*The Emergence of Indian Nationalism* Anil Seal, 1968-03-02 In this volume Dr Seal analyses the social roots of the rather confused stirrings towards political organisations of the 1870s and 1880s which brought about the foundation of the Indian National Congress He is concerned not only with the politicians viceroys and civil servants but with the social structure of those parts of India where political movements were most prominent at the time The emphasis of this work is more upon Indian politics than upon British policy the associations in Bengal and Bombay the genesis of the Congress and the Muslim breakaway which accentuated the political divisions in India      *Historicizing Emotions: Practices and Objects in India, China, and Japan*, 2017-09-11 In *Historicizing Emotions Practices and Objects in India China and Japan* nine Asian Studies scholars offer intriguing case studies of moments of change in community or group based emotion practices including emotionally coded objects Posing the questions by whom when where what by and how the changes occurred these studies offer not only new geographical scope to the history of emotions but also new voices from cultures and subcultures as yet unexplored in that field This volume spans from the pre common era to modern times with an emphasis on the pre modern period and includes analyses of picturebooks monks writings letters ethnographies theoretic treatises poems hagiographies stone inscriptions and copperplates Covering both religious and non religious spheres the essays will attract readers from historical religious and area studies and anthropology Contributors are Heather Blair G rard Colas Katrin Einicke Irina Glushkova Padma D Maitland Beverley McGuire Anne E Monius Kiyokazu Okita Barbara Schuler      *The Cambridge Economic History of India: Volume 2, C.1757-c.1970* Dharma Kumar, Tapan Raychaudhuri, Irfan Habib, Meghnad Desai, 1983 Volume 2 of *The Cambridge Economic History of India* covers the period 1757 1970 from the establishment of British rule to its termination with epilogues on the post Independence period      *The Indian Social Reformer*, 1928      **Creative Pasts** Prachi Deshpande, 2007 The Maratha period of the seventeenth and eighteenth centuries when an independent Maratha state successfully resisted the Mughals is a defining era in the history of the region of Maharashtra in western India In this book Prachi Deshpande considers the importance of this period for a variety of political projects including anticolonial Hindu nationalism and the non Brahman movement as well as popular debates throughout the nineteenth and twentieth centuries concerning the meaning of tradition culture and the experience of colonialism and modernity Sampling from a rich body of literary and cultural sources Deshpande highlights shifts in history writing in early modern and modern India and the deep connections between historical and literary narratives She traces the reproduction of the Maratha period in various genres and public arenas its incorporation into regional political symbolism and its centrality to the making of a modern Marathi regional consciousness She also shows how historical memory provided a space for Indians to negotiate among their national

religious and regional identities pointing to history's deeper potential in shaping politics within thoroughly diverse societies. A truly unique study, *Creative Pasts* examines the practices of historiography and popular memory within a particular colonial context and illuminates the impact of colonialism on colonized societies and cultures. Furthermore, it shows how modern history and historical memory are jointly created through the interplay of cultural activities, power structures, and political rhetoric.

**The Rise and Fall of the Maratha Empire** Rajaram Vyankatesh Nadkarni, 1966 *An Independent, Colonial Judiciary* Abhinav Chandrachud, 2015-05-28 In 2012 the Bombay High Court celebrated the 150th year of its existence. As one of three high courts first set up in colonial India in 1862, it functioned as a court of original and appellate jurisdiction during the British Raj for over 80 years, occupying the topmost rung of the judicial hierarchy in the all-important Bombay Presidency. Yet remarkably little is known of how the court functioned during the colonial era. The historiography of the court is quite literally anecdotal. The most well-known books written on the history of the court focus on humorous, at times possibly apocryphal, stories about eminent judges and great lawyers bordering on hagiography. Examining the backgrounds and lives of the 83 judges, Britons and Indians who served on the Bombay High Court during the colonial era, and by exploring the court's colonial past, this book attempts to understand why British colonial institutions like the Bombay High Court flourished even after India became independent. In the process, this book will attempt to unravel complex changes which took place in Indian society, the legal profession, the law, and the legal culture during the colonial era.

