**A Language of Limbs** Dylin Hardcastle, 2025-06-03 The prose is textured viscous almost an ooze of sweet honey shot through with golden light A Language of Limbs is a novel of impeccable vibes and mood a gay hymnal written from inside the guts of the two protagonists Yves Rees Australian Book Review A breathtaking sliding doors will they won't they love story and a tender epic that explores the weight of a choice the love of community and how joy is found in even the darkest corners Newcastle Australia 1972 On a sticky summer night a choice must be made To give in to queer desire or suppress it To venture into the unknown or stay the course In alternating chapters we trace the two versions of a life that follow In one a teenage girl is caught kissing her neighbor and is kicked out from her home She lands at a queer communal home in Sydney called Uranian House where she meets the people who will forever become her family Meanwhile in the second a teenage girl pushes down her lustful dreams of her best friend and eventually makes her way to a university in Sydney to study English literature During pivotal moments the physical space between these two women closes like when they each meet the first great loves of their lives in 1977 at a protest or when almost a decade later they are both rushed to the hospital with only a curtain between them Through the AIDS crisis and from classrooms to art galleries beds to bars and hospitals to homes we witness these two lives shadow each other until finally and poignantly they collide
