Scottish Banknotes:

Scottish Miscellany Jim Hewitson, 2003-10-07 Ever wondered what some of the weirdest productions of the Edinburgh Festival Fringe have been Has it crossed your mind that you don't actually know which Scottish city has the honour of being twinned with the Russian town of Pskov mind you don't drop that now If so then this is the book for you Crammed fuller than a haggis Jim Hewitson's Scottish Miscellany is jam packed with lists tables top tens recipes and bizarre phenomena relating to our braw wee country But there's more Did you know for example that our ludicrous saying A midgie is as big as a mountain amaisht is possibly outdone in terms of ridiculousness by Bulgaria's Dry pants catch no fish **Scotland Analysis**

Great Britain: H.M. Treasury, 2013-04-23 The UK Government is undertaking a major cross government programme of analysis prior to the referendum on Scottish independence in 2014 The aim is to provide a comprehensive and detailed analysis of Scotland's place in the UK This paper examines how Scotland might arrange its currency and wider macroeconomic framework It reviews the current UK arrangements and examines the options for change In the event of a vote for independence Scotland would have to establish its own institutional framework and the current system of risk sharing would end An independent Scottish state would have four main currency options continue to use sterling with a formal agreement with the continuing UK a sterling currency union use sterling unilaterally with no formal agreement sterlingisation join the euro or introduce a new Scottish currency This paper examines all these options and concludes that all of them would be less likely to be economically suitable for both Scotland and the rest of the UK **Understanding**
