The Healing Commands Handbook Derek Jacobs, 2014-11-30 Remember that it is not a prayer because Jesus never prayed for the sick It is a command so firmly get it fixed in your mind to say In the name of Jesus we command And then speak to the part of the body that needs healing When Jesus healed the sick man at the pool of Bethesda He said Rise take up your bed and walk John 5 8 In Matthew 12 13 Jesus commanded the man with the withered hand Stretch out your hand and when the man did his hand was restored as whole as the other Jesus disciples followed His example of making healing commands as recorded in Acts 3 6 in the healing of the

lame man Then Peter said Silver and gold I do not have but what I do have I give to you In the name of Jesus Christ of Nazareth rise up and walk Verse 7 proclaims And he took him by the right hand and lifted him up and immediately his feet and ankle bones received strength The Scriptures go on to report that the healed man began walking and leaping and praising God Notice also that when the people put their FAITH INTO ACTION whether by stretching out their hand or taking up their bed and walking or rising up and walking they were healed

Thelen, 2017-12-07 It s almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament

The result of this biblical study is a clarion call for the church to renew its faith in God's desire and power to confirm his word through healing. As healing becomes more accepted and frequent in evangelization, a Catholic biblical and theological approach to healing as it relates to evangelization, an approach that can be different from its Protestant counterpart, is necessary. This modest book fits this need.
