The Longest Ride Nicholas Sparks, 2013-09-17 From the dark days of WWII to present day North Carolina this New York Times bestseller shares the lives of two couples overcoming destructive secrets and finding joy together Ira Levinson is in trouble Ninety one years old and stranded and injured after a car crash he struggles to retain consciousness until a blurry image materializes beside him his beloved wife Ruth who passed away nine years ago Urging him to hang on she forces him to remain alert by recounting the stories of their lifetime together how they met the precious paintings they collected together the dark days of WWII and its effect on them and their families Ira knows that Ruth can't possibly be in the car with him but he clings to her words and his memories reliving the sorrows and everyday joys that defined their marriage A few miles away at a local bull riding event a Wake Forest College senior's life is about to change Recovering from a recent breakup Sophia Danko meets a young cowboy named Luke who bears little resemblance to the privileged frat boys she has encountered at school Through Luke Sophia is introduced to a world in which the stakes of survival and success ruin and reward even life and death loom large in everyday life As she and Luke fall in love Sophia finds herself imagining a future far removed from her plans a future that Luke has the power to rewrite if the secret he's keeping doesn't destroy it first Ira and Ruth Sophia and Luke Two couples who have little in common and who are separated by years and experience Yet their lives will converge with unexpected poignancy reminding us all that even the most difficult decisions can yield extraordinary journeys beyond despair beyond death to the farthest reaches of the human heart Words in Rhythm David Stewart Handelman, 2012-07-18 The time that I have spent traveling in the many journeys of my life I find myself listening to sweet music I also find myself seeking not only words of wisdom that I can translate but I hear music that remind me of life past and the many hopes for the future In order to fully appreciate what any author is trying to articulate one must first put themselves into the poem or story to fully understand what they are trying to write or say Poetry is based upon the authors own interpretation of the subject that they are writing about True poetry is taken from the depth of ones own soul and their feelings at the time that they put the quill to the parchment Homeward Bound Jonathan Shaw, 2018-08-14 Picking up where Jonathan Shaw's critically acclaimed *Scab Vendor Confessions of a Tattoo Artist* left off *Homeward Bound* resumes the story of Cigano the tattoo man Cigano continues his full body tattoo work on a young acolyte Jaco who eagerly soaks up his tales *Homeward Bound* continues charting the amazing course of a life measured in extremes and all the singular people exotic places and outrageous events that shaped it into a survivor's tale of epic proportions In its pages Shaw takes the reader deeper than ever before not only into the bizarre recesses of his extraordinary mind and incredible adventures but also into the strange and magical process of memoir writing itself *Homeward Bound* is proof positive that truth is indeed stranger than fiction As Shaw's old friend and literary mentor Charles Bukowski once told him most of this book would have to be lived before it could be written In that sense *Homeward Bound* is much more than a compelling page turning chronicle of a popular working class hero's creative evolution It is a multicolored cinematic modern day Odyssey written in blood ink
