

The background of the entire cover is a photograph of a forest. The trees are tall and slender, with their trunks appearing as vertical lines against a hazy, golden-brown background. The ground is covered in fallen leaves and low-lying vegetation, with a path or clearing visible in the foreground. The overall atmosphere is quiet and contemplative.

Stephen C. Simon

Long Wandering Prayer An Invitation To Walk With God:

Long Wandering Prayer David Hansen,2001 Uses the fact that our minds wander as an advantage to prayer rather than an disadvantage Cover **Holy Walks** Stephen C. Simon,2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer **Construing the Cross** Frances M. Young,2015-10-20 This book reconsiders ways in which the cross of Christ was construed before atonement theories narrowed the categories The typology of Passover is explored as probably the very first way in which Christians came to understand the passion The use of sacrificial imagery is re examined The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times along with other surprising links with the Eden narrative The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems The overall outcome is a quite paradoxical focus not on death but on life The Sense of the Call Marva J. Dawn,2006-02-21 In Keeping the Sabbath Wholly Dawn introduced the vital Sabbath aspects of resting ceasing feasting and embracing Now she expands these into a way of life for serving God and the Kingdom every single day of the week Practical Life **Calm and Quiet My Soul** Alyssa Lynn Bell,2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God **Sacred Companions** David G. Benner,2009-08-20 We need companions on our spiritual journey In this inviting guide David G Benner introduces readers to

the riches of spiritual friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God s activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper intimacy with God American Book Publishing Record ,2001 **Quaker Life** ,2002
