

Scotlands Last Royal Wedding

David Stevenson

Scotlands Last Royal Wedding:

Scotland's Last Royal Wedding David Stevenson, 1997 David Stevenson provides the first account in English of the marriage of James VI and Anne of Denmark together with an English translation of a contemporary Danish account

Sixteenth-Century Scotland, 2008-09-30 This collection of essays demonstrates the vitality of the political cultural and religious history of Scotland in the era of the Renaissance and Reformation It includes essays on politics religion and towns and on the literature and culture of the royal court and the common people The essays all illuminate the long sixteenth century c 1500 1650 which has been established as a distinct period Contributors include Sharon Adams Steve Boardman Jane E A Dawson E Patricia Dennison Helen Dingwall David Ditchburn Julian Goodare Ruth Grant Theo van Heijnsbergen Amy L Juhala Roderick J Lyall Alasdair A MacDonald Alan R MacDonald Maureen M Meikle Jamie Reid Baxter Laura A M Stewart Andrea Thomas Jenny Wormald and Michael J Yellowlees Publications by Michael Lynch Edited by A A MacDonald Michael Lynch and Ian B Cowan *The Renaissance in Scotland* ISBN 978 90 04 10097 8 *An Unofficial Alliance, Scotland and Sweden 1569-1654* Alexia Grosjean, 2003-08-01 This work reveals the hitherto unrepresented relationship that developed between Scotland and Sweden during the second half of the sixteenth and first half of the seventeenth centuries Sweden s emergence as an independent Nordic and indeed European power required continual military and economic growth which in turn necessitated a constant supply of manpower The initially piecemeal migration of private individuals from Scotland bringing both martial and mercantile skills to Sweden gradually grew into an informal alliance albeit officially sanctioned by the Swedes based on personal networks Equally the impact of Sweden s support for the Scottish Covenanting movement on British state formation is scrutinized This fresh perspective on Scottish Swedish connections is aimed at those interested in state formation migration studies diplomatic developments and military history

Naming Thy Name Elaine Scarry, 2016-11-29 A fascinating case for the identity of Shakespeare s beautiful young man SHAKESPEARE S SONNETS ARE indisputably the most enigmatic and enduring love poems written in English They also may be the most often argued over sequence of love poems in any language But what is it that continues to elude us While it is in part the spellbinding incantations the hide and seek of sound and meaning it is also the mystery of the noble youth to whom Shakespeare makes a promise the promise that the youth will survive in the breath and speech and minds of all those who read these sonnets How can such promises be fulfilled if no name is actually given Elaine Scarry asks This book is the answer *Naming Thy Name* lays bare William Shakespeare s devotion to a beloved whom he not only names but names repeatedly in the microtexture of the sonnets in their architecture and in their deep fabric immortalizing a love affair By naming his name Scarry enables us to hear clearly for the very first time a lover s call and the beloved s response Here over the course of many poems are two poets in conversation in love speaking and listening writing and writing back In a true work of alchemy Scarry one of America s most innovative and passionate thinkers brilliantly synthesizes textual analysis literary criticism and

historiography in pursuit of the haunting call and recall of Shakespeare's verse and that of his now at last named beloved friend

Scottish Customs Margaret Bennett, 2012-12-10 A highly readable and absorbing anthology of traditional Scottish customs and rites of passage Scottish Customs from the Cradle to the Grave draws upon a broad range of literary and oral sources Scotland has been fortunate to have written accounts of intrepid early travellers such as Martin Martin Edward Burt and John Lane Buchanan and extracts from their writing are found alongside modern interviews made by Margaret Bennett and researchers from the School of Scottish Studies at Edinburgh University This expanded edition includes a large amount of new material The result is a detailed and comprehensive picture of social behaviour in Scotland over the last 400 years The book is divided into three sections each covering a stage in the cycle of life Childbirth and infancy Love courtship and marriage Death The first edition was originally published by Polygon and was joint runner up of the 1993 Katharine Briggs Folklore Award

Diplomatic Intelligence on the Holy Roman Empire and Denmark during the Reigns of Elizabeth I and James VI Robert Beale, Daniel Rogers, Sir John Skene, 2016-07-21 Three accounts on the Holy Roman Empire and Denmark written by English and Scottish diplomats during the sixteenth century

