## **Romans From Village To Empire:**

**The Romans** Mary Taliaferro Boatwright, Daniel J. Gargola, Richard J. A. Talbert, 2004 Vividly written and accessible *The Romans* traces Rome's remarkable evolution from village to monarchy to republic and eventually to one man rule by an emperor whose power at its peak stretched from Scotland to Iraq and the Nile Valley. Firmly grounded in ancient literary and material sources, the book describes and analyzes major political and military landmarks from the Punic Wars to Constantine's adoption of Christianity. With almost 100 illustrations, more than 30 maps, most produced by the Ancient World Mapping Center, and 22 textual extracts that provide fascinating cultural observations made by ancient Romans themselves. *Peoples of the Roman World* Mary T. Boatwright, 2012-02-13 In this highly illustrated book, Mary T. Boatwright examines five of the peoples incorporated into the Roman world from the Republican through the Imperial periods: northerners, Greeks, Egyptians, Jews, and Christians. She explores over time the tension between assimilation and distinctiveness in the Roman world, as well as the changes effected in Rome by its multicultural nature. Underlining the fundamental importance of diversity in Rome's self-identity, the book explores Roman tolerance of difference and community as the Romans expanded and consolidated their power and incorporated other peoples into their empire. *The Peoples of the Roman World* provides an accessible account of Rome's social, cultural, religious, and political history, exploring the rich literary, documentary, and visual evidence for these peoples and Rome's reactions to them. **Outlines & Highlights for**

The author of *The Great Illyrian Revolt* examines one of the Roman Empire's most pivotal defeats: a surprise attack by Germanic barbarians in 9 AD. For twenty years, the Roman Empire conquered its way through modern-day Germany, claiming all lands from the Rhine to the Elbe. However, when at last all appeared to be under control, a catastrophe erupted that claimed the lives of 10,000 legionnaires and laid Rome's imperial ambitions for Germania into the dust. In late September of 9 AD, three Roman legions, while marching to suppress a distant tribal rebellion, were attacked in a four-day battle with the Germanic barbarians. The Romans, under the leadership of the province's governor Publius Quinctilius Varus, were taken completely by surprise, betrayed by a member of their own ranks, the German officer and secret rebel leader Arminius. The defeat was a heavy blow to both Rome's military and its pride. Though the disaster was ruthlessly avenged soon afterwards, later attempts at conquering the Germans were half-hearted at best. *Four Days in September* thoroughly examines the ancient sources and challenges the hypotheses of modern scholars to present a clear picture of the prelude to the battle, the fighting itself, and its aftermath. *Soldier and Society in Roman Egypt* Richard Alston, 2002-09-11 The province of Egypt provides unique

archaeological and documentary evidence for the study of the Roman army In this fascinating social history Richard Alston examines the economic cultural social and legal aspects of a military career illuminating the life and role of the individual soldier in the army *Soldier and Society in Roman Egypt* provides a complete reassessment of the impact of the Roman army on local societies and convincingly challenges the orthodox picture The soldiers are seen not as an isolated elite living in fear of the local populations but as relatively well integrated into local communities The unsuspected scale of the army's involvement in these communities offers a new insight into both Roman rule in Egypt and Roman imperialism more generally

*Village Life in Roman Egypt* Micaela Langellotti, 2020-01-16 This book presents the first detailed study of Tebtunis a village in Egypt within the Roman Empire in the first century AD It is founded on the archive material of the local notarial office or grapheion which was run by a man named Kronion for most of the mid first century The archive unparalleled in antiquity includes over two hundred documents written on papyrus which attest a wide range of transactions made by the villagers over defined periods of time in particular the years AD 42 and 45-7 under the reign of the emperor Claudius This evidence provides a unique insight into various aspects of village life the level of participation in the written contractual economy the socio-economic stratification of the village including the position of women slaves priests and the role of the elite the functions of associations the types and importance of agriculture and non-agricultural activities This multitude of data reveals a highly diversified village economy a large involvement in written transactions among all the strata of the population and a rural society living mostly above subsistence level Tebtunis provides a model of village society that can be used to understand the majority of the population within the Roman Empire who lived outside cities in the Mediterranean particularly in the other eastern and more Hellenized provinces

**Attila - the quest for the Sword of Mars** M. Traugott Huber, 2024-08-15 The Huns are part of Europe's rich history The direct Hunnic impact on Europe as it stood around 370 was massive Attila is one of the few names from antiquity that is still instantly recognised Three famous experts on the Huns Otto Maenchen Helfen 1973 Edward Thompson 1948 1996 and Mischa Meier 2020 contributed significantly to our knowledge but they failed to answer the five most important questions on Attila and the Huns Which was the native country of the Huns Where are the capitals and tombs of Attila's royal ancestors Uldin Charaton and Ruga Where did Attila's decisive Battle of the Catalaunian Plains really take place Where is Attila's lost capital Where is Attila's legendary tomb with his fabled Sword of Mars This book provides answers to each of these five questions while also solving other mysteries the identity of the enigmatic river Drecon the name of the village of Attila's sister in law and the true course of Attila's Gallic campaign in 451 and his Italian campaign in 452

review **Mundunur: A Mountain Village Under the Spell of South Italy** Michele Antonio Di Marco, 2020-03-01  
Montenero Val Cocchiara is usually referred to simply as Montenero or Mundunur in the local dialect Montenero is a typical mountain village on the border of the Abruzzo and Molise regions but it is more than that Its history was tinted by contacts with numerous powerful groups over many centuries The village and its people prove to be unique but they also are highly imbued with elements common to all in South Italy Of course it is the hope of the author that anyone with roots in South Italy will benefit from reading this book However his much greater aspiration is that others will equally enjoy the story of Montenero as a metaphor of their own ancestral village or town regardless of country or even see the village as a microcosm of the world where the forces of history and culture forge the character of people **Women and Gender in a Lebanese Village** Nancy W. Jabbra, 2021-04-19 In *Women and Gender in a Lebanese Village* Generations of Change Nancy W Jabbra addresses change in women s and gender roles in a village in Lebanon s Bekaa valley Employing ethnographic methods and secondary sources she explores that change from the post World War II period to the early twenty first century The topics of geography and power family and kinship education and work community solidarity ritual and symbolism and consideration of the future comprise the substantive part of her monograph This work is a much needed comprehensive treatment of women in a contemporary Arab Christian rural community *The Future of Peace and Justice in the Global Village* Thomas R. McFaul, 2006-09-30 Many authors have written on the effect technology economics and politics have on globalization but few have addressed the potential impact of world religions on the future direction of globalization McFaul s fascinating book explores what others have not the part the world s major religions Hinduism Buddhism Jainism Zoroastrianism Judaism Christianity and Islam will play in bringing either greater peace and justice or hatred and hostility to the global village Will these religions which exert the greatest amount of influence worldwide be a force for good or ill in the emerging global village of the 21st century This book answers that question and more Covering the religions to which the majority of world s population adheres it offers insight into the commonalities differences and potential for coming together to create peace to be found among the major faiths The world s seven major religions are covered and topics such as sexuality ethics violence and the tension between secular and sacred arenas are discussed for each McFaul argues that if the leaders and laity of these religions are able to find common ground efforts toward peace and justice in the global village can be more effective and lasting If they accentuate their differences he suggests they will only produce more hatred and hostility *Village* London Edward Walford, 1884 Originally published in 1883 under the title *Greater London* and first reprinted 100 years later this work by a Victorian historian and antiquarian records the history of the hamlets villages and market towns that made up the metropolitan area before the urban sprawl took over
