Fishing for Heritage Jane Nadel-Klein, 2020-05-26 Castles lochs seascapes Coastal Scotland is one of the world's most romanticized tourist destinations yet it is in the midst of severe economic decline The North Atlantic fisheries crisis has hit Scottish communities hard and local fisherfolk are faced with chronic insecurity anxiety over the decline of fishing and doubts about their cultural survival The decline of this traditional industry has been accompanied by growing tourism along Scottish shores Fishing villages are marketed for tourist consumption and culture has become a commodity Drawing upon fieldwork novels folk music and travel literature Nadel Klein explores how these influences have affected locals sense of identity and presence within a modern European nation How is identity linked to power What role do memory and authenticity play in the creation of Scottish heritage How do locals feel about the onslaught of tourists The topical nature of these issues and their relevance to other regions facing similar tensions make this book an important contribution to contemporary anthropology **Lexical Variation and Attrition in the Scottish Fishing Communities** Robert McColl

Millar,2014-06-04 This book considers various theoretical and methodological issues in relation to a representative sample of fishing communities along Scotland's east coast Can the lexical variation and change found in these communities be perceived as primary evidence

Law Making and the Scottish Parliament Elaine E Sutherland,2014-05-27 A study of legislative developments in areas of law and policy devolved to the Scottish Parliament

Culture, Nation, and the New Scottish Parliament Caroline McCracken-Flesher,2007 Culture Nation and the New Scottish Parliament asserts that while Scotland's new Parliament 1999 is a creation of laws politics and economics some of the forces underpinning it are cultural therefore constantly alive and insistently creative Scotland may not be confined by but has always lived within and moved forward and outward through its signs and stories In the moment of the new Parliament it is time to cast up Scotland's accounts of past and present and to review the nation's futures Readers will find the usual signs of Scotland foregrounded questioned and re-energized as contributors trace the dynamic toward a Scottish Parliament And they will find new signs whether sounds sights or souvenirs come into play revealing today's performance of a dynamic Scotland Caroline McCracken Flesher teaches the novel the British eighteenth and nineteenth centuries Scottish literature and literary theory at the University of Wyoming

Managing Britain's Marine and Coastal Environment Jonathan Potts,Hance D. Smith,2013-02-01 Britain's maritime tradition is well documented The management of its marine and coastal environment is therefore of tantamount importance and offers lessons for other nations across the world The beginning of the new millennium marks a major long term turning point in the historical development of Britain's maritime interest discernible by continued diversification and intensification in the uses of the sea unprecedented and often adverse environmental impacts engendered by these uses and the beginning of a major effort to establish a comprehensive management system which can deal with both multiple uses and environmental impacts This collection featuring an impressive list of contributors covers themes including maritime history environmental issues public policy tourism technology and resources as well as open sea development and management It is a useful addition for those interested in geography the environment maritime studies and also engineering

Devolution, Law Making and the Constitution Robert Hazell,Richard Rawlings,2015-12-01 Law making is a primary function of government and how well the three devolved UK legislatures exercise this function will be a crucial test of the whole devolution project This book provides the first systematic study and authoritative data to start that assessment It represents the fruits of a four year collaboration between top constitutional lawyers from Scotland Wales and Northern Ireland and leading researchers in UCL's Constitution Unit The book opens with detailed studies of law making in the period 1999-2004 in the Scottish Parliament and the Assemblies in Wales and Northern Ireland and how they interact with Westminster Later contributions look at aspects of legislative partnership in the light of the UK's strongly asymmetric

devolutionary development and also explain the unexpected impact of devolution on the courts Individual chapters focus on various constitutional aspects of law making examining the interplay of continuity and change in political legal and administrative practice and the competing pressures for convergence and divergence between the different parliaments and assemblies This book is essential reading for academics and students in law and in politics and for anyone interested in the constitutional and legal aspects of UK devolution not least the practitioners and policymakers in London Edinburgh Cardiff and Belfast

Catriona M.M. MacDonald,2009-10-30 On the cusp of memory and history the story of Scotland s twentieth century is contested territory international yet parochial prosperous yet ailing and passionate yet temperate This thematic account of Scotland s twentieth century examines the economic social political and cultural aspects that shaped the country during the period Catriona MacDonald underlines the tensions inherent in the life of a nation distinguished by stark changes and surprising continuities a fragmented identity a shifting and at times uneasy accommodation in the UK nation state and an ongoing engagement with globalising tendencies In identifying the choices ambitions possibilities and contradictions that Scotland experienced during a century of profound change she uncovers a country in which one can truly say extremes met

Scotland's Road to Independence Alan W. Ertl,2013-11 This book surveys elements that have influenced the Scottish people over time and led to the formation of a distinct sui generis identity The modern state is an amalgam of people who inhabit a specific given territory people whose thinking has been formed by circumstances and events which over time forge a collective identity and establish self expression and determination Environmental happenstances the genetic and intellectual makeup of the people the overcoming of common challenges and the interpretation of historical events all play a role in the development of this collective thinking forming the modern mental structure of a given population In the case of the Scots these elements have created an endemic view of the world that is unique and recognizable This text identifies these influences and traces their development through time as they formed the self felt identity of the modern nation which has inherited the territory of Scotland Reviewed herein are some of the main factors which have provoked a natural and correct desire for an independent state in Europe a Scotland for the Scots *INFOFISH International* ,2003 **Statutory**

Instruments Great Britain,1992 **Singing the Gospel along Scotland's North-East Coast, 1859-2009** Frances Wilkins,2018-01-17 Following three years of ethnomusicological fieldwork on the sacred singing traditions of evangelical Christians in North East Scotland and Northern Isles coastal communities Frances Wilkins documents and analyses current singing practices in this book by placing them historically and contemporaneously within their respective faith communities In ascertaining who the singers were and why when where how and what they chose to sing the study explores a number of related questions How has sacred singing contributed to the establishment and reinforcement of individual and group

identities both in the church and wider community What is the process by which specific regional repertoires and styles develop Which organisations and venues have been particularly conducive to the development of sacred singing in the community How does the subject matter of songs relate to the immediate environment of coastal inhabitants How and why has gospel singing in coastal communities changed These questions are answered with comprehensive reference to interview material fieldnotes videography and audio field recordings As one of the first pieces of ethnomusicological research into sacred music performance in Scotland this ethnography draws important parallels between practices in the North East and elsewhere in the British Isles and across the globe **SCOLAG** ,2004 *Norway Fishing and Aquaculture Industry Handbook - Strategic Information, Regulations, Opportunities* IBP, Inc.,2017-12-09 Norway Fishing and Aquaculture Industry Handbook Strategic Information Regulations Opportunities *The Estuarine Ecosystem* Donald S. McLusky,Michael Elliott,2004-04-29 For the inhabitants of many of the world s major towns and cities estuaries provide their first and nearest glimpse of a natural habitat Despite the attempts of man to pollute or reclaim it the estuarine ecosystem continues to provide a fascinating insight into a natural world where energy is transformed from sunlight into plant material and then through the steps of a food chain is converted into a rich food supply for birds and fish The book provides a concise readable introduction to estuarine ecology First published in 1981 it soon established itself as the principle textbook of choice in the UK NW Europe This new edition builds upon the strengths of the earlier editions but has been thoroughly revised throughout The new co author brings a human impact dimension to the revised book It is written for advanced undergraduate and graduate students particularly taught masters who have had a general ecology course but no further training in estuarine science It will be useful to both professional researchers and practical managers in marine ecology and environmental science who seek a compact but comprehensive introduction to estuarine ecology
