Confronting Capital Pauline Gardiner Barber, Belinda Leach, Winnie Lem, 2012 This volume is an exploration of the ways in which political economy as a mode of analysis moves anthropology toward a vital politically engaged form of scholarship It advances the understanding of the struggles of ordinary people in the

face of capitalist change In the current economic moment when such changes are tumultuous and the instabilities of capitalism are starkly revealed this book responds to the urgent need for theoretical and methodological approaches for understanding the forces that shape our contemporary world Through ethnographic investigations of the quotidian and through the thematic of politics history and livelihoods which distinguish Marxist political economy in the field of anthropology the authors here reveal the increasing complexity of everyday lives Using examples derived from fieldwork carried out across diverse geographical locations the authors pay particular attention to historical conditions shaping the peoples life trajectories In so doing the authors engage critically and with differing emphases with political economy and Marxism as a mode of inquiry This book illustrates the productive tension between observations emerging from the field and theoretical debates that is generated by anthropological ethnography

Sweatshop Regimes in the Indian Garment Industry Alessandra Mezzadri, 2017 Analyses the politics of production and labour control characterizing the Indian readymade garment industry since its entry into the global arena

Small Town Capitalism in Western India Douglas E. Haynes, 2012-03-12 This book charts the history of artisan production and marketing in the Bombay Presidency from 1870 to 1960 While the textile mills of western India s biggest cities have been the subject of many rich studies the role of artisan producers located in the region s small towns have been virtually ignored Based upon extensive archival research as well as numerous interviews with participants in the handloom and powerloom industries this book explores the role of weavers merchants consumers and laborers in the making of what the author calls small town capitalism By focusing on the politics of negotiation and resistance in local workshops the book challenges conventional narratives of industrial change The book provides the first in depth work on the origins of powerloom manufacture in South Asia It affords unique insights into the social and economic experience of small town artisans as well as the informal economy of late colonial and early post independence India

Forging Environmentalism Joanne R Bauer, 2015-01-28 Drawing on an unusually rich empirical base this timely and compelling book examines how environmental values are constructed and legitimized within the policy process It trains the spotlight on four environmentally significant countries China Japan India and the United States representing a wide diversity of cultural social economic and political characteristics Through a combination of case studies and comparative analysis the contributors illuminate cultural assumptions standards and analytic techniques that shape environmental actions and policies around the world Forging Environmentalism provides valuable direction regarding what can be done to secure public support for environmental policies Incorporating expert legal economic philosophical sociological and political perspective points the way toward the possibilities for a convergence of environmental norms and values across diverse cultures

Slums Eugenie L. Birch, Shahana Chattaraj, Susan M. Wachter, 2016-03-08 Large numbers of people in urbanizing regions in the developing world live and work in unplanned settlements that grow through incremental processes of squatting and self building *Slums How Informal Real Estate Markets Work* shows that unauthorized

settlements in rapidly growing cities are not divorced from market forces rather they must be understood as complex environments where state policies and market actors still do play a role In this volume contributors examine how the form and function of informal real estate markets are shaped by legal systems governing property rights by national and local policy and by historical and geographic particularities of specific neighborhoods Their essays provide detailed portraits of individuals and community organizations revealing in granular detail the working of informal real estate markets and they review programs that have been implemented in unconventional settlements to provide lessons about the effectiveness and implementation challenges of different approaches Chapters explore the relationships between informality state policies and market forces from a range of disciplinary perspectives and on different scales from an analysis of the relationship between regulations and housing in 600 developing world cities to an ethnographic account of the buying and selling of houses in Rio de Janeiro s favelas While many of the book s contributors focus on the emerging economies of India and Brazil the conclusions drawn illustrate dynamics relevant to developing countries throughout the Global South The diversity of perspectives combines to create a rich understanding of an important complex and understudied topic Contributors Arthur Acolin Sai Balakrishnan Eugenie L Birch Jos Brakarz Shahana Chattaraj Sebastian Galiani David Gouverneur Yvonne Mautner Paavo Monkkonen Vinit Mukhija Janice E Perlman Lucas Ronconi Bish Sanyal Ernesto Schargrotsky Patricia Cezario Silva Susan M Wachter

The Emerging Asian City Vinayak Bharne, 2013 Asian cities create concomitant imagery polarizations of poverty and wealth blurry lines between formality and informality and stark juxtapositions of ancient historic places with shimmering new skylines With Asia s re emergence on the global stage there is an acute focus on its multifarious urban issues and identities What are Asian cities going to become Will they surpass the economic and environmental debacles of the West This collection of twenty four essays surveys the most dominant issues shaping the Asian urban landscape today It offers scholarly reflections and positions on the forces shaping Asian cities and the forces that they in turn are shaping

