FADE TO EVIL Gloria H. Giroux, 2024-09-06 Three women Three centuries Three stories where evil is the thread that links them together Lenore A woman doctor in 1888 London she is inextricably linked to the infamous Jack the Ripper murders H l ne A woman in Paris during the German occupation in 1944 she plumbs the depths of commitment to crushing the evil that has invaded her country Maureen A woman traversing the rapidly changing world of 1968 Greenwich Village she brushes up against a strange evil from the present and an unexpected evil from the past Three women that prove that evil never dies

Jack the Ripper Gavin Baddeley, 2022-06-13 Five brutal murders shocked London in the summer and autumn of 1888 They have never been forgotten The Jack the Ripper case has never been solved the killer remains a blood spattered silhouette Although Jack as an entity was almost certainly invented by an unscrupulous journalist he became an archetype decked in the top hat and cloak of a Victorian melodrama villain stalking the fog wreathed streets of the old East End The numerous Ripper theories which emerged at the time tell us more about Victorian attitudes than they do about the killer s true identity In Jack the Ripper the authors follow the grim homicidal trails that have permeated popular culture since the Whitechapel murders of 1888 It tells the victim s stories in all their desperate poignancy and explores the theories and suspects of the burgeoning field of ripperology Conspiracy theories and myths that swirl around the case to this day from black magicians to the royal family are considered as is the modern forensic view of the Ripper murders as sex crimes with reference to disturbing modern cases such as that of the Plumstead Ripper Terrifying and unignorable this is the ultimate book on Jack the Ripper

Possessed Women, Haunted States Christopher J. Olson, CarrieLynn D. Reinhard, 2016-11-02 Since the release of The Exorcist in 1973 there has been a surge of movies depicting young women becoming possessed by a demonic force that only male religious figures can exorcise thereby saving the women from eventual damnation This book considers this history of exorcism cinema by analyzing how the traditional exorcism narrative established in The Exorcist recurs across the exorcism subgenre to represent the effects of demonic possession and ritual exorcism This traditional exorcism narrative often functions as the central plot of the exorcism film with only the rare film deviating from this structure The analysis presented in this book considers how exorcism films reflect reinforce or challenge this traditional exorcism narrative Using various cultural and critical theories this book examines how representations of possession and exorcism reflect reinforce or challenge prevailing social cultural and historical views of women minorities and homosexuals In particular exorcism films appear to explore tensions or fears regarding empowered and sexually active women and frequently reinforce the belief that such individuals need to be subjugated and disempowered so that they no longer pose a threat to those around them Even more recent films produced after the emergence of third wave feminism typically reflect this concern about women Very rarely do exorcism films present empowered women and feminine sexuality as non threatening In examining this subgenre of horror films this book looks at films that have not received much critical scrutiny regarding the

messages they contain and how they relate to and comment upon the historical periods in which they were produced and initially received Given the results of this analysis this book concludes on the necessity to examine how possession and exorcism are portrayed in popular culture Jack the Ripper's New Testament Nigel Graddon,2019-09-12 This book offers evidence for the first time that those responsible for the Whitechapel murders were members of a hit team associated with a centuries old European occult confederacy dedicated to human sacrifice This was first mooted by Jim Keith in his 1993 book *Secret and Suppressed* and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run up to the outbreak of global conflict in 1914 The priest told of the existence of a Vatican based cabal of assassins known to its members by the maxim Dead Men Carry No Tales formed by the infamous Borgias that is in alliance with a Teuton occult group formed in the 9th century It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to solve a sticky problem for the British Royal Family Keith s Vatican informant Part of the substantiation for this evidence derives from Joseph Farrell in his recent *Hess and the Penguins* book for AUP The evidence also substantiates Keith s informant s astonishing claim that the assassins came together in a conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust For the first time also the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth century s highly influential and richly funded Bible Revision movement was associated with the grisly events in London s East End during 1888 s Autumn of Terror Topics include Mr Splitfoot Whitechapel Martha HPB Polly The Occult Underground Dark Annie The Occult Establishment Long Liz The Lady with the Lilacs From Lilacs to Violets Mary Kelly Baconalia Rothschild s Bible Basle 1897 Through the Looking Glass more *Horror and Science Fiction Films IV* Donald C.
