HOW TO STUDY R. A. Torrey, Edward D. Andrews, 2016-08-09 How can we find more enjoyment in studying the Bible How can we make our study periods more productive What circumstances contribute to effective personal study How can we derive real benefit and pleasure from our Bible reading From what activities can time be bought out for reading and studying the Bible Why should we watch our spiritual feeding habits What benefits come from reading and studying the Scriptures There is a great and constantly growing interest in the study of the English Bible in these days However very much of the so called study of the English Bible

is unintelligent and not fitted to produce the most satisfactory results The authors of this book already have a book entitled HOW TO STUDY Study the Bible for the Greatest Profit but that book is intended for those who are willing to buy out the time to put into thorough Bible study The present book is intended first of all to impress men and women with the Importance and Value of Bible Study secondly to show busy men and women how to get the most out of their Bible Study thirdly to set forth the fundamental principles of correct Biblical Interpretation **How to Study the Bible** John MacArthur,2009-02-26 The Bible is the Word of life As such studying the Bible is crucial to the life and growth of every believer In this revised work John MacArthur examines various Scripture passages in the Old and New Testament to answer both the why and the how questions of Bible study **The Basic Steps of Bible Study** Kay Arthur,2019-08-06 Beloved Bible teacher Kay Arthur has long taught the inductive study method which has helped millions of people enjoy discovering the truths of God s Word for themselves This guide is a great place to start learning how to study your Bible in a truly life changing way As you cultivate the inductive skills of observation interpretation and application you will be equipped to study and understand God s Word on your own increase your knowledge of God and His ways be greatly strengthened and encouraged in your personal faith The more you become an active participant in God s Word the more you will become aware of all that it means to be in Christ and to live boldly and confidently in God s truths *Scripture Workbook* Gary Zeolla,2000-10 This book contains twenty two individual Scripture Studies Each study focuses on one general area of study These studies enable individuals to do in depth topical studies of the Bible They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study They can be used for group studies as well The range of topics covered in the different studies is broad from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies So if you re an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons this book will be of great benefit The sources for the viewpoints promoted in these Scripture Studies are wide and varied The ideas are taken from commentaries study Bibles theology books books of various kinds and most importantly this writer s own personal study of the Scriptures The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views Every effort has been made to ensure the accuracy of the Scripture references in these studies But with the thousands of references presented it is likely that a few typos have crept in If the reader comes across a reference that does not make sense in the context presented just go onto the next one There are always plenty of verses listed for each point It is my hope and prayer that God uses these Scripture Studies to help the reader to grow in the grace and knowledge of our Lord and Savior Jesus Christ To Him be the glory both now and forever Amen 2 Peter 3 18 **Knowing the Scriptures** Arthur T. Pierson,1910 *Women of the Gospels (Ancient-Future Bible Study)*

Stephen J. Binz, 2011-01-01 Ancient Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture *lectio divina*. This time honored practice consists of five basic movements: biblical study, *lectio*, reflection, *meditatio*, prayer, *oratio*, discernment, *contemplatio*, and contemplative action, *operatio*. In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. He shows all Christians who desire to have a transforming experience with the inspired Word of God how studying Scripture through *lectio divina* can enrich their discipleship. This ecumenical Bible study designed for use by individuals or groups includes questions for personal reflection and suggested action. Each volume includes leader's notes for guiding a study over the course of six sessions. **The Bible Study Handbook** Lindsay Olesberg, 2012-08-02 This comprehensive guide to Bible study lays a foundation for why we read the Bible, what attitudes and expectations are most helpful as we enter into serious study, and what practices yield the most fruit. You will find everything you need to cultivate your curiosity, hone your attention, and mine the applicabilities of whatever passage you find yourself in. **The Power of Knowing God** Kay Arthur, 2012-07-10 Do you really know God? You may know about God, but do you truly know what He says about Himself and what He wants from you? This eye-opening study will help you gain a true understanding of God's character and His ways. As you discover for yourself who He is, you'll be drawn into a deeper, more personal relationship with the God of the universe, a relationship that will enable you to confidently display His strength in life's most challenging circumstances. 40 minutes a week could change your life. The 40 Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you. These inductive study guides designed to be completed in just six 40-minute lessons with no homework required help you discover for yourself what God says and how it applies to your life today. With the leader's note and Bible passages included right in the book, each self-contained study is a powerful resource for personal growth and small group discussion. **Ignite Your Passion for God** Kay Arthur, Mark Sheldrake, 2015-12-15 What does it take to fuel a faith that burns bright, no matter what? At different times in our spiritual journey, we may discover that we've somehow developed apathy toward the things of God. Instead of being fueled by spiritual passion, our faith seems to be running on autopilot or maybe sputtering to a halt as we seek excuses to avoid spiritual engagement. Through this six-week study, your eyes will be opened to the things that can undermine our interest in the things of God, and you'll discover practical steps you can take to ignite a fire that will propel you toward a deeper, more meaningful faith. **Introduction to the Bible** Stephen J.
