an attack method that has been killing us for thousands of years We will together contemplate the mysterious of the word of God and unlock the doors to revelation to be able to add power to our walk in Christ Jesus We will be breaking passed down religion from our mothers and grandmothers and fathers and grandfathers and take a close examination of the word of God This will reveal unto us our hidden agenda as well as the deep penetration of the enemy in our lives We will look at Character Defects as well as Blessings and What is the Body of Christ and Method of Attack from the enemy as well as defensive measures for us We will take a deep look within the true essence of the word of God and seek out the principle that will set us free from the devices used by the enemy We will also look at Sin and Lust which in those sections will reveal some hidden keys that will unlock some false embedded information that our foundation was build on and that is slowly destroying the righteous part of the foundation So I know that this particular book will be a blessing to you as well as it was to me so I look forward to interacting with you on another elevation in the body of Christ Jesus As we grow together we gain strength so together we are a strong front of an unbreakable force to be a mighty army of God Remember we seek revelation not interpretation of God s word God bless and enjoy **Scriptural Principles of Unity and Gathering** John Nelson
