The Karma Chronicles Part 1 Pepper Carlson, 2017-01-20 What if karmic debt is real and the powers that be are eagerly waiting to collect It is said we all have karmic debt and we get seven years to pay it back We have a responsibility to settle these debts hopefully learning from our mistakes so we dont have to go back to that chapter in the lesson book With good karma we do good deeds so we will reap what we sow What about the price tag for bad karmic debt Do we really have to spend seven lifetimes to get it right In the first book of The Karma Chronicles Hadrians Seal a twin dies at birth and leaves her little sister behind to enter the combat zone With her last breath comes the gift of ageless wisdom and divine intelligence She mysteriously summons the archangels to help her and learns they were expecting her beckoning call all along *Circus and the Avant-Gardes* Anna-Sophie Jürgens, Mirjam Hildbrand, 2022-03-14 This book examines how circus and circus imaginary have shaped the historical avant gardes at the beginning of the 20th century and the cultures they help constitute to what extent this is a mutual shaping and why this is still relevant today This book aims to produce a better sense of the artistic work and cultural achievements that have emerged from the interplay of circus and avant garde artists and projects and to clarify both their transhistorical and trans medial presence and their scope for interdisciplinary expansion Across 14 chapters written by leading scholars from fields as varied as circus theatre and performance studies art media studies film and cultural history some of which are written together with performers and circus practitioners the book examines to what extent circus and avant garde connections contribute to a better understanding of early 20th century artistic movements and their enduring legacy of the history of popular entertainment and the cultural relevance of circus arts *Circus and the Avant Gardes* elucidates how the realm of the circus as a model or rather a blueprint for modernist experiment innovation and renegotiation of bodies has become fully integrated in our ways of perceiving avant gardes today The book does not only map the significance of circus avant garde phenomena for the past but through an exploration of their contemporary actualisations in different media also carves out their achievements relevance and impact both cultural and aesthetic on the present time **Three Ring Circus** John Maggie, 2018-03-16 This classic gay pulp novel from the 1970 s features the tried and true formula of star crossed lovers from the wrong side of the tracks set in the unique world of traveling circus performers Mike is the sheltered son of an old world trapeze family traveling the US with the Prince Royal Circus Roustabout Jerry is a rootless orphan one of the faceless behind the scenes crew who put up and break down tents and attractions as the show moves from town to town One is a star the other has nothing but a motorcycle and his dreams of becoming a stunt rider their romance breaks all the rules of circus society Can they stay the course and prove that love conquers all Men, Music, and Mirth , Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of

Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history *I Wrote This Book Because I Love You* Tim Kreider, 2018-02-06 A People Top 10 Book of 2018 The New York Times essayist and author of *We Learn Nothing* Tim Kreider trains his singular power of observation on his often befuddling relationships with women Psychologists have told him he s a psychologist Philosophers have told him he s a philosopher Religious groups have invited him to speak He had a cult following as a cartoonist But above all else Tim Kreider is an essayist one whose deft prose uncanny observations dark humor and emotional vulnerability have earned him deserved comparisons to David Sedaris Sarah Vowell and the late David Foster Wallace who was himself a fan of Kreider s humor Beautifully written with just enough humor to balance his spikiness Booklist *I Wrote This Book Because I Love You* focuses Tim s unique perception and wit on his relationships with women romantic platonic and the murky in between He talks about his difficulty finding lasting love and seeks to understand his commitment issues by tracking down the John Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler He talks about his valued female friendships one of which landed him on a circus train bound for Mexico He talks about his time teaching young women at an upstate New York college and the profound lessons they wound up teaching him And in a hugely popular essay that originally appeared in The New York Times he talks about his nineteen year old cat wondering if it s the most enduring relationship he ll ever have In a style reminiscent of Orwell E B White and David Sedaris The New York Times Book Review each of these pieces is heartbreaking brutal and hilarious Judd Apatow and collectively they cement Kreider s place among the best essayists working today
