London, England: Author catalogue. Title catalogue, A-F British Film Institute. Library, 1975 *Subculture* Dick
 Hebdige, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It
 is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our
 society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be
 called literary studies *New Accents* is intended as a positive response to the initiative offered by such a situation Each
 volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the
 boundaries that currently define literature and its academic study *A Reference Guide for English Studies* Michael J.
 Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference
 sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly
 inquiry presently pursued by members of university departments of English language and literature Within each of 24 major
 sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and
 reference histories The annotations and various indexes are models of clarity and usefulness and cross references are
 liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent
 literary bibliographies in print such as James L Harner s *Literary Research Guide* Modern Language Assn of America 1989
 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library
 Journal **New Serial Titles** , 1989 A union list of serials commencing publication after Dec 31 1949 **United Artists,**
Volume 2, 1951-1978 Tino Balio, 2009-04-08 In this second volume of Tino Balio s history of United Artists he examines the
 turnaround of the company in the hands of Arthur Krim and Robert Benjamin in the 1950s when United Artists devised a
 successful strategy based on the financing and distribution of independent production that transformed the company into an
 industry leader Drawing on corporate records and interviews Balio follows United Artists through its merger with
 Transamerica in the 1960s and its sale to MGM after the financial debacle of the film *Heaven s Gate* With its attention to the
 role of film as both an art form and an economic institution *United Artists The Company That Changed the Film Industry* is an
 indispensable study of one company s fortunes from the 1950s to the 1980s and a clear eyed analysis of the film industry as a
 whole This edition includes an expanded introduction that examines the history of United Artists from 1978 to 2008 as well
 as an account of Arthur Krim s attempt to mirror UA s success at Orion Pictures from 1978 to 1991 *Screen World* John
 Willis, 1969 *British Film Culture in the 1970s* Sue Harper, 2011-11-30 This volume draws a map of British film culture in
 the 1970s and provides a wide ranging history of the period It examines the cross cultural relationship between British
 cinema and other media including popular music and television The analysis covers mainstream and experimental film
 cultures identifying their production contexts and the economic legislative and censorship constraints on British cinema
 throughout the decade The essays in Part I contextualise the study and illustrate the diversity of 1970s moving image culture

In Part II Sue Harper and Justin Smith examine how gender relations and social space were addressed in film They show how a shared visual manner and performance style characterises this fragmented cinema and how irony and anxiety suffuse the whole film culture This volume charts the shifting boundaries of permission in 1970s film culture and changes in audience taste This book is the culmination of an AHRC funded project at the University of Portsmouth For more information about 1970s British Cinema Film and Video Mainstream and Counter Culture 2006 2009 please visit the project website at www.1970sproject.co.uk **Serials Catalog: Titles, O-Z; and Corporate body index** Iowa State University.
