Risky Business William D. Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship Prior to Saturday Night Fever rock music had a limited role in the motion picture business That movie's success and the success of its soundtrack began to change the silver screen In 1983 with Flashdance the situation drastically evolved and by 1984 ten soundtracks many in the pop rock genre were certified platinum Choosing which rock scores to discuss in this book was a challenging task The authors made selections from seminal films such as The Graduate Easy Rider American Graffiti Saturday Night Fever Help and Dirty Dancing However many productions of the period are significant not because of their success but because of their box office and record store failures Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century This book is essential for those interested in communications popular culture and social change

Desire After Dark Andrew J. Owens, 2021-03-02 Since the 1960s the occult in film and television has responded to and reflected society's crises surrounding gender and sexuality In *Desire After Dark* Andrew J. Owens explores media where figures such as vampires and witches make use of their supernatural knowledge in order to queer what otherwise appears to be a normative world Beginning with the global sexual revolutions of the 60s and moving decade by decade through Euro sleaze cinema and theatrical hardcore pornography the HIV AIDS crisis the popularity of New Age religions and witchcraft and finally the increasingly explicit sexualization of American cable television Owens contends that occult media has risen to prominence during the past 60 years as a way of exposing and working through cultural crises about queerness Through the use of historiography and textual analyses of media from Bewitched to The Hunger Owens reveals that the various players in occult media have always been well aware that non-normative sexuality constitutes the heart of horror's enduring appeal By investigating vampirism witchcraft and other manifestations of the supernatural in media *Desire After Dark* confirms how the queer has been integral to the evolution of the horror genre and its persistent popularity as both a subcultural and mainstream media form

Underground U.S.A. Xavier Mendik, Steven Jay Schneider, 2003-03-26 Whether defined by the carnivalesque excesses of Troma studios The Toxic Avenger the arthouse erotica of Radley Metzger and Doris Wishman or the narrative experimentations of Abel Ferrara Melvin Van Peebles Jack Smith or Harmony Korine underground cinema has achieved an important position within American film culture Often defined as cult and exploitation or alternative and independent the American underground retains separate strategies of production and exhibition from the cinematic mainstream while its sexual and cinematic representations differ from the

traditionally conservative structures of the Hollywood system Underground U S A offers a fascinating overview of this area of maverick moviemaking by considering the links between the experimental and exploitative traditions of the American underground *Working Like a Homosexual* Matthew Tinkcom,2002-03-18 Rather than seeing camp as a mode of reception a way of reading straight popular culture Tinkcom sees it as an intentional product of gay men within the film industry

Adaptation and the Avant-Garde William Verrone,2011-09-29 Providing a fresh angle on adaptation studies this study looks at how avant garde directors and filmmakers have treated literary works in distinct ways Pluto in Aquarius Jwanna Savoie-Powell,2024-12-05 Embark on an Astrological Adventure Like No Other Prepare to delve into the cosmos with a riveting exploration that spans two decades This compelling book invites you on an extraordinary journey through the celestial dance of Pluto in Aquarius With every page discover the profound influence of this enigmatic planet as it moves through a revolutionary astrological era Pluto in Aquarius A 20 Year Journey offers more than just a glimpse into astrological phenomena it s a guide to understanding the dynamic energies that shape our world and ourselves Immerse yourself in the intricate tapestry of history where past transits illuminate future possibilities From the allure of Aquarius progressive spirit to Pluto s transformative force uncover how these cosmic elements redefine the zodiac as we know it Each chapter provides an enlightening look at Pluto s impact on rising signs across the zodiac Whether you re an Aries embracing new ventures or a Pisces seeking profound insights you ll find rich layers of interpretation that resonate deeply This book navigates opportunities and challenges tailored to your rising sign offering guidance on harnessing cosmic energies for personal growth and enlightenment Boldly traverse the astrological houses to decode the nuanced influence of Pluto s passage Experience themes that are not only transformative but also intensely personal urging you to reflect evolve and transcend This remarkable odyssey culminates with a vision of the potential outcomes during Pluto s Aquarian reign It s an invitation to broaden your horizons and embrace the inevitable changes with wisdom and open arms Are you ready to witness the stars align for an era of unprecedented transformation Rulers of the Horoscope Alan Oken,2008-04-01 A practical and thorough treatment on the meanings of all aspects of planetary and house rulerships Rulers of the Horoscope Finding Your Way Through the Labyrinth is the definitive sourcebook on this topic Alan Oken masterfully guides you through the labyrinth of delineating and synthesizing the complex interchange between rulers of houses and their signs and the nature of the houses they occupy and rule He defines and describes derivative houses planetary and house rulerships dispositorships mutual reception and the compatibility and nature of importance of their placement in the horoscope The astrological charts of well known people are illustrated with detailed descriptions of planetary relationships their positive and negative aspects and the traditional and modern interpretation of the houses Alan Oken s in depth exploration of the ruler for each of the twelve houses and the rulers of the rising sign is an invaluable tool for astrology students and teachers alike **The Media Swirl** Carol Vernallis,2023-02-20 From fan generated content on TikTok to music videos the contemporary media landscape

is becoming ever more vast spectacular and intense In *The Media Swirl* Carol Vernallis examines short form audiovisual media Beyonc's *Lemonade* brief sequences from Baz Luhrmann's *The Great Gatsby* TikTok challenges YouTube mashups commercials and many other examples to offer ways of understanding digital media She analyzes music videos by Beyonc Lady Gaga Janelle Mon'ae Kendrick Lamar Anderson Paak and others to outline how sound and image enhance each other and shape a viewer's mood Responding to today's political media landscape through discussions of Fox News and Presidential inaugurations Vernallis shows how a media literacy that exceeds newscasts and campaign advertising is central to engaging with the democratic commons Forays into industry studies neuroscience and ethics also inform her readings By creating our own content and knowing what corporations the wealthy and the government do through media Vernallis contends we can create a more just world

Gutter Auteur Rob Craig, 2012-12-01 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the 1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan's gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan's films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction

Dressed in Black Lisa MacKinney, 2025-03-18 The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like *Leader of the Pack* and *Remember Walking in the Sand* Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly *Dressed in Black* radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney's great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group's underappreciated artistic achievement This is not to deny the critical role in the group's success of professional songwriters including Ellie Greenwich and Jeff Barry and

writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music

The Rhetoric of Cool Jeff Rice, 2007-05-11 The Rhetoric of Cool Composition Studies and New Media offers a historical critique of composition studies rebirth narrative using that critique to propose a new rhetoric for new media work Author Jeff Rice returns to critical moments during the rebirth of composition studies when the discipline chose not to emphasize technology cultural studies and visual writing which are now fundamental to composition studies Rice redefines these moments in order to invent a new electronic practice The Rhetoric of Cool addresses the disciplinary claim that composition studies underwent a rebirth in 1963 At that time three writers reviewed technology cultural studies and visual writing outside composition studies and independently used the word cool to describe each position Starting from these three positions Rice focuses on chora appropriation commutation juxtaposition nonlinearity and imagery rhetorical gestures conducive to new media work to construct the rhetoric of cool An innovative work that approaches computers and writing issues from historical critical theoretical and practical perspectives The Rhetoric of Cool challenges current understandings of writing and new media and proposes a rhetorical rather than an instrumental response for teaching writing in new media contexts

Scorpion Rising Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scorpion Rising has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scorpion Rising has opened up a world of possibilities. Downloading Scorpion Rising provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scorpion Rising has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scorpion Rising. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scorpion Rising. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scorpion Rising, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scorpion Rising has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
