Screening Europe:

Health at a Glance: Europe 2024 State of Health in the EU Cycle OECD, European Commission, 2024-11-18 The 2024 edition of Health at a Glance Europe examines the major challenges facing European health systems in the aftermath of the COVID 19 pandemic The report includes two thematic chapters The first chapter provides a comprehensive examination of health workforce shortages in Europe a long standing problem exacerbated by the immense strain the pandemic placed on health systems It explores the factors behind these shortages and proposes policy strategies to attract train and retain the workforce needed to build resilient health systems The second chapter reviews the most recent trends in the health of Europe s ageing population With life expectancy continuing to rise and the share of the population over 65 growing steadily the chapter discusses priorities to promote healthy longevity to reduce demands on health and long term care systems The remaining chapters provide a comparative overview of the latest data on health status risk factors and health system performance across the 27 EU member states 9 EU candidate countries 3 European Free Trade Association countries and the United Kingdom Health at a Glance Europe 2024 is the first step in the State of Health in the EU cycle Health at a Glance: Europe 2022 State of Health in the EU Cycle OECD, European Union, 2022-12-05 The 2022 edition of Health at a Glance Europe reviews the key challenges to build more resilient and effective health systems following COVID 19 It includes a special focus on the impact of the pandemic on young people s health including both their mental and physical health

Popular Cinemas of Europe Dimitris Eleftheriotis, 2002-01-25 This book challenges the established conceptual and historical paradigm in Anglo American film studies that perceives European cinema as essentially high art Through a study of the specific contexts in which popular European films are produced distributed and exhibited the book proposes new analytical and critical frameworks for their study Films analyzed in the book include Cinema Paradiso Mediterraneo Bhaji on the Beach Until the End of the World Underground and Jam n Jam n Health at a Glance: Europe 2014 OECD, European Union, 2014-12-03 This third edition of Health at a Glance Europe presents a set of key indicators related to health status determinants of health health care resources and activities quality of care access to care and health expenditure and financing in 35 European countries Chinese Investments and the Economic Security Turn in Europe Francesca Ghiretti, 2025-01-10 Focusing on inward foreign direct investment FDI screening this book provides an in depth analysis of how European states economic interactions with China have become a security issue Based on 100 interviews with scholars journalists policy makers and politicians from across Europe the book underscores the importance of the policy making process that led to the adoption of investment screening in European nations It adopts the theory of securitization to analyse the passage of the status of Chinese FDI from economy to security In doing so it shows how the shifting view of Europeans is attributed to changes such as China s growing economic presence the persistence of non market practices the loss of competitiveness and the use of economic statecraft **Memory and Securitization in Contemporary Europe** Vlad

Strukov, Victor Apryshchenko, 2018-01-24 The volume is the first study to explore the intersection of memory and securitisation in the European context By analysing a variety of practices ranging from film to art and new media the book expands the existing theoretical framework of securitisation The authors consider memory as a precondition for contemporary integration projects such as the European Union and also showcase how memory is used to stage international conflicts Following this memory securitisation nexus the European Union and Europe more generally emerges as an on going cultural political and social project The book also examines developments outside the EU such as the conflict in Ukraine and the creation of the Eurasian Economic Union which the authors argues have a profound impact on Europe From a consideration of historical contexts such as national referenda the discussion proceeds to media and film analysis artistic practice and more transient phenomena such as climate change **European Visions** Janelle Blankenship, Tobias Nagl, 2015-07-15 This volume examines the challenges cinemas in small European countries have faced since 1989 It explores how notions of scale and small cinemas relate to questions of territory transnational media flows and globalization Employing a variety of approaches from industry analysis to Deleuze Guattari s concept of the minor contributions address the relationship of small cinemas to Hollywood the role of history and memory and the politics of place in post Socialist cinemas **European Film Theory** Temenuga Trifonova, 2009-09-10 European Film Theory explores the Europeanness of European film theory its philosophical origins the culture wars between Continental and Analytical film theory and philosophy the major discursive and epistemological shifts in the history of Continental film theory the relationship between Continental philosophy of art and philosophy of history and European film theory Writing from a range of disciplines and perspectives the contributors to this new volume in the AFI FILM READERS series offer fresh interpretations of European film theorists and illuminate the political potential of European film theory The New European Cinema Rosalind Galt, 2006 Rosalind Galt offers innovative readings of some of the most popular and influential European films of the 1990s including Emir Kusturica s Underground Lars Von Trier s Zentropa and Giuseppe Tornatore s Cinema Paradiso Paediatric Endocrinology in Clinical Practice A. Aynsley-Green, 2012-12-06 This book is made up of 16 papers delivered during the Paediatric Conference convened by the Royal College of Physicians of London on 20th and 21st October 1983 The main intention of the conference was to allow each contributor to deliver a personal review of his own field indicating recent developments and current practice This volume representing the proceedings of that meeting is not intended as a comprehensive textbook of paediatric endocrinology but rather as a series of personal narratives I wish to express my thanks to the Chairmen who so ably stimulated discussion and to Miss Gillian Andrew Conference Secretary of the Royal College of Physicians and her colleagues for providing invaluable help in the organization of the conference I am also grateful to the staff of MTP Press Limited for their help in producing the book A Aynsley Green IX LIST OF CHAIRMEN Professor R Hoffenburg PRCP Dr D I Johnston MD FRCP President Queen s Medical Centre Royal College of Physicians Nottingham

