Lawrence,2023-10-20 Using a critical lens derived from ecopsychology and its praxis ecotherapy this book explores the relationships Madeleine L Engle develops for her characters in a selection of the novels from her three Time Austin family and O Keefe family series as those relationships develop along a human nonhuman kinship continuum This is accomplished through an examination both of pairs of novels from the fantastic and the realistic series and of single novels which stand out as slightly different from the most prominent genre in a given series Thus this examination also shows L Engle s fluid movement along a fantasy reality continuum and demonstrates the integration of the three series with each other Importantly through examining these relationships and this movement along continuums in these novels the project demonstrates how ecopsychology and ecotherapy provide strong and important and as yet virtually unexplored intersections with children s literature *A Ring of Endless Light* Madeline L'Engle,1995 During the summer her grandfather is dying of leukemia and death seems all around fifteen year old Vicky finds comfort with the pod of dolphin with which she has been doing research At the Edgelessness of Light James McGrath,2005 These poems express my 75 years of experiencing the world as a child adult teacher artist son father husband lover adventurer a poet I have spoken with stones clouds bugs ghosts a grandson Native American elders a mother and father students ex wife and friends in Greece Japan Yemen Santa Fe and my birthplace Tacoma Washington I care about what and how I write while letting the poems speak on their own in their own time A poem may come in a meeting with Natalie Goldberg David Whyte Joan Logghe Morgan Farley Sharon Olds a friend in a local writing group at a stoplight on the Hopi Reservation in the middle of the night in my home with a group of artists at the Congo River at Coole Lake in Ireland with my daughter on a beach in Leros in the Dodecanese in India or in a classroom of children in Seoul Korea Each time place thing or person is sacred And what does the edgelessness of light mean It means that place where love and light are revealed a vibrant gentle lonely place where the tides of feeling and understanding move in and out with constant illumination and exposure of what is important in the moment before fading leaving the edgeless shadow of a poem Writing a poem is my way of blooming bearing fruit decaying and returning to that edgelessness of life with a word of praise I try to share a revelation as I have glimpsed it When something I have written is felt by you that for me is a blessing JAMES McGRATH poet visual artist and teacher is known for his narrative poetry in the PBS American Indian Artist Series in the 1970s He has published poetry in 12 anthologies including *Dakotah Territory* *Passager Inside Grief* *In Cabin Six* and *Mercy of Tides* among others McGrath was poet artist in residence with Arts America in Yemen Kingdom of Saudi Arabia and the Republic of the Congo in the 1990s and his 50 year retrospective as artist was held at the Meridian Gallery in San Francisco in 2002 He lives in La Cieneguilla Santa Fe New Mexico **Listening for Madeleine** Leonard S.
