of Human Rights Gayatri Spivak s Intervention Drucilla Cornell p 100 Part 3 Speaking of Not Hearing Death and the Subaltern Rajeswari Sunder Rajan p 117 Between Speaking and Dying Some Imperatives in the Emergence of the Subaltern in the Context of U S Slavery Abdul Janmohamed p 139 Subalterns at War First World War Colonial Forces and the Politics of the Imperial War Graves Commission Mich le Barrett p 156 Part 4 Contemporaneities and Possible Futures Not Speaking and Hearing Biopower and the New International Division of Reproductive Labor Pheng Cheah p 179 Moving from Subalternity Indigenous Women in Guatemala and Mexico Jean Franco p 213 Part 5 In Response In Response Looking Back Looking Forward Gayatri Chakravorty Spivak p 227 Appendix Can the Subaltern Speak From Marxism and the Interpretation of History Gayatri Chakravorty Spivak p 237 Bibliography p 293 Contributors p 309 Index p 313 **African Migration Narratives** Cajetan Iheka,2024-04 Examines the representations of migration in African literature film and other visual media with an eye to the stylistic features of these works as well as their contributions to debates on migration **When a Flower Is Reborn** Rosa Isolde Reuque Paillalef,2002-08-06 Testimonial text by a Mapuche woman with commentary and other ethnographic interventions by a U S historian **The Twentieth-Century Spanish American Novel** Raymond Leslie Williams,2009-07-21 A Choice Magazine Outstanding Academic Book Spanish American novels of the Boom period 1962 1967 attracted a world readership to Latin American literature but Latin American writers had already been engaging in the modernist experiments of their North American and European counterparts since the turn of the twentieth century Indeed the desire to be modern is a constant preoccupation in twentieth century Spanish American literature and thus a very useful lens through which to view the century s novels In this pathfinding study Raymond L Williams offers the first complete

analytical and critical overview of the Spanish American novel throughout the entire twentieth century Using the desire to be modern as his organizing principle he divides the century s novels into five periods and discusses the differing forms that the modern took in each era For each period Williams begins with a broad overview of many novels literary contexts and some cultural debates followed by new readings of both canonical and significant non canonical novels A special feature of this book is its emphasis on women writers and other previously ignored and or marginalized authors including experimental and gay writers Williams also clarifies the legacy of the Boom the Postboom and the Postmodern as he introduces new writers and new novelistic trends of the 1990s

The Woman in Latin American and Spanish Literature Eva Paulino

Bueno,María Claudia André,2014-01-10 Noted scholars of Latin American and Spanish literature here explore the literary history of Latin America through the representation of iconic female characters Focusing both on canonical novels and on works virtually unknown outside their original countries the essays discuss the important ways in which these characters represent nature history race and sex the effects of globalization and the unknowable other They examine how both male and female writers portray Latin American women reinterpreting the dynamics between the genders across boundaries and historical periods Drawing on recent theories in literary criticism gender and Latin American studies these essays illuminate the women characters as conduits for the appreciation of their countries and cultures

The Captivating World of Kindle Books: A Detailed Guide Unveiling the Benefits of E-book Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and simplicity of availability, have freed readers from the constraints of physical books.
