Scimitar into Stanley Roger Field, 2022-05-05 A British staff officer and armored vehicle commander vividly recounts his experience on the frontlines of the Falklands War In May 1982 Captain Roger Field of the Blues and Royals attached to HQ Fifth Infantry Brigade sailed on the Queen Elizabeth 2 as part of the second wave to liberate the Falkland Islands His journey took him to Fitzroy in time to witness the Argentineans bomb the landing ships Sir Galahad and Sir Tristram Later a chance meeting led to him joining the Commanding Officer of 2 Para for the Battle of Wireless Ridge When the Paras lost a Scimitar commander Roger took command of the armored vehicle and fought the rest of the battle from the turret The next day his Scimitar was the tip of the spear as 2 Para and The Blues and Royals led the victorious charge into Port Stanley

Weapons and Armor Rupert Matthews, 2014-12-15 Weapons and armor have been used to hunt and wage war since the first humans walked the planet The earliest spears date back 400 000 years As civilizations and technologies advanced so did weapons and armor Through this unique lens readers delve into some exciting periods of history in many different cultures Egyptian shields Greek helmets Roman gladiatorial garb and more are examined in this wide ranging book In addition Chinese armor African clubs Middle Eastern weaponry and Samurai swords are discussed as well as modern arms The high interest text and colorful images are a perfect complement to any social studies and history collection

Scorpion and Scimitar David Grummitt, 2022-05-05 The British Scorpion and Scimitar are among the most successful armored reconnaissance vehicles ever built and almost fifty years after the initial design was introduced updated versions are still in service today These compact maneuverable and fast moving light tanks played a

significant peace keeping role in conflict zones around the world and went into action during wars in the Falklands the Gulf and Iraq They are also a popular subject with tank modelers and enthusiasts which is why David Grummitt s expert history and guide is such a valuable source of reference As well as describing in detail their technical development and operational history he gives a full account of the wide range of modeling kits and accessories available in all the popular scales Included is a modeling gallery which features six builds covering a range of Scorpions and Scimitars serving with different nations and a section of large scale color profiles which provide both information and inspiration for modelers and military enthusiasts alike

Sword and Scimitar Raymond Ibrahim,2018-08-28 A sweeping history of the often violent conflict between Islam and the West shedding a revealing light on current hostilities The West and Islam the sword and scimitar have clashed since the mid seventh century when according to Muslim tradition the Roman emperor rejected Prophet Muhammad s order to abandon Christianity and convert to Islam unleashing a centuries long jihad on Christendom Sword and Scimitar chronicles the decisive battles that arose from this ages old Islamic jihad beginning with the first major Islamic attack on Christian land in 636 through the Muslim occupation of nearly three quarters of Christendom which prompted the Crusades followed by renewed Muslim conquests by Turks and Tatars to the European colonization of the Muslim world in the 1800s when Islam largely went on the retreat until its reemergence in recent times Using original sources in Arabic and Greek preeminent historian Raymond Ibrahim describes each battle in vivid detail and explains how these wars and the larger historical currents of the age reflect the cultural fault lines between Islam and the West The majority of these landmark battles including the battles of Yarmuk Tours Manzikert the sieges at Constantinople and Vienna and the crusades in Syria and Spain are now forgotten or considered inconsequential Yet today as the West faces a resurgence of this enduring Islamic jihad Sword and Scimitar provides the needed historical context to understand the current relationship between the West and the Islamic world and why the Islamic State is merely the latest chapter of an old history **Military Review** ,1980

A Topical Guide to the Koran & Sharia Law Robert Maddock,2020-03-17 This book is based on the 1734 translation of the Koran by George Sale This translation is in King James English making comparisons between it and the King James Bible easily This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears These verses are placed together so that the reader can readily determine the context and therefore the meaning of the word or phrase In some instances such as the word jihad which does not appear in the Sale translation it is traced in the University of Michigan s online translation of the Koran There it appears thirteen times but in only two does it mean an internal struggle In the other eleven it means warfare When analyzing words and phrases in the Koran it is important to know when they were received and written It is also important to know that the Koran includes

material that seems to come from other sources This has been outlined in volume 2 of the 1 300 Years War As noted in volume 1 of the 1 300 Years War Muhammad PBUH has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations These seizures last less than three minutes It is therefore important to know which suras might have come from a single episode A table shows this in volume 1 table 8 Many scholars divide the Koran into four major periods early Mecca AD 610 615 mid Mecca AD 616 late Mecca AD 617 621 and Medina AD 622 632 The analysis of the verses in these periods found that militancy against non Muslims progresses 7 7 percent of the verses from early Mecca are militant This rises to 10 6 percent in the mid Mecca period and 18 3 percent in the late Mecca period It tops out at 29 3 percent in the Medina period The colored version of the topical guide shows these periods in black blue green and red In the black and white edition it shows these four periods of the Koran in plain italics boldface italics regular plain type and boldface regular type The reason this division is important is the doctrine of abrogation 2 106 given early in the Medina period This states that verses given later may nullify verses given earlier Thus many peaceful verses given in the early parts of the Koran may be nullified by the verse of the sword 9 5 given later toward the end of the prophet s life Slay the idolaters wherever you find them So far as I have been able to determine there has been no stylistic analysis of the Koran A person studying the Koran or the history of Islam will find this work most valuable

 Франсуа-Мари Аруэ Вольтер,2021-12-02 Scimitar Peter Niesewand,1985-11-05 Education and the Politics of
Memory in Russia and Eastern Europe Sergey Rumyantsev,2025-01-21 This book examines both formal and extracurricular education and the politics of memory and historical narratives in Armenia Azerbaijan Russia and Ukraine The misalignment between memory politics and history politics forms a central theme of this book Structured in three parts it focuses on school education in the post Soviet states over the 30 years between the collapse of the Soviet Union and the 2022 Russian invasion of Ukraine The chapters inquire as to how post Soviet school education politics of memory and history politics became active participants in the production of state approved ideology patriotism and a state prescribed understanding of the national past Armed conflicts in the territory of the former USSR not only saw numerous victims and refugees but also the emergence of new borders and unrecognized de facto states and the annexation of territories They also contributed to the creation of new sites of memory generated their own traditions of commemoration for the heroes and victims of these confrontations and led to the reconstruction of historical narratives and the construction of new national myths The research in this book foregrounds how the nationalization of the public space and the reconstruction of national historical narratives in the independent states reflect a desire to monopolize the power to interpret the past with low tolerance of alternative accounts

In this light the book covers issues such as the nation state Sovietization national history creation memory politics religion mass media nationalism and patriotism and analyzes the relationship of Azerbaijani and Armenian Russian and Ukrainian societies with their histories and pasts A novel study on the topic of memory and history writing this is a timely contribution to the field of Post Soviet history and Russian and Eastern European Studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
