Scotia ,1998 **North American Gaels** Natasha Sumner,Aidan Doyle,2020-11-18 A mere 150 years ago Scottish Gaelic was the third most widely spoken language in Canada and Irish was spoken by hundreds of thousands of people in the United States A new awareness of the large North American Gaelic diaspora long overlooked by historians folklorists and literary scholars has emerged in recent decades North American Gaels representing the first tandem exploration of these related migrant ethnic groups examines the myriad ways Gaelic speaking immigrants from marginalized societies have negotiated cultural spaces for themselves in their new homeland In the macaronic verses of a Newfoundland fisherman the pointed addresses of an Ontario essayist the compositions of a Montana miner and lively exchanges in newspapers from Cape Breton to Boston to New York these groups proclaim their presence in vibrant traditional modes fluently adapted to suit North American climes Through careful investigations of this diasporic Gaelic narrative and its context from the mid eighteenth century to the twenty first the book treats such overarching themes as the sociolinguistics of minority languages connection with one s former home and the tension between the desire for modernity and the enduring influence of tradition Staking a claim for Gaelic studies on this continent North American Gaels shines new light on the ways Irish and Scottish Gaels have left an enduring mark through speech story and song 7th International Conference on Gender Research Professor

Carmen-Pilar Martí Ballester ,2024-04-25 These proceedings represent the work of contributors to the 7th International Conference on Gender Research ICGR 2024 hosted by The Universitat Autònoma de Barcelona Spain on 25 26 April 2024 The Conference Chair was Professor Carmen Pilar Martí Ballester from the Universitat Autònoma de Barcelona Spain ICGR is a well established event on the academic research calendar and now in its 7th year the key aim of this diverse conference is to provide an opportunity for participants from different backgrounds and cultures to share ideas and meet the people who hold them The scope of papers ensured an interesting two days The subjects covered in these proceedings illustrate the wide range of topics that fall into this important and ever growing area of research **Alasdair Gray** Stephen Bernstein,1999-10

Since the publication of *Lanark* in 1981 Alasdair Gray has been a figure of importance in contemporary literature Now through attention to mixed genre counter historical narrative and the thematics of memory this first study of Alasdair Gray s novels shows the coherence of the Scottish writer s varied body of work Stephen Bernstein refuses to view Gray s work through the vague lens of postmodernism seeing Gray instead as a writer at home in a variety of literary traditions Beginning by providing an American audience with backgrounds to Gray s work this study recounts the chronology of his publications and their reception by an international audience simultaneously placing his writing in the contexts of Scottish culture and literature BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Interdisciplinary Perspectives on COVID-19 and the Caribbean, Volume 2 Sherma Roberts, Halimah A. F. DeShong, Wendy C. Grenade, Dwayne Devonish, 2023-09-06 Caribbean countries have had to navigate multiple crises which

have tested their collective resolve through time In this regard the region's landscape has been shaped by an interplay of vulnerability and resilience which has brought to the fore possibilities and contradictions It is within this context that the effects of the COVID 19 pandemic must be considered Interdisciplinary Perspectives on COVID 19 and the Caribbean Volume 2 Society Education and Human Behaviour provides a comprehensive multi and interdisciplinary assessment of the impact of the COVID 19 pandemic using the Caribbean as the site of enquiry The edited collection mobilises critical perspectives brought to bear on research produced within and beyond the boundaries and boundedness of conventional academic disciplinary divides in response to the multi dimensional crises of our time This volume is divided into four 4 parts consisting of twenty three 23 chapters and weaves together four broad thematic strands COVID 19 and Caribbean Society COVID 19 Religion and Rights Psycho social Impacts of COVID 19 and Education Innovation and Technology Authors working within and across the human social physical and life sciences consider the myriad effects of the health crisis in the region interrogating these experiences from the granular to macro level utilising inter and multidisciplinary lenses Collectively the chapters which constitute Volume II expose the fault lines in Caribbean societies which are deeply rooted in the region's history and delineate the precise ways in which the pandemic has transformed lives and livelihoods in the region The culmination of this collection offers a reimagining of our Caribbean contemporary futures in the hope of finding home grown solutions avenues and possibilities

The Seventh Continent Deborah Shapley, 2013-11-26 First Published in 2011 Part of the resources for the future library collection on Global Environment and Development this is the final Volume of seven This book presents a broad ranging study of Antarctica's history politics and development prospects with a command of issues in

geography science policy technology and international law which is addressed with authority and flair At this time nations of the world are struggling to fashion a legal framework to govern Antarctic resources which some regard as the common heritage of mankind This debate described vividly here represents an ongoing application of the common property resource concept which has played a prominent role in RFF s research and analytical contributions during the past quarter century Furthermore the continent s energy and minerals endowment if exploitable at all and in the author s judgment the prospects for this are dim constitute at best resources for the future

Before Central Park Sara Cedar Miller,2022-06-28 Winner 2023 John Brinkerhoff Jackson Book Prize UVA Center for Cultural Landscapes With more than eight hundred sprawling green acres in the middle of one of the world s densest cities Central Park is an urban masterpiece Designed in the middle of the nineteenth century by the landscape architects Frederick Law Olmsted and Calvert Vaux it is a model for city parks worldwide But before it became Central Park the land was the site of farms businesses churches wars and burial grounds and home to many different kinds of New Yorkers This book is the authoritative account of the place that would become Central Park From the first Dutch family to settle on the land through the political crusade to create America s first major urban park Sara Cedar Miller chronicles two and a half centuries of history She tells the stories of Indigenous hunters enslaved people and enslavers American patriots and British loyalists the Black landowners of Seneca Village Irish pig farmers tavern owners Catholic sisters Jewish protesters and more Miller unveils a British fortification and camp during the Revolutionary War a suburban retreat from the yellow fever epidemics at the turn of the nineteenth century and the properties that a group of free Black Americans used to secure their right to vote Tales of political chicanery real estate speculation cons and scams stand alongside democratic idealism the striving of immigrants and powerfully human lives Before Central Park shows how much of the history of early America is still etched upon the landscapes of Central Park today

Scottish Fairy Belief Lizanne Henderson,2007-02-27 The authorities told folk what they ought to believe but what did they really believe Throughout Scottish history people have believed in fairies They were a part of everyday life as real as the sunrise and as incontrovertible as the existence of God While fairy belief was only a fragment of a much larger complex the implications of studying this belief tradition are potentially vast revealing some understanding of the worldview of the people of past centuries This book the first modern study of the subject examines the history and nature of fairy belief the major themes and motifs the demonising attack upon the tradition and the attempted reinstatement of the reality of fairies at the end of the seventeenth century as well as their place in ballads and in Scottish literature

Exclusionary Empire Jack P. Greene,2009-10-12 Consisting of an introduction and ten chapters Exclusionary Empire examines the transfer of English traditions of liberty and the rule of law overseas from 1600 to 1900 Each chapter is written by a noted specialist and focuses on a particular area of the settler empire Colonial North America the West Indies Ireland the early United States Canada Australia New Zealand and South Africa and on one non settler colony India The book examines the ways in which the

polities in each of these areas incorporated these traditions paying particular attention to the extent to which these traditions were confined to the independent white male segments of society and denied to most others This collection will be invaluable to all those interested in the history of colonialism European expansion the development of empire the role of cultural inheritance in those histories and the confinement of access to that inheritance to people of European descent **Antarctic**