A Palace in the Wild L. A. J. R. Houwen, Alasdair A. MacDonald, Sally Mapstone, 2000 The essays in this collection share an overall purpose they aim to shed new light on Scottish culture during the century and a half 1475-1625 which saw the full emergence of Scotland as a player on the European political and cultural stages Throughout the book awareness of the larger European background is considered an essential element in the proper appraisal of the productions of Scottish culture Topics discussed include the Scottish reception of and participation in general humanist learning the impact of Burgundian patterns of late medieval piety international diplomacy courtly culture under Kings James III IV V and VI and Mary Stuart poetry and politics law libraries and historiography The contributions in this volume offer innovative contextualisations and interpretations of many canonical works of Scottish culture at the same time they also seek to expand that canon by examining several less familiar artistic productions All those interested in the cultural changes inherent in the transition from the late medieval to the early modern periods and in the Northern manifestations of the European Renaissance will find much of interest in this book In the words of R L Stevenson the cultural achievement of Scotland during this period may be described as constituting a metaphoric palace in the wild

Princelie Majestie Andrea Thomas, 2005-08-10 The lifestyle of a Renaissance prince and his court was a work of art in itself a dazzling spectacle which propagated the power dignity and fame of the monarch The domestic routine of the royal household with its palatial surroundings restless itinerary and occasional public pageants provided the framework for cultural activity in its widest possible sense Fine art architecture scholarship literature music and piety jostled for attention alongside hunting feasting jousting politics diplomacy and war Emerging defiantly from a long and turbulent minority the adult James V managed to create for Scotland an exuberant and cosmopolitan court which imitated in miniature those of France England and the Netherlands and which carried important political messages His ambitious programme of

royal patronage combined humanist scholarship neo classical and imperial imagery the cult of chivalry and medieval traditions in a blend which sought to galvanise Scottish national identity and enhance the status of the House of Stewart For many years the reputation of James V has been overshadowed by the tragic glamour of his father James IV killed at Flodden and his daughter Mary Queen of Scots Princesse Majestie reveals that he was an energetic and innovative patron who in a brief fourteen years created a court culture of remarkable quality and diversity Princesse Majestie was originally published by Tuckwell Press

Heritage and Identity J.M. Fladmark, Thor Heyerdahl, 2015-11-17 Was the shaping of nation states in Northern Europe governed by military might or by Christian and democratic ideals How has trade and cross cultural exchange between Scandinavia and the British Isles shaped our historic identities and what about the impact of global politics and marketing in recent times These are some of the questions explored by the contributors in the context of forces that shape national identities today Their analysis highlights the need for historical awareness when developing future cultural policy brand profiles and marketing strategies Looking back Jesse Byock tells how democracy was first embraced in the north by the early settlers of Iceland Bjorn Myhre delves into the unpredictability of historical interpretation Edward Cowan discusses the role of battles and beddings in relations across the North Sea John Purkis writes about William Morris fascination with Nordic culture Stephen Harrison presents the winning ways of product development and marketing by Manx National Heritage whilst Chris Powell looks at Cool Britannia today and Simon Anholt at national branding strategies This is an inspirational book that sheds new light on old subjects equally relevant for both public and private sector policy makers alike

Ceremonial Entries in Early Modern Europe J.R. Mulryne, Maria Ines Aliverti, Anna Maria Testaverde, 2016-03-03 The fourteen essays that comprise this volume concentrate on festival iconography the visual and written languages including ephemeral and permanent structures costume dramatic performance inscriptions and published festival books that voiced the social political and cultural messages incorporated in processional entries in the countries of early modern Europe The volume also includes a transcript of the newly discovered Register of Lionardo di Zanobi Bartholini a Florentine merchant which sets out in detail the expenses for each worker for the possesso or Entry of Pope Leo X to Rome in April 1513

Restoring the Temple of Vision Marsha Keith Schuchard, 2002-04-07 This book uncovers the early Jewish Scottish and Stuart sources of ancient Cabalistic Freemasonry that flourished in cossais lodges in the eighteenth and nineteenth centuries Drawing on architectural technological political and religious documents it provides real world historical grounding for the flights of visionary Temple building described in the rituals and symbolism of high degree Masonry The roots of mystical male bonding accomplished through progressive initiation are found in Stuart notions of intellectual and spiritual amicitia Despite the expulsion of the Stuart dynasty in 1688 and the establishment of a rival modern system of Hanoverian Whig Masonry in 1717 the influence of ancient Scottish Stuart Masonry on Solomonic architecture Hermetic masques and Rosicrucian science was preserved in lodges maintained by Jacobite partisans and exiles in Britain Europe and the New

