Markham, 2023-07-07 Institutions are very precious If any idea is going to persist into the future then it needs an institution to keep it going Each of us comes to understand often only gradually over the decades how some influences from our earlier life have affected us Some will have been inspiring Some will have

given us direct models of how to behave or how not to behave Indeed it is often the case that the deeper an influence turns out to have been in the long run the less likely it is that we noticed it at the time it was happening For this reason it has become necessary to find the time to reflect on and express gratitude for the institutions that helped form who we are and the work that we do This collection of essays explores the impact of one institution on twenty five participants twenty five years after we worked together The Institution was Liverpool Hope University College and is now Liverpool Hope University By telling and reflecting on our stories we aim to encourage others to think about their own experiences and ultimately our earnest hope is that a greater awareness of this aspect of university life will help to transform our collective understanding of the nature of universities in particular and of communities institutions or societies in general But there was something special about belonging to a community called Hope **Ripples of Hope** Anne Marie Neuchterlein, 1987 Soul Dr. Samuel White III,2018-08-22 Hope For Your Soul Do you need a word of encouragement Hope For Your Soul will lift you from the valley of despair to mountain tops of hope Each meditation will strengthen your faith to pursue your dreams and move your mountains This is a must read for every soul that hungers for hope and inspiration In a time where suicide is at an all time high despair and depression abound both within and outside of the Church and the political landscape is dangerously repressive and regressive the Prophet in the person of the Dr Samuel White III stands in the ruins and says Yes there is hope Dr Genetta Y Hatcher Vice President of Administration and Student Services Director of Recruitment Ecumenical Theological Seminary One of the most difficult struggles can be the struggle to find hope Drawing from his many years of experience as pastor teacher and writer Dr Samuel White III helps us find our way to that elusive goal If youre looking for a reminder of what truly matters in our lives and a road map for how to get back there youll find it in the pages of Hope For Your Soul Dr Brandon R Grafius Assistant Professor of Biblical Studies Ecumenical Theological Seminary Dr Samuel White III encourages the reader that there is hope for the mind body and more importantly the soul Dr Edward Knox Author Gods Grace Through Catch and Release Ethan Bryan, 2014-06-10 At the intersection of the fight to end human trafficking and a love of Grief baseball stands one man For Ethan Bryan an early morning dream became an invitation into a world record setting coast to coast catch playing adventure of faith new friends serendipitous stories and raising money to fight human trafficking A portion of the proceeds from this book will go to Not For Sale Making Hope Happen Shane J. importance of individual action and collective responsibility in achieving these goals While the document touches upon various subtopics such as the rise of corporate landlords the gig economy and the impact of the COVID 19 pandemic these are all connected to the central theme of rebuilding the middle class and restoring community. The author effectively links these seemingly disparate topics by highlighting their impact on the economic and social well being of individuals and communities The document's continuity is further enhanced by the author's consistent use of language and tone The writing style is personal and conversational drawing the reader in with anecdotes and relatable experiences. The author's passion for the subject matter is evident throughout creating a sense of urgency and inspiring readers to take action In conclusion Whatever Happened to the White Picket Fences Restoring the Middle Class by Rebuilding Community demonstrates strong thematic continuity effectively weaving together personal experiences historical context and social commentary to present a compelling argument for the need to rebuild the middle class and restore community values The Double Bottom Line Donato Tramuto, Tami Booth Corwin, 2022-04-05 Compassionate leadership is a bout being nice when practiced effectively it's a strong leadership style that can elevate your spirits and profits Compassionate leaders are not weak They are tough leaders who understand that they can be good to their people and deliver stronger results In fact taking care of your people actually leads to better results In his new book Donato Tramuto recognized CEO business leader innovator and philanthropist makes the case that compassion is a key leadership principle that powerfully drives trust success and innovation raises morale builds stronger teams and improves overall performance creates sustainable commitment to an organization s mission and values Tramuto interviewed nearly 40 successful leaders who practice compassionate leadership and reveals the best strategies from their playbooks He then combined these interviews with his own insights numerous studies and original qualitative research of 1 500 participants to unleash the measurable data and benefits of compassion in the workplace Most leaders have an innate desire to be compassionate but many don t know how to put it into practice This book shares inspiring stories and actionable examples of how proven leaders have accomplished this and how you can too The bottom line on bottom lines compassionate leadership is about better people and better business **The Crisis** .2003-05 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens The Oxford Handbook of Positive Psychology C. Rhoads, 2015-03-31 Words expression and relationships give me the opportunity to connect with someone I will never meet There are 1 025 109 words in the English language I have only used 80 182 of those words in 14 792 paragraphs in 22 987 lines Some rhyme and or form prose designed to put forth a different way of looking at my past situation and reflect on truth or dare in living our life Jerry L Rhoads CPA CEO All American Care of Muscatine and Washington 2002 Cedar Street Muscatine Iowa 52761 Over the years I have contemplated publishing the poems but always put it off due to a lack of time to translate from paper to digital those thoughts of thirty years past I have found not one poem dated because they reflected words spoken from my head that focuses on the ideas of times and events that never really change just mature evolve and reoccur if you are to have memories that mean anything Love religion war peace work and play all are never going to age just the mode of expression Today I still have those in 12 three ring binders on yellowing stock and use them to trigger my editing and writing skills into this book The material is overwhelming since there are about 2 500 poems Every conceivable word that I saw along the road on billboards road signs advertisements business signs or heard etc triggered a poem onto tape then onto paper Today I am to converting these to a digital format so I can capture the thoughts and evolve these rough drafts into many more books I have tried to make the organization somewhat topical focusing on the better material in my artistic opinion yours will by nature be different and that is the power of the written word My intention in triggering topics and titles is not unconventional but does challenge the reader to believe I know that much about words and very little about conventional poetry So if you like or dislike the ideas and use of the English language that kept me occupied over 1 million miles in my car so be it
