Roots The Next Generations:

Jet, 1998-03-16 The weekly source of African American political and entertainment news **Jet**, 1981-06-04 The weekly source of African American political and entertainment news *Roots* Alex HALEY, 1978 **Emmy**, 1988 **Televising Transnational Trauma** Myriam Mompount, 2025-05-23 Televising Transnational Trauma offers a critical analysis of global media representations of the traumatic history of slavery in the Americas Reflecting on the profound influence of the American miniseries *Roots* and the Brazilian telenovela *A Escrava Isaura* on their respective genres the book traces the evolution of serialized slave narratives on screen These productions are explored through the lens of communal memory shaped by culturally bound understandings of shared histories across both homogenous and disparate groups Taking a transnational approach the book examines how these televisual series delicately balance respect for cultural sensibilities with the demands of historical accuracy archival material and global engagement By considering a wide range of series from the Anglophone Hispanophone Lusophone and Francophone worlds Myriam Mompount highlights how these works circulate as cultural commodities in both domestic and export markets In doing so she explores how they reinscribe the legacies of slavery within the constraints of contemporary media Engaging with memory studies media studies trauma theory and spectrality Televising Transnational Trauma brings a fresh perspective to comparative African diaspora scholarship It critically examines how these televisual productions reflect and reimagine cultural memories of chattel slavery for audiences worldwide *Historical Dictionary of African American Television* Kathleen Fearn-Banks, Anne Burford-Johnson, 2014-10-03 From *Amos n Andy* to *The Jeffersons* to *Family Matters* to *Chappelle s Show* this volume has all different genres animation documentaries sitcoms sports talk shows and variety shows and performers such as Muhammad Ali Louis Armstrong Bill Cosby and Oprah Winfrey Additionally information can be found on general issues ranging from African American audiences and stereotypes through the related networks and organizations This second edition covers the history of African Americans on television from the beginning of national television through the present day including chronology introductory essay appendixes bibliography over 1000 cross referenced entries on actors performers producers directors news and sports journalists entries on series specials and movies relevant to African American themes and African American casts This book is an excellent access point for students researchers and anyone wanting to know more about the history of African Americans and their impact on television **The New Encyclopedia of Southern Culture** M. Thomas Inge, Charles Reagan Wilson, 2014-02-01 Offering a comprehensive view of the South s literary landscape past and present this volume of *The New Encyclopedia of Southern Culture* celebrates the region s ever flourishing literary culture and recognizes the ongoing evolution of the southern literary canon As new writers draw upon and reshape previous traditions southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures a development thoughtfully explored in the essays here Greatly expanding the content of the literature section in the original

Encyclopedia this volume includes 31 thematic essays addressing major genres of literature theoretical categories such as regionalism the southern gothic and agrarianism and themes in southern writing such as food religion and sexuality Most striking is the fivefold increase in the number of biographical entries which introduce southern novelists playwrights poets and critics Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship

Black Broadway Stewart F. Lane, 2017-07-19 The African American actors and actresses whose names have shone brightly on Broadway marquees earned their place in history not only through hard work perseverance and talent but also because of the legacy left by those who came before them Like the doors of many professions those of the theater world were shut to minorities for decades While the Civil War may have freed the slaves it was not until the Civil Rights Movement of the 1960s that the playing field began to level In this remarkable book theater producer and historian Stewart F Lane uses words and pictures to capture this tumultuous century and to highlight the rocky road that black actors have travelled to reach recognition on the Great White Way After the Civil War the popularity of the minstrel shows grew by leaps and bounds throughout the country African Americans were portrayed by whites who would entertain audiences in black face While the depiction of blacks was highly demeaning it opened the door to African American performers and by the late 1800s a number of them were playing to full houses By the 1920s the Jazz Age was in full swing allowing black musicians and composers to reach wider audiences And in the thirties musicals such as George Gershwin's Porgy and Bess and Eubie Blake's Swing It opened the door a little wider As the years passed black performers continued to gain ground In the 1940s Broadway productions of Cabin in the Sky Carmen Jones and St Louis Woman enabled African Americans to demonstrate a fuller range of talents and Paul Robeson reached national prominence in his awarding winning portrayal of Othello By the 1950s and 60s more black actors including Ruby Dee Ossie Davis and Sidney Poitier had found their voices on stage and black playwrights and directors had begun to make their marks Black Broadway provides an entertaining poignant history of a Broadway of which few are aware By focusing a spotlight on both performers long forgotten and on those whom we still hold dear this unique book offers a story well worth telling