World Anna of Denmark, Queen of England John Leeds Barroll, 2001 But Leeds Barroll makes a well documented case that it was Anna who for her own purposes developed an alternative court and sponsored many of the artistic ventures in one of the most productive and innovative periods of English cultural history BOOK JACKET *Devil-Land* Clare Jackson, 2021-09-30 WINNER OF THE WOLFSON HISTORY PRIZE 2022 A BOOK OF THE YEAR 2021 AS CHOSEN BY THE TIMES NEW STATESMAN TELEGRAPH AND TIMES LITERARY SUPPLEMENT A big historical advance Ours it turns out is a very un insular Island Story And its 17th century chapter will never look quite the same again John Adamson Sunday Times A ground breaking portrait of the most turbulent century in English history Among foreign observers seventeenth century England was known as Devil Land a diabolical country of fallen angels torn apart by seditious rebellion religious extremism and royal collapse Clare Jackson's dazzling original account of English history's most turbulent and radical era tells the story of a nation in a state of near continual crisis As an unmarried heretic with no heir Elizabeth I was regarded with horror by Catholic Europe while her Stuart successors James I and Charles I were seen as impecunious and incompetent The traumatic civil wars regicide and a republican Commonwealth were followed by the floundering foreign leaning rule of Charles II and his brother James II before William of Orange invaded England with a Dutch army and a new order was imposed Devil Land reveals England as in many ways a failed state endemically unstable and rocked by devastating events from the Gunpowder Plot to the Great Fire of London Catastrophe nevertheless bred creativity and Jackson makes brilliant use of eyewitness accounts many penned by stupefied foreigners to dramatize her great story Starting on the eve of the Spanish Armada in 1588 and concluding with a not so Glorious Revolution a hundred years later Devil Land is a spectacular reinterpretation of England's vexed and enthralling past **Cultures of Witchcraft in Europe from the Middle Ages to the Present**

Jonathan Barry, Owen Davies, Cornelia Usborne, 2017-10-09 This volume is a collection based on the contributions to witchcraft studies of Willem de Bl court to whom it is dedicated and who provides the opening chapter setting out a methodological and conceptual agenda for the study of cultures of witchcraft broadly defined in Europe since the Middle Ages It includes contributions from historians anthropologists literary scholars and folklorists who have collaborated closely with De Bl court Essays pick up some or all of the themes and approaches he pioneered and apply them to cases which range in time and space across all the main regions of Europe since the thirteenth century until the present day While some draw heavily on texts others on archival sources and others on field research they all share a commitment to reconstructing the meaning and lived experience of witchcraft and its related phenomena to Europeans at all levels respecting the many varieties and ambiguities in such meanings and experiences and resisting attempts to reduce them to master narratives or simple causal models The chapter News from the Invisible World The Publishing History of Tales of the Supernatural c 1660 1832 is available open access under a CC BY 4.0 license at link.springer.com *Metrical Psalmody in Print and Practice* Timothy Duguid, 2016-04-22 During the Reformation the Book of Psalms became one of the most well known books of the

Bible This was particularly true in Britain where people of all ages social classes and educational abilities memorized and sang poetic versifications of the psalms Those written by Thomas Sternhold and John Hopkins became the most popular and the simple tunes developed and used by English and Scottish churches to accompany these texts were carried by soldiers sailors and colonists throughout the English speaking world Among these tunes were a number that are still used today including Old Hundredth Martyrs and French This book is the first to consider both English and Scottish metrical psalmody comparing the two traditions in print and practice It combines theological literary and musical analysis to reveal new and ground breaking connections between the psalm texts and their tunes which it traces in the English and Scottish psalters printed through 1640 Using this new analysis in combination with a more thorough evaluation of extant church records Duguid contends that Britain developed and maintained two distinct psalm cultures one in England and the other in Scotland

