Scrapbook Of Poetry And Verse:

Scrapbook of Poetry and Verse Bette Jean Poisson, 2002 Post Office Paranoid is based on my 19 years with the postal service and grew out of work related diaries that I kept for 15 of those years most of them spent as a clerk on the night shift Its main theme is working at the post office and the harassment and games that seem to thrive there due to a combination of factors I don't try to analyze but just demonstrate by using my experience as an example It's a memoir that contains a certain amount of anger bitterness and what probably sounds like paranoia but it's not some monotonous Fear Loathing and Whining Hopefully it's an informative and somewhat humorous look at a place everyone is familiar with but few have seen the inside of

Aphrodite's Daughters Maureen Honey, 2016-08-31 The Harlem Renaissance was a watershed moment for racial uplift poetic innovation sexual liberation and female empowerment Aphrodite's Daughters introduces us to three amazing women who were at the forefront of all these developments poetic iconoclasts who pioneered new and candidly erotic forms of female self expression Maureen Honey paints a vivid portrait of three African American women Angelina Weld Grimké Gwendolyn B Bennett and Mae V Cowdery who came from very different backgrounds but converged in late 1920s Harlem to leave a major mark on the literary landscape She examines the varied ways these poets articulated female sexual desire ranging from Grimké's invocation of a Sapphic goddess figure to Cowdery's frank depiction of bisexual erotics to Bennett's risky exploration of the borders between sexual pleasure and pain Yet Honey also considers how they were united in their commitment to the female body as a primary source of meaning strength and transcendence The product of extensive

archival research Aphrodite's Daughters draws from Grimk Bennett and Cowdery's published and unpublished poetry along with rare periodicals and biographical materials to immerse us in the lives of these remarkable women and the world in which they lived It thus not only shows us how their artistic contributions and cultural interventions were vital to their own era but also demonstrates how the poetic heart of their work keeps on beating *Doctor, Teach Me to Parent* Allan G. informants now residing in Israel The text of every single item is adduced mostly in context with reference to ms or book page line or note and to classical and foreign etymologies Particular attention has been paid to the dictionaries of Lane and Dozy This is a milestone in Arabic lexicography complementing Dozy s *Supplement aux dictionnaires arabes* and opening up a complete new area sorely missing in the field of Arabic Studies [Journal of the Society of Georgia Archivists](#) ,2006
