Christopher J. Tabraham,C. J. Tabraham,1986 These easy to read books are a perfect introduction to the history of Scotland Full of little know facts and color illustrations these books help bring history to life The Stationery Office *A Passion for Castles* Janet Brennan-Inglis,2022-10-06 In the 1880s two Edinburgh architects began to survey measure and sketch the castles of Scotland travelling the length and breadth of the country on trains bicycles and on foot Together they produced the five magnificent volumes of The Castellated and Domestic Architecture of Scotland an unrivalled work of research that surveys more than 700 of Scotland s castellated buildings ranging from great medieval fortresses to small lairds houses with pepper pot turrets and is illustrated with thousands of sketches and plans The first part of A Passion for Castles tells the life stories of David MacGibbon and Thomas Ross and their work as Edinburgh architects before they embarked on their magisterial survey revealing interesting and previously unknown details about the two men The second part of the book sets their enormously ambitious castles project in its historical context and describes how MacGibbon and Ross managed to achieve their pioneering systematic and comprehensive survey The final part of the book provides a regional overview of the current status of all the castles surveyed by MacGibbon and Ross followed by a thematic exploration of those that have been lost those that have been transformed and those at risk of collapse before posing questions about what the future holds for the castles of Scotland **The Scottish People 1490-1625** MAUREEN M MEIKLE,2013 The Scottish People 1490 1625 is one of the most comprehensive texts ever written on Scottish History All geographical areas of Scotland are covered from the Borders through the Lowlands to the G idhealtachd and the Northern Isles The chapters look at society and the economy Women and the family International relations war peace and diplomacy Law and order the local administration of justice in the localities Court and country the politics of government The Reformation preludes persistence and impact Culture in Renaissance Scotland education entertainment the arts and sciences and Renaissance architecture the rebuilding of Scotland In many past general histories there was a relentless focus upon the elite religion and politics These are key features of any medieval and early modern history books but The Scottish People looks at less explored areas of early modern Scottish History such as women how the law operated the lives of everyday folk architecture popular belief and culture *How the Country House Became English* Stephanie Barczewski,2023-09-19 The story of how the country house historically a site of violent disruption came to symbolize English stability during the eighteenth century Country houses are quintessentially English not only architecturally but also in that they embody national values of continuity and insularity The English country

house however has more often been the site of violent disruption than continuous peace So how is it that the country house came to represent an uncomplicated nostalgic vision of English history This book explores the evolution of the country house beginning with the Reformation and Civil War and shows how the political events of the eighteenth century which culminated in the reaction against the French Revolution led to country houses being recast as symbols of England's political stability

The Historical Castles and Mansions of Scotland Alexander Hastie Millar, 1890 *Anglo-Norman Castles* Robert Liddiard, 2003 Wide ranging studies offer an in depth analysis of castle building 11th 12th centuries and place castles within their broader social and political context The castles of the eleventh and twelfth centuries remain among the most visible symbols of the Anglo Norman world This collection brings together for the first time some of the most significant articles in castle studies with contributions from experts in history archaeology and historic buildings Castles remain a controversial topic of academic debate and here equal weight is given to seminal articles that have defined the study of the subject while at the same time emphasising newer approaches to the fortresses of the Anglo Norman aristocracy The studies in this volume range from discussions of the residential and military role of the castle to architectural symbolism and royal attitudes to baronial fortification The result is a survey that offers an in depth analysis of castle building during the eleventh and twelfth centuries but which also places Anglo Norman castles within their broader social architectural and political context Contributors ANN WILLIAMS RICHARD EALES DEREK RENN LAWRENCE BUTLER ROBERT HIGHAM MARJORIE CHIBNALL R ALLEN BROWN CHARLES COULSON SIDNEY PAINTER FREDERICK C SUPPE GRANT G SIMPSON BRUCE WEBSTER J R KENYON THOMAS McNEILL T A HESLOP PHILIP DIXON PAMELA MARSHALL JOHN BLAIR CHARLES COULSON ROBERT LIDDIARD **Destination Weddings For Dummies** Susan Breslow Sardone, 2011-02-10 Want to have
