Scourge Of The Eagle Napoleon And The Liberal Opposition:

The Scourge of the Eagle: Napoleon and the Liberal Opposition Louis de Villefosse, Janine Bouissounouse, 1972 The Scourge of the Eagle: Napoleon and the Liberal Opposition Louis de Villefosse, **L'opposition à Napoléon. The scourge of the eagle: Napoleon and the liberal opposition ... Translated and edited by Michael Ross** Louis de HÉRON DE VILLEFOSSE (and BOUISSOUNOUSE (Janine)), Janine Bouissounouse, Michael C. ROSS, 1972 *The Napoleonic Wars 1803-1815* David Gates, 2011-06-08 Known collectively as the Great War for over a decade the Napoleonic Wars engulfed not only a whole continent but also the overseas possessions of the leading European states A war of unprecedented scale and intensity it was in many ways a product of change that acted as a catalyst for upheaval and reform across much of Europe with aspects of its legacy lingering to this very day There is a mass of literature on Napoleon and his times yet there are only a handful of scholarly works that seek to cover the Napoleonic Wars in their entirety and fewer still that place the conflict in any broader framework This study redresses the balance Drawing on recent findings and applying a total history approach it explores the causes and effects of the conflict and places it in the context of the evolution of modern warfare It reappraises the most significant and controversial military ventures including the war at sea and Napoleon s campaigns of 1805 9 The study gives an insight into the factors that shaped the war setting the struggle in its wider economic cultural political and intellectual dimensions **Napoleon Against Great Odds** Ralph Ashby, 2010-06-02 This revisionist history offers a fresh analysis of Napoleon and the French army as they defended their empire against the massive Coalition invasion of 1814 French defeat in 1814 is too often shrugged off as the result of obvious and understandable factors Napoleon Against Great Odds The Emperor and the Defenders of France 1814 challenges the widely accepted notion that war weariness and internal political opposition to Napoleon were the decisive and direct causes of French defeat At least as important it argues were material shortages diplomatic missteps and even faulty strategic planning on Napoleon s part The book not only traces the narrative of Napoleon s 1814 Campaign in France but explores the formation of the French army tasked with defending France against the Coalition invasion Diplomatic political and social factors are taken into account and the issue of war weariness is analyzed carefully and critically Each branch and arm of the French forces is examined as are military mobilization under difficult circumstances and partisan and guerilla warfare Designed to encourage fresh debate about the 1814 campaign the book offers thought provoking reading for scholars and general readers alike Nietzsche and Napoleon Don Dombowsky, 2014-09-15 This book argues that Nietzsche s political thought and his own proposed model of governance is Bonapartist in conception autocratic will in the guise of popular rule Bonaparte is the model for the Nietzschean commander not only his virtue his ethics of martial valour but his political institutions and techniques of power Nietzsche understood that Napoleon manipulated the democratic process abandoned the concept of popular sovereignty and undermined the principle of equality that he was opposed to parliamentary politics but maintained their simulacra a

manoeuvre Nietzsche admired in respect of tactics Nietzsche desired a revaluation of all values which endorsed many features of the Bonapartist regime One can see Nietzsche not merely situated in the Napoleonic historiography of the cult of personality but also situated ideologically in terms of a Napoleonic political policy and theory of government in so far as he affirms certain political structures of the Napoleonic Empire Nietzsche moves beyond the Napoleonic cult of personality to an analysis of the underlying structures of the Napoleonic empire Nietzsche admires the artist of government Napoleon Napoleonic Caesarism not only for his force of will but also for his political policies and tactics or political techniques
