*Rising Above Circumstances* Louis Mongwe, 2020-07-08 Living a fulfilled life is not a magic It is biblically proven that every one of us was created with a purpose and that all of us can rise above circumstances However our knowledge determines how high we can go and that is why this book is composed to give you the weapons of life and sharpen your mind With the life changing messages in this book you will be able to conquer the challenges and trample upon all negativities of life The word of God is life and it is through the word that we can access our designated destinies Though it seems impossible sometimes especially when you have been debilitated by the predicaments of life you can rise and be who God created you to be No matter how sorrowful you can be there's a balm in Gilead

Sometimes your environment tells you that it's too late to change your situation but as long as you are still alive it is not over with you Even after going through the fire success is still predictable thus going through this book will help you to water the seed in you Live your life without experiencing limits *Rising Above The Noise* Jonathan Lopez, 2024-04-10 Adjust your

crown and rise above the noise of life In a world filled with distractions and chaos it is crucial that you maintain your stand and remain levelheaded Just like a crown sits gracefully on your head it symbolizes your inner strength resilience and God s calling we were created with a purpose we are called to be limitless the only limitation is created by you In the middle of the noise and chaos it is easy to lose sight of your true worth and potential The noise can be overwhelming drowning out your own voice and causing you to doubt yourself But remember you are the ruler of your own destiny and it is within your power to rise above it all That power was given to you by God Adjusting your crown signifies a conscious decision to take control of your life It is a reminder to hold your head high and embrace the Queen or King that you truly are It is not about arrogance or superiority but rather an acknowledgment of your self worth and the importance of self care being confident As you adjust your crown you let go of the negativity and doubts that may have held you back placing your trust in God You release the opinions and judgments of others understanding that their noise does not define you Instead you focus on your own journey your own dreams aspirations and the Godly purpose given to you before birth
