The Scout Mindset Julia Galef,2021-04-13 an engaging and enlightening account from which we all can benefit The Wall Street Journal A better way to combat knee jerk biases and make smarter decisions from Julia Galef the acclaimed expert on rational decision making When it comes to what we believe humans see what they want to see In other words we have what Julia Galef calls a soldier mindset From tribalism and wishful thinking to rationalizing in our personal lives and everything in between we are driven to defend the ideas we most want to believe and shoot down those we don t But if we want to get