**The Temple Road Towards a Great India** Marta Kudelska, Dorota Kamińska-Jones, Agnieszka Staszczuk, Agata Świerzowska, 2019-11-30 This book presents an analysis of the foundations organised by the Birla family in India. Several generations were involved in the renovation and establishment of sanctuaries, temples, and other sacral buildings. As a result, between 1933 and 1998, nineteen Birla Mandirs were established, mainly in northern and central India. All the temples have the capacity to surprise with their various decorative motifs not seen in other places, which, apart from their aesthetic function, above all, bear important symbolic content. Therefore, is it possible to treat the Birla Mandirs as a specific medium, the carrier of a particular message that is not only religious but with a significance that permeates other layers of social and political discourse? This message, as the authors of the book claim, have a bearing on the socio-political thought of India, supported by the creation and propagation of ideas related to identity and a national art. It also conveys the idea of hierarchical Hindu inclusivism, which, although considering all religions as equal, treats Hinduism in a unique way, seeing within it the most perfect form of religion, giving man the opportunity to learn the highest truth. The book also examines whether the temples founded by the Birla family and the religious activities undertaken therein apply the concept of inventing tradition and whether traditions created or modernised in contemporary times are a way of enhancing the appeal of the message conveyed from temple to society. *The Vastness of Culture* is a series of publications presenting cultural studies and emphasizing the role of comparative research and analyses that reveal similarities, differences, and intercultural influences. In our publications, cultures and civilizations are

in a state of constant flux engaging in dialogue creating new understandings competing for meaning under the influence of global content without any clear boundaries but with a vastness that forces questions to be raised     The Positive Background of Hindu Sociology: Non-political Benoy Kumar Sarkar,1914     **The Positive Background of Hindu Sociology** Benoy Kumar Sarkar,1914     **Western India in the Nineteenth Century** Ravinder Kumar,2013-11-05

Hinduism flourished in the districts around Poona in Bombay to a far greater extent than in the rest of India hence the problems facing the British administrators of Maharashtra were quite different from those confronting them in other parts of India The solutions they proposed and the policies which emerged determined the social changes which took place in the Maharashtra in the nineteenth century This book analyses these changes by focussing on the rise of new social groups and the dissemination of new values and shows how these social groups and values interacted with the traditional order in Maharashtra to create a stable regional society Originally published in 1968     *Advanced Study in the History of Modern India: 1920-1947* G.S.Chhabra,2005     Modern Indian Political Thought Vishwanath Prasad Varma,1964     *Academy and Literature* Charles Edward Cutts Birch Appleton,Charles Edward Doble,James Sutherland Cotton,Charles Lewis Hind,William Teignmouth Shore,Alfred Bruce Douglas,Ellis Ashmead-Bartlett,Thomas William Hodgson Crosland,1901     *Remembering Our Leaders* ,1989 Mahadeo Govind Ranade Mohammd IqbalBhulabhai Desai Bidhan Chandra RoyVinayak Damodar Savarkar K Kamaraj     **The Experience of Hinduism** Maxine Berntsen,1988-01-01 This book presents multi faceted images of religious experience in the Marathi speaking region of India In addition to Irawati Karve s classic On the Road about her pilgrimage to Pandharpur there are three essays by Karve that appear in English for the first time Here is possession by gods and ghosts an actual sermon by an inspired saint in the traditional bhajan style and an autobiographical account of the religious nationalism of the militant R S S These are engaging true to life accounts of the lives of individual Hindus Essays and imaginative literature a poem and a short story interplay the ideas concepts personalities practices rituals and deities of Hinduism in a surprisingly coherent manner     **Mahadeo Govind Ranade** Prabhakar Janardan Jagirdar,1971 Biography of Mahadeo Govind Ranade 1842 1901 Indian social reformer and judge of the Bombay High Court