50 Events That Shaped African American History Jamie J. Wilson, 2019-09-19 This two volume work celebrates 50 notable achievements of African Americans highlighting black contributions to U S history and examining the ways black accomplishments shaped American culture This two volume encyclopedia offers a unique look at the African American experience from the arrival of the first 20 Africans at Jamestown through the launch of the Black Lives Matter movement and the Ferguson Protests It illustrates subjects such as the Jim Crow period the Brown v Board of Education case that overturned segregation Jackie Robinson's landmark integration of major league baseball and the election of Barack Obama as president of the United States Drawing from almost 400 years of U S history the work documents the experiences and impact of black people on every aspect of American life Presented chronologically the selected events each include at least one primary source to provide the reader with a first person

perspective These range from excerpts of speeches given by famous African American figures to programs from the March on Washington The remarkable stories collected here bear witness to the strength of a group of people who chose to survive and found ways to work collectively to force America to live up to the promise of its founding Popular Fads and Crazes

through American History Nancy Hendricks,2018-08-17 This informative two volume set provides readers with an understanding of the fads and crazes that have taken America by storm from colonial times to the present Entries cover a range of topics including food entertainment fashion music and language Why could hula hoops and TV westerns only have been found in every household in the 1950s What murdered Russian princess can be seen in one of the first documented selfies taken in 1914 This book answers those questions and more in its documentation of all of the most captivating trends that have defined American popular culture since before the country began Entries are well researched and alphabetized by decade At the start of every section is an insightful historical overview of the decade and the set uniquely illustrates what today s readers have in common with the past It also contains a Glossary of Slang for each decade as well as a bibliography plus suggestions for further reading for each entry Students and readers interested in history will enjoy discovering trends through the years in such areas as fashion movies music and sports **Unforgettable Sacrifice** Hilary N.

Green,2025-02-25 Rediscover the Civil War through the voices that refused to be silenced Unforgettable Sacrifice offers a groundbreaking exploration into the heart of African American memory of the Civil War challenging conventional narratives and revealing a rich history preserved through oral traditions and communal efforts Through extensive archival research and stories shared on the porches of African American families Hilary Green provides a detailed examination of how diverse Black communities across the United States have actively preserved and contested the memory of the Civil War from the nineteenth century to the present By rejecting the reduction of their experiences to mere footnotes in history African Americans have established a vibrant commemorative culture that respects the complexity of their ancestors sacrifices and struggles From the rural landscapes of Black Pennsylvanians to the heart of emancipated communities in the South Green connects the narratives of those who not only fought on battlefields but also in the realms of memory and heritage ensuring their stories of resilience courage and patriotism are remembered Unforgettable Sacrifice brings to light the untold stories of ordinary African Americans who took extraordinary steps in remembrance and resistance By refusing to accept diluted narratives and lies they have ensured the legacy of the Civil War includes the end of slavery the valor of Black soldiers and civilians and the ongoing struggle for democracy and full citizenship This book is a testament to the enduring power of memory and the steadfast spirit of the African American community It is an indispensable addition to the libraries of scholars general readers and descendant communities alike offering new perspectives on the lasting impact of the Civil War on American identity and the persistent pursuit of justice and equality Encyclopedia of African American History, 1619-1895

Paul Finkelman,2006-04-06 It is impossible to understand America without understanding the history of African Americans In

nearly seven hundred entries the Encyclopedia of African American History 1619-1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia's alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work's usefulness

Yesterday Tobias Becker, 2023-12-05 Nostalgia supposedly is the sphere of the sentimentalist But also and most definitely it is a force in the creation of the present and future and thus worth careful thought Yesterday argues that nostalgia's critics defend an idea of progress as naive as the longing they denounce while conflating nostalgia itself with historical whitewashing

African Americans and US Popular Culture Kevern Verney, 2013-06-17 This volume is an authoritative introduction to the history of African Americans in US popular culture examining its development from the early nineteenth century to the present Kevern Verney examines the role and significance of race in all major forms of popular culture including sport film television radio and music how the entertainment industry has encouraged racism through misrepresentations and caricatured images of

