The Winding Path To Freedom 5th ed. Roman D. Mac, 2012-07-18 in Ukrainian fields and forests in the 1940s and 1950s but what makes any successful popular insurgency work whether it takes place in America in 1776 or in troubled parts of the world today History aside Roman Mac's story is also a moving human document There is tragedy heartbreak and heroic endurance here both witnessed and lived And Roman depicts it all in modest straightforward style not only the great struggle that was going on around him but also the struggle that was going on within himself We see and feel the rustic joys and travails of village life the destruction and loss that war Nazism and Communism bring upon it and we too struggle along the winding path to freedom with a young boy who manages to keep his faith his humanity and not the least of accomplishments amidst so much suffering and sorrow his sense of humor through it all Although I was already familiar with Ukrainian history and as an aide to Presidents Nixon Ford and Reagan was 2 ROMAN D MAC an eye witness to the last chapters of the Cold War reading Roman Mac's story made me understand more fully what that colossal struggle was really like for the ordinary people who bore the brunt of it His gift of making us see it all as he saw it then through a young boy's eyes brings alive both the brutality of battle and magic solitary moments in the still forest with only woodland creatures as companions We feel the pelting snow and piercing cold we smell the smoke of the campfires and we hear both the whiz of bullets and the deep moving chords of the freedom fighters songs just as the young Roman Mac did more than half a century ago Then with the

battle over we follow a troubled but determined young man on the road to a new life in the west We share the ups and downs of a new series of trials and tests from which he emerges once again with his humanity and his humor intact By book s end we feel as if we ve walked beside him all the way and we too experience his joy in achieving success dignity and a happy family life in America Thank you Roman Mac for sharing and showing us so much and for doing it with such clarity honesty and goodness of heart
