Risk And Household Behavior In Pakistans Agriculture:

Risk and Household Behavior in Pakistan's Agriculture KUROSAKI Takashi,1998 *The demand for commodity insurance by developing country agricultural producers : theory and an application to cocoa in Ghana* Alexander Sarris,2002

Accidental Gamblers Sarthak Gaurav,Thiagu Ranganathan,2023-08-24 A study of farmers gamble with cotton in Vidarbha India by relying on historical research and 12 years of longitudinal study **The Rural-Urban Nexus in India's**

Economic Transformation Tsukasa Mizushima,2022-12-15 This book describes and analyzes the transformation of Indian economy taking into account historical changes and present dynamics of the rural urban nexus India has recently experienced a period as a high performing economy with the great improvement of indices of human development including literacy rates life expectancy child mortality rates and others In contrast to this bright outlook features such as the retarded growth of women s average height the noticeable gap between male and female population the overwhelming proportion of informal employment in the manufacturing sector or increasing pollution overshadow India s future in some cases pose a threat to lifestyle and environment Examining the rural urban nexus where the new transformative dynamics of Indian socio economy is most conspicuous the contributors to this book shed light on the actual changes taking place at the bottom of Indian society through regional comparisons and spatial differentiation The book offers unique perspectives on the topic produced mostly by Japanese scholars including analysis of original data that have hitherto been unavailable and inaccessible to an international audience As the first book published on the rural urban nexus in India this book will be of interest to researchers studying South Asian History Economics Politics Geography Sociology and Anthropology Development Studies and Economic History Sustainable Land Management in the Tropics Fred Zaai,2016-04-01 Bringing together case studies from Kenya Benin Cameroon and the Philippines this volume provides a multidisciplinary overview of the economics of

natural resource management in Tropical regions at household and village level By comparing a wide array of climatic and economic conditions it examines the effect of location and access to the market as well as the importance of national policies have on soil and water conservation The book not only analyzes the benefits of soil and water conservation based on econometric studies but also assesses the costs involved In doing so it challenges commonly held assumptions about poorer community s ability to finance such measures **Re-thinking Economic Development** 2010 This study investigates the impact of agrarian development programs on rural class structure in Bangladesh and it highlights how the local administration of infrastructure affected the social stratification of villages Re thinking Economic Development shows how the so called Green Revolution was conducive to the formation of the groundwater market and the emergence of the

waterlords The book demonstrates the ways in which the failure of formal finance facilities contributed to the credit flow from the wealthy to the poor with the transformation of the potato marketing system and the structure of rural finance

from the First Decade N. Lalitha, P.K. Viswanathan, 2015-01-01 This volume is quite unique and timely in terms of consolidating some of the most recent theoretical R D as well as empirical analyses of the performance outcomes and farm level responses It is also timely as it unfolds the debate on the wider adoption of Bt technology which addresses some of the apprehensions that prevail over the GM crop varieties The volume provides a holistic perspective on the state of Bt cotton technology in India in terms of presenting the institutional R D policy regimes and regulatory environments that are seemingly inadequate to address the veracity of challenges facing the technology and its legitimacy and social relevance in rendering future of cotton farming more sustainable and inclusive To the best of our understanding this volume is perhaps the first of its kind that engages with the critical aspects of Bt cotton adoption in India since its introduction in 2003
