When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the longest running TV sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it s baffling that Nelson has faded so far from American media memory Larger than life offscreen an attorney college football star cartoonist songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who became known to the rock generation which included his teen idol son Rick Nelson as the essence of blandness But America also saw Ozzie as their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best This book is the only full length biography of Ozzie Nelson since he published his memoirs in 1973 It treats the big band and early TV icon with affection and hints that American pop culture may owe more to Ozzie than is generally acknowledged      *Encyclopedia of American Short Films, 1926-1959* Graham Webb, 2020-07-27