Dissent and Cultural Resistance in Asia's Cities Melissa Butcher, Selvaraj Velayutham, 2009-03-23 This book documents urban experiences of dissent and emergent resistance against disjunctive global and local capital technology and labour flows that converge and intersect in some of Asia s fastest growing cities Rather than constructing occupants of the city as simply passive victims of globalisation or urbanisation it presents ways in which people are using everyday strategies embedded in cultural practice to challenge dominant socio economic and political forces impacting on urban space Taking the city as a site of contestation and a stage where social conflicts are played out the book highlights the connections between urban power and dissent the nature and impact of resistance how the spatiality and built environment of the city generates conflict and conversely how protagonists use the cityscape to stage their everyday and public dissent The contributors explore the conditions strategies and outcomes of such dissent and forms of cultural resistance and explore the following themes the impact of urban development gentrification and ghetto isation urban counter narratives and the re

imagining of city spaces the role of grassroots activism and social movements cultural resistance in the creation of neighbourhoods and communities the impact of gender class and the politics of identity on forms of dissent the formation of transgressive spaces

Globalization in the Asian Region Gloria Davies, Chris Nyland, 2004-04-28 For anyone seeking a diverse range of perspectives on globalisation in the Asia Pacific region this collection of highly readable essays is a good place to start Focusing on individual countries the chapters examine the specific modalities of global integration and the responses of different sections of society in each country The authors address questions of major importance for democratic societies such as the connection between globalisation and the rise of religious extremism whether globalisation is in reality a new form of imperial preference who the winners and losers are These are complemented by three short case studies dealing with Indonesia s unrealised potential foreign investment in China and patterns in the movement of people between Hong Kong and the mainland The essays provide a rich source of thought provoking analysis of the complex cultural and political responses arising from both opportunities provided by globalisation and its more negative impacts

Melanie Beresford Macquarie University Australia Globalization in the Asian Region draws confident ragged lines across disciplines themes and the conventional boundaries of scholarship The range of material in the anthology is astounding The diversity and admixture of political positions and approaches is confronting Contemporary Asia is thus mapped without overgeneralizing a homogenous whole

Paul James RMIT University Australia This collection of thoughtful essays provides a reliable picture of the dynamic and often ironic operation of globalization in Asia today and challenges individuals to believe that as communities we have a choice in how we respond and contribute to globalization The editors highlight the multifaceted nature of globalization and bring to the fore its supraterritoriality A dozen detailed studies make good on these claims from analyses of American militancy since 9 11 terrorism and poverty to case studies on Malaysia Indonesia India Australia New Zealand Japan and China These essays make clear the interactive nature of globalization as various economic cultural and political forces pour into Asian societies while the impact of their responses from exports to currency fluctuations to migration flows to transnational religious movements in turn reshape the selfsame globalization process

Timothy Cheek University of British Columbia Canada Bringing together contributors from both the university sector and business centered research institutions this comprehensive volume offers diverse perspectives on the impacts and consequences of globalization in different parts of the Asian region Each chapter offers a substantial account of globalization within a particular nation state or area in the region Different understandings underpin the chapters Some contributors perceive globalization as progress in the form of economically driven processes that have made nations mutually dependent in unprecedented and complex ways Others emphasize the uneven outcomes of globalization as well as the stakes for economic growth and social order in the global climate of deepening political and religious divisions since September 2001

General and specialist readers alike will gain an appreciation of the myriad emphases placed on globalization within different

nations and from various vantage points The book showcases diverse styles of discourse and serves to greatly broaden the scope of what can be discussed under the rubric of globalization within a single volume Environmental Issues in India Mahesh Rangarajan, 2009 Contributed articles presented at a workshop convened at Department of History Delhi University in September 2005 Work in a Metro Anuradha Kalhan, 2017-12-06 This volume is about why work changed to become more precarious around the turn of the century This happened not just in the developed world but also inside sectors that were demarcated as organized and modern within developing countries like India In these sectors unlike the greater part of the Indian economy insecure jobs were uncommon before winds of change made them normal This shift had occurred before the great global financial crisis of 2008 Between 2005-8 a survey based on over thousand structured interviews with workers in offices factories shops and establishments below the supervisory rank in Mumbai was undertaken This is the innovative segment of the book which tries to measure and quantify some of these changes and their associations It is designed to investigate the central proposition of the Insecurity Hypothesis IH which is that the economic risk of increased and global competition was being progressively passed on from the employer to the employee This was happening through shortened job tenure erratic remuneration variable work contingent employment and institutional changes that remove or reduce protection bargaining power of employees in the work place everywhere The corollary is that widespread and unremitting work and income related insecurity is an expedient competitive strategy but a damaging socio economic phenomenon Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