The Europeanness of European Cinema Mary Harrod,Mariana Liz,Alissa Timoshkina,2014-12-19 From The Artist to The White Ribbon from Oscar to Palme d Or winning productions European filmmaking is more prominent world wide than ever before This book identifies the distinctive character of European cinema both in films and as a critical concept asking what place does European cinema have in an increasingly globalized world Including in depth analyses of production and reception contexts as well as original readings of key European films from leading experts in the field it re negotiates traditional categories such as auteurism art cinema and national cinemas As the first publication to explore Europeanness in cinema this book refocuses and updates historically significant areas of study in relation to this term Leading scholars in European cinema including Thomas Elsaesser Tim Bergfelder Anne Jackel Lucy Mazdon and Ginette Vincendeau acknowledge the transnational character of European filmmaking whilst also exploring the oppositions between European and Hollywood filmmaking considering the value of the European label in the circulation of films within and beyond the continent The Europeanness of European Cinema makes a lively timely intervention in the fields of European and transnational film studies

Building a European Public Sphere / Un Espace Public Européen en Construction Robert Frank,2010 The book edited by four known specialists of European history presents for the first time a discussion among European historians on the European public sphere since the 1950s It treats the general perspective and deals also in special articles with the role played by the European Union by the Council of Europe and by national media such as television and film The volume shows that the role of the European public sphere is often underestimated and that it is gradually becoming more influential and forceful not only in politics but also in culture

Sous la direction de quatre spécialistes renommés de l'histoire européenne cet ouvrage présente de façon inédite un débat entre historiens de l'Europe sur l'espace public européen et son évolution depuis les années 1950 La question est abordée dans son ensemble mais certaines contributions traitent aussi plus spécifiquement du rôle joué par l'Union européenne par le Conseil de l'Europe et par les médias nationaux comme la télévision et le cinéma Ce volume montre que l'on a souvent sous-estimé l'espace public européen alors que son influence est de plus en plus importante tant au niveau politique que culturel

East European Cinemas Anikó Imre,2005-09-14 Eastern Europe has produced rich and varied film cultures Czech Hungarian and Serbian among them whose histories have been intimately tied to the transition from Soviet domination to the

complexities of post Communist life This latest volume in the AFI Film Readers series presents a long overdue reassessment of East European cinemas from theoretical psychoanalytic and gender perspectives moving the subject beyond the traditional area studies approach to the region s films This ambitious collection situating Eastern Europe s many cinemas within global paradigms of film study will be an essential work for all students of cinema and for anyone interested in the relation of film to culture and society

The European Cinema Reader Catherine Fowler,2002 This comprehensive introduction to national cinemas in Europe brings together classic writings by key filmmakers such as Sergei Eisenstein Luis Bu uel and John Grierson and critics from Andre Bazin to Peter Wollen