African Americans African Americans have made a unique contribution to the richness and diversity of US popular culture Rooted in African society and traditions black slaves in America created a dynamic culture which continues to evolve Present day hip hop and rap music are still shaped by the historical experience of slavery and the ongoing will to oppose oppression and racism Any student of African American history or cultural studies will find this a fascinating and highly useful book

Producers on Producing Irv Broughton, 2025-02-21 Imre Horvath producer of 60 Minutes was asked how to get to talk to inaccessible people People that are busy are scheduled tight it s at 5 00 and 6 00 that they re back in their office to unwind there s a kind of resonance or sympathy that springs up Oh you re still in your office too Twenty two interviews feature the producers or creators of Mister Rogers Highway Patrol Sea Hunt The Cisco Kid The Tonight Show Rockford Files Falcon Crest Gunsmoke Family Feud and Roots among others These people offer opinions on the producer s role the creation and packaging of different program genres getting the best from the production team tips for success and of course personalities and personal moments Honest and intelligent these interviews give the reader a fascinating view of the industry *Black Television Travels* Timothy Havens, 2013-04 *Black Television Travels* provides a detailed and insightful view of the roots and routes of the televisual representations of blackness on the transnational media landscape By following the circulation of black cultural products and their institutionalized discourses including industry lore taste cultures and the multiple stories of black experiences that have and have not made it onto the small screen Havens complicates discussions of racial representation and exposes possibilities for more expansive representations of blackness while recognizing the limitations of the seemingly liberatory spaces created by globalization Bambi Haggins Associate Professor of Film and Media Studies at Arizona State University A major achievement that makes important contributions to the analysis of race identity global media nation and television production cultures Discussions of race and television are too often constricted within national boundaries yet this fantastic book offers a strong compelling and utterly refreshing corrective Read it assign it use it Jonathan Gray author of *Television Entertainment Television Studies and Show Sold Separately* *Black Television Travels* explores the globalization of African American television and the way in which foreign markets programming strategies and viewer preferences have influenced portrayals of African Americans on the small screen Television executives have been notoriously slow to recognize the potential popularity of black characters and themes both at home and abroad As American television brokers increasingly seek revenues abroad their assumptions about saleability and audience perceptions directly influence the global circulation of these programs as well as their content *Black Television Travels* aims to reclaim the history of African American television circulation in an effort to correct and counteract this predominant industry lore Based on interviews with television executives and programmers from around the world as well as producers in the United States Havens traces the shift from an era when national television networks often blocked African American television from traveling abroad to the transnational post network era of today While globalization has helped to expand diversity in African

American television particularly in regard to genre it has also resulted in restrictions such as in the limited portrayal of African American women in favor of attracting young male demographics across racial and national boundaries Havens underscores the importance of examining boardroom politics as part of racial discourse in the late modern era when transnational cultural industries like television are the primary sources for dominant representations of blackness Timothy Havens is an Associate Professor of television and media studies in the Department of Communication Studies the Program in African American Studies and the Program in International Studies at the University of Iowa In the Critical Cultural Communication series *Contemporary Authors: 1945 to the Present* Britannica Educational Publishing, 2013-06-01 Contemporary literature encompasses so many genres literary forms and themes that it would seem almost impossible to identify a unifying thread between them Yet in the tradition established by literary heavyweights who came before modern writers of all stripes and backgrounds have continued to entertain and to confront the social cultural and psychological realities of the times including everything from racial identity to war to technology with their own flair and insight The diversity of authors profiled herein from Toni Morrison to Sylvia Plath to Stephen King to David Foster Wallace attests to the scope and complexity of modern society The Untold Stories of Excellence Charles E. Shaw, 2011-07-14 I am not a historian I am simply an American citizen who grew up in Brooklyn New York after my birth in the state of Virginia My family African Americans from the south decided to leave a life of farming and despair to move to New York to start anew with nine children three girls six boys and mother and father who firmly believed that they could make a better life for all their family members As the exception to the rule I finished high school along with my brothers and sisters and went on to college where I earned degrees in business and in law This enabled me to become an officer and manager in the banking industry where I served over twenty eight years In addition I served a number of years as a businessman served in state government and served in the regular Army of the U S I have written other books on business and banking that were published by and for the banking community as training and management material I am currently working on a series of business books which will be introduced to members of the business community as a source of training for new small business owners and entrepreneurs