The Making of an Indian Metropolis Prashant Kidambi, 2016-12-05 This book explores the social history of colonial Bombay in the late Victorian and Edwardian eras a pivotal time in its emergence as a modern metropolis Drawing together strands that hitherto have been treated in a piecemeal fashion and based on a variety of archival sources the book offers a systematic analytical account of historical change in a premier colonial city In particular it considers the ways in which the turbulent changes unleashed by European modernity were negotiated appropriated or resisted by the colonised in one of the major cities of the Indian Ocean region A series of crises in the 1890s triggered far reaching changes in the relationship between state and society in Bombay The city's colonial rulers responded to the upheavals of this decade by adopting a more interventionist approach to urban governance The book shows how these new strategies and mechanisms of rule ensnared colonial authorities in contradictions that they were unable to resolve easily and rendered their relationship with local society increasingly fractious The study also explores important developments within an emergent Indian civil society It charts the density and diversity of the city's expanding associational culture and shows how educated Indians embraced a new ethic of social service that sought to improve and uplift the urban poor In conclusion the book reflects on the historical legacy of these developments for urban society and politics in postcolonial Bombay This wide ranging work will be essential reading for specialists in British imperial history postcolonial studies and urban social history It will also be of interest to all those

concerned with the comparative history of governance and public culture in the modern city **The Gravity of Hope** Sreeparna Chattopadhyay, 2024-02-01 The Gravity of Hope is a non fictional account of women s lives who sometimes endured often resisted and ultimately coped with marital violence as best as they could in an informal settlement in northeastern Mumbai It uses anthropological methods and two decades of research driven insights to analyse the role of gender marriage structural violence family informal and legal institutions in tackling wife abuse in India In conclusion there are many reasons why domestic violence in India continues unabated the most important is the social norm that views marriage as the primary and often the only path to securing women s financial futures **Megacity Slums** Marie-Caroline Saglio-Yatzimirsky, 2013 This book looks at slums and social exclusion in the four major megacities of India and Brazil and analyzes the interrelationships between urban policies and housing and environmental issues The challenges posed in Delhi Mumbai Rio de Janeiro and Suo Paulo have spurred public reformers into action through housing rehabilitation and conservation programs Civil society and the inhabitants of these cities have also begun to get involved On the other hand one must wonder whether these challenges were partly created by the deficiencies of these very reformers and civil society be it their lack of intervention as advocates of government intervention would argue or the flaws and inadequacies of their actions as supporters of the free market would suggest Are policies alleviating or aggravating social exclusion This book explores these questions and more **Mumbai Fables** Gyan Prakash, 2010-09-20 A sweeping cultural history of India s largest city A place of spectacle and ruin Mumbai exemplifies the cosmopolitan metropolis It is not just a big city but also a soaring vision of modern urban life Millions from India and beyond of different ethnicities languages and religions have washed up on its shores bringing with them their desires and ambitions Mumbai Fables explores the mythic inner life of this legendary city as seen by its inhabitants journalists planners writers artists filmmakers and political activists In this remarkable cultural history of one of the world s most important urban centers Gyan Prakash unearths the stories behind its fabulous history viewing Mumbai through its turning points and kaleidoscopic ideas comic book heroes and famous scandals the history behind Mumbai s stories of opportunity and oppression of fabulous wealth and grinding poverty of cosmopolitan desires and nativist energies Starting from the catastrophic floods and terrorist attacks of recent years Prakash reaches back to the sixteenth century Portuguese conquest to reveal the stories behind Mumbai s historic journey Examining Mumbai s role as a symbol of opportunity and reinvention he looks at its nineteenth century development under British rule and its twentieth century emergence as a fabled city on the sea Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz and Mumbai s transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena Starry eyed planners and elite visionaries cynical leaders and violent politicians of the street land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of

globalization Shedding light on the city s past and present Mumbai Fables offers an unparalleled look at this extraordinary metropolis **Biosocialities, Genetics and the Social Sciences** Sahra Gibbon, Carlos Novas, 2007-07-20 This pioneering collection uses Paul Rabinow s concept of biosociality to chart the shifts in social relations and in ideas about nature biology and identity brought about by developments in biomedicine
