Scottish Legal System An Introduction To The Study Of Scots Law:

The Scottish Legal System David M. Walker, 1992 The Scottish legal system. An introduction to the study of Scots law. 5. Ed. Revised David Maxwell Walker, 1981 **The Book World of Early Modern Europe** Arthur der Weduwen, Malcolm Walsby, 2022-09-26 Anyone who has studied the history of the Reformation the book and communication will have come across or been influenced by Andrew Pettegree's contributions to these fields The essays in this Festschrift have been commissioned to cover the broad scope of Pettegree's areas of interest and expertise and to reflect and build upon them The pieces written by forty three scholars based at over thirty institutions are organised around nine key themes ranging from the intersections of religion and print to the history of book collecting the periodical press and pioneering book historical research methodologies This second volume contains twenty seven essays Together with the first volume Reformation Religious Culture and Print in Early Modern Europe Essays in Honour of Andrew Pettegree Volume 1 it offers a comprehensive survey of the state of current scholarship on religion printing and media change in early modern Europe Contributors to this volume Renaud Adam Jacob Baxter Natasha Constantinidou Hanna de Lange Arthur der Weduwen Paul Dijstelberge Shanti Graheli Earle Havens Paul Hoftijzer Graeme Kemp Justyna Kilia czyk Zi ba Joop Koopmans Nina Lamal Saskia Limbach Karin Maag Alicia Montoya Angela Nuovo John Sibbald Joke Spaans Drew Thomas Sandra Toffolo Arjan van Dijk Michiel van Groesen Steven Van Impe Malcolm Walsby and Alexander Wilkinson Comparative Contract Law, Fourth Edition Thomas Kadner Graziano, 2025-05-14 Comparative Contract Law is the fourth edition of a widely acclaimed and well established textbook which uses extensive case studies and integrates extracts from legislation and court practice enabling students to experience comparative law in action It continues to promote a learning by doing approach offering a unique and seminal guide to European and international contract law **Scottish Legal History** Andrew R. C. Simpson, 2017-07-07 The first textbook on Scottish legal history from the genesis of Scots law to the Union written from a legal perspective From the roots of a law that applied to all subjects of the Scottish King to the 1707 Union with England this new legal history textbook explores the genesis evolution and enduring influence of early Scots law Discover how and why Scots law came into being how was it used in dispute resolution during the medieval and early modern periods and how its authority developed over the centuries Key Features The chapters have been road tested with legal history students in the School of Law at the University of Aberdeen The textbook has been developed with input from legal history lecturers at a number of Scottish universities Complex legal history is presented through examples and anecdotes to help students to engage with and understand the material Material is divided into easily digestible chunks arranged from the perspective of legal history rather than political social or economic history Law for Artists Blu Tirohl, 2014-11-27 Written especially for professional artists and those studying the visual arts Law for Artists is an accessible guide to those aspects of law that impact on artists and their work It encompasses a comprehensive range of creative practices including fine art photography the graphic and

plastic arts animation illustration applied and media arts as well as fashion textile and product design As one of the few academics working in this field Blu Tirohl clearly explains the legal principles such as intellectual property censorship freedom of expression and criminal law that are relevant to artists working in a range of disciplines In order to illustrate these key concepts the book includes an engaging collection of examples of artists who have come into conflict with the law demonstrating precisely the challenges faced by creative practitioners The author also explores how the establishment co-opts transgressive artists bringing about a range of contradictions that create legal inconsistencies While the focus is primarily on UK law the reader is also given ample information to understand how European law affects them An entire chapter is also dedicated to the comparative study of US Law through well known cases ensuring students have a well rounded knowledge of the concepts that they need to consider in a professional context The book also provides additional resources including a list of useful websites a glossary of key terms as well as a list of statutes and cases Law for Artists is an invaluable resource to professional practitioners and art graduates as well as the academics who instruct them This insightful publication the first of its kind helps introduce artists to the professional practice skills needed to ensure they are well equipped to deal with working life
