Scots Hairst:

Scots Imagination and Modern Memory Andrew Blaikie, 2013-08-20 Blaikie explores how our different ways of seeing influence the relationship between place and belonging. He argues that our memories, however brief or complex, invoke imagined pasts. But do our recollections share a common frame of reference? Blaikie's c Focus: Scottish Traditional Music Simon McKerrell, 2015-09-16 Focus: Scottish Traditional Music engages methods from ethnomusicology, popular music studies, cultural studies, and media studies to explain how complex Scottish identities and culture are constructed in the traditional music and culture of Scotland. This book examines Scottish music through their social and performative contexts, outlining vocal traditions such as lullabies, mining songs, Scottish ballads, herding songs, and protest songs, as well as instrumental traditions such as fiddle music, country dances, and informal evening pub sessions. Case studies explore the key ideas in understanding Scotland musically by exploring ethnicity, Britishness, belonging, politics, transmission, and performance, positioning the cultural identity of Scotland within the United Kingdom. John Jamieson, 1867 **Scots Dictionary** Alexander Warrack, 1965 "The" Works Of Robert Burns With His Life, By Allan Cunningham Robert Burns, 1834 **The Works of Robert Burns** Burns, 1840 **The Book of Scottish Song** Alexander Whitelaw, 1843 *Grey Granite* Lewis Grassie Gibbon, 2009-08-01 Chris Guthrie and her son Ewan have come to the industrial town of Duncairn where life is as hard as the granite of the buildings all around them. These are the Depression years of the 1930s and Chris is far from the fields of her youth in *Sunset Song*. In a society of factory owners, shopkeepers, policemen, petty clerks, and industrial labourers, Chris Caledonia must make her living as best she can by working in Ma Cleghorn's boarding house. Ewan finds employment in a steel foundry and tries to lead a peaceful strike against the manufacture of armaments. In the face of violence and police brutality, his socialist idealism is forged into something harder and fiercer as he becomes a communist activist, ready to sacrifice himself, his girlfriend, and even the truth itself for the cause. *Grey Granite* is the last and grimmest volume of the Scots Quair trilogy. Chris Guthrie is one of the great characters in Scottish Literature and no reader of *Sunset Song* and *Cloud Howe* should miss this last rich chapter in her tale. **Glasgow** Irene Maver, 2019-08-06 No detailed description available for *Glasgow* **Literature of Nature** Patrick D. Murphy, Terry Gifford, Katsunori Yamazato, 1998 First Published in 1999 Routledge is an imprint of Taylor Francis, an informal company. *Masculinities on Clydeside* Alison Chand, 2016-07-08 *Masculinities on Clydeside* explores the experiences of civilian men on Clydeside during the war, using oral history interviews as a means to explore subjectivity and arguing for continuous personal agency through major historical changes. While men in reserved occupations are understood as extensively influenced by imagined discourses, often resulting in feelings of guilt and emasculation, their subjectivities were nonetheless ultimately rooted in their lived and immediate local vicinities and the people and places of their everyday lives. This ultimate

relevance of lived existence and the everyday also meant that while wartime relations between men and women were clearly shaped by a range of gender discourses and continually renegotiated gender boundaries were never fixed or truly separate. The analysis looks at wider subjectivities encompassing national and political identities, class consciousness, religious subjectivities and social activities as well as examining women's experiences of working in reserved occupations in wartime and their interactions with civilian men.

Lewis Grassie Gibbon William K. Malcolm, 2020. Anita Brookner was known for writing boring books about lonely single women. *Misreading Anita Brookner* unlocks the mysteries of the famously depressed Brookner heroine by creating entirely new ways to read six Brookner novels. Drawing on Brookner's legacy as a renowned historian of French Romantic art and on diverse intertextual sources from Charles Baudelaire to Henry James, Renée Vivien and Freud, this book argues that Brookner's solitary twentieth-century women can also be seen as variations of queer nineteenth-century male artist archetypes. Conjuring a cast of Romantic personae including the flâneur, the dandy, the aesthete, the military man, the queer, the analyst and the degenerate, and the storyteller, it illuminates clusters of nineteenth-century behaviours which help decode the lives of Brookner's twentieth-century women. This exploration of Brookner's performative Romanticism exposes new depths within her outsider introverts who are revealed as a subversive blend of the historical, the contemporary, the masculine and the feminine.

The book illustrates firstly how the Viking invasions and settlements have made a lasting impact on the history, languages and cultures of Scotland and how from the very beginning Scotsmen made a distinct and important contribution to the dissemination of Old Norse culture in Britain and played a significant role in the creation of the notion of a Norse ethos. Secondly and more importantly, the book illustrates in detail how a consciousness of this Norse heritage has influenced nine major Scottish writers of this century: Hugh MacDiarmid, Lewis Grassie Gibbon, Neil Gunn, John Buchan, Naomi Mitchison, David Lindsay, Eric Linklater, Edwin Muir and George Mackay Brown, throwing new light on aspects of Scottish identity and literary trends especially in the period of the Scottish Renaissance, 1920-50. *Scottish Skalds and Sagamen* provides a new and stimulating contribution to the ongoing debate on the nature and sources of modern Scottish identity and Scottish literature.
