Furnace of the Heart Sister Margaret Magdalen (CSMV.), 1998 Each of us is born with an innate longing for the God in whose image we are made This book explores the many facets of this longing beginning with the very nature of longing itself

It challenges us to enter into the pain and the joy of longing and to dare to respond to God's call to plunge into the abyss of love and share in the compassion of Christ. It draws on the wisdom of the Early Fathers, the Spiritual Classics as well as contemporary writers in spirituality. *Furnace of the Heart* will speak powerfully to all of us who are hungering after God.

Uncharted John Paterson, 2020-07-13 This book takes over from where my first book left off *WHERE ARE YOU*. Was about being able to know where you are on life's journey. This second book is very much about the journey itself, the inner journey which remains uncharted. *Incarnate* Michael Frost, 2014-02-10 The church is to be the hands and feet of Christ in the world, showing and telling the kingdom of God. But this incarnational mission is challenged by numerous excarnational forces pulling us ever inward and selfward. In this prophetic cultural study, missiologist Michael Frost helps us find our way back to the mission of God.
