Are You Crazy? Andrew N. Williams,2005-07-05 There is a fine line between quirky and out and out crazy With 18 scientifically based quizzes Andrew N Williams helps readers decipher whether they're normal toeing the line or far past it Developed by psychologists to analyze human behavior the quizzes allow readers to discover if they or their friends and family are Sex addicts Obsessive compulsives Food freaks Thrill seekers Hypochondriacs Fetishists Paranoids Imposters Plus the book includes descriptions in layman's terms of more than 80 specific quirks illustrated with real life examples Readers will marvel at stories of people who Crave dirt and eat it by the handful Are afraid of doughnuts because they can't see what's inside Lie about deaths in the family to collect sympathy cards But Are You Crazy is much more than a party game offering helpful insights for dealing with other people's crazy behavior as well as one's own insecurities and phobias Carnival in the Countryside Chris Rasmussen,2015-08-15 More than a century and a half after its founding the Iowa State Fair is the state's central institution event and symbol During its annual run each August the fair attracts hundreds of thousands of visitors who make the pilgrimage to the fairground to see the iconic butter cow to ride the Old Mill to walk through the livestock barns and to people watch At the same time that they enjoy fried candy bars and roller coasters Iowans also compete to raise the best corn and zucchinis to make the best jams and jellies to rear the finest sheep and goats the largest cattle and hogs and the handsomest horses This tension between entertainment and agriculture goes back all the way to the fair's founding in the mid 1800s as historian Chris Rasmussen shows in this thought provoking history The fair's founders

had lofty aims they sought to improve agriculture and foster a distinctively democratic American civilization But from the start these noble intentions jostled up against people s desire to have fun and make money honestly or otherwise not least because the fair had to pay for itself In short the Iowa State Fair has as much to tell us about human nature and American history as it does about growing corn