Satan's Conspiracy P. G. Maxwell-Stuart, 2001 Synthesizing the evidence for magic and witchcraft in 16th century Scotland this book profiles unpublished manuscripts 19th and early 20th century transcriptions and passing remarks in the histories of shires and boroughs Preliminary suggestions are made about how these sources can be interpreted so that nature scholars of Scottish witchcraft in particular will be able to more easily construct their theories with the analyses provided

Plantation and Civility in the North Atlantic World Aonghas MacCoinnich, 2015-09-17 The settlement of the Hebrides is usually considered in terms of the state formation agenda Yet the area was subject to successive attempts at plantation largely overlooked in historical narrative Aonghas MacCoinnich's study Plantation and Civility explores these plantations against the background of a Lowland Highland cultural divide and competition over resources The Macleod of Lewis clan uncivil Gaelic Highlanders were dispossessed by the Lowland civil Fife Adventurers 1598 1609 Despite the collapse of this Lowland Plantation however the recourse to the Mackenzie clan often thought a failure of policy was instead a pragmatic response to an intractable problem The Mackenzies also pursued the civility agenda treating with Dutch partners and fending off their English rivals in order to develop their plantation **James I** John Matusiak, 2015-11-05 Few kings have been more savagely caricatured or grossly misunderstood than England's first Stuart Yet as this biography demonstrates the modern tendency to downplay his defects and minimise the long term consequences of his reign has gone too far In spite of genuine idealism and flashes of considerable resourcefulness James I remains a perplexing figure a uniquely curious ruler shot through with glaring inconsistencies His vices and foibles not only undermined his high hopes for healing and renewal after Elizabeth I's troubled last years but also entrenched political and religious tensions that eventually consumed his successor A flawed if well meaning foreigner in a rapidly changing and divided kingdom his passionate commitment to time honoured principles of government would ironically prove his undoing as England edged unconsciously towards a crossroads and the shadow of the Thirty Years War descended upon Europe **After Elizabeth** Leanda de Lisle, 2007-12-18 Leanda De Lisle brilliantly captures the atmosphere of dangerous uncertainty and furtive intrigue that

characterized the last years of Elizabeth's reign The Sunday Telegraph London Exciting and exacting No fictional characters of film or novel can match the reality of the participants in this fascinating historical drama The Wall Street Journal December 1602 After forty four years on the throne Queen Elizabeth is in decline The kingdom is also waning weakened by the cost of war with Spain and the simmering discontent of both the rich and the poor The stage has been set at long last for succession But the Queen who famously never married has no heir Elizabeth's senior relative is James VI of Scotland Protestant son of Elizabeth's cousin Mary Queen of Scots But as a foreigner and a Stuart he is excluded under English law from the throne The road to and beyond his coronation will be filled with conspiracy and duplicity personal betrayals and political upheavals Bringing history vibrantly to life Leanda de Lisle unfurls a rich tapestry of scenes and players As the Queen nears the end we witness the scheming of her courtiers for the candidates of their choice blood soaked infighting among the Catholic clergy as they struggle to survive in the face of persecution the widespread fear that civil war invasion or revolution will follow the monarch's death and the signs portents and ghosts that seem to mark her end Here too are the surprising and to some dismaying results of James's ascension and the lasting historical implications of this crucial period in British history Leanda de Lisle's keenly modern view of this tumultuous time gives us intimate insights into the political power plays and psychological portraits relevant to our own era After Elizabeth is a unique look at a pivotal year and a dazzling debut by an exciting new historian

Literature and the Politics of Family in Seventeenth-Century England Su Fang Ng, 2007-01-25 A common literary language linked royal absolutism to radical religion and republicanism in seventeenth century England Authors from both sides of the Civil Wars including Milton Hobbes Margaret Cavendish and the Quakers adapted the analogy between family and state to support radically different visions of political community They used family metaphors to debate the limits of political authority rethink gender roles and imagine community in a period of social and political upheaval While critical attention has focused on how the common analogy linking father and king family and state bolstered royal and paternal claims to authority and obedience its meaning was in fact intensely contested In this wide ranging study Su Fang Ng analyses the language and metaphors used to describe the relationship between politics and the family in both literary and political writings and offers a fresh perspective on how seventeenth century literature reflected as well as influenced political thought
