Look Closer Meadow:

A Love for the Pages Joy Penny, 2014-06-14 Kiss Marry Kill Nineteen year old June Eyermann has always known exactly which of her favorite Byronic heroes goes where She d kiss moody and possessive Rochester from Jane Eyre and marry prideful but repentant Darcy from Pride and Prejudice leaving obsessive and spiteful Heathcliff from Wuthering Heights to be chucked off a cliff but no She couldn t leave any of her heroes behind She lives for her favorite fictional worlds But June is about to get a serious wake up call when she returns home for the summer after her college freshman year Stuck somewhere between feeling like a kid again under her parents roof and being forced to start acting like an adult with worries about her future career June looks at the library volunteer position offered to her as a way to keep her sanity for the next few months before she can go back to school What June doesn t expect to find at the library is her favorite romantic heroes brought to life all in the same man Obstinate prideful and even a bit rude Everett Rockford shouldn t exactly be dating material even if June s heart rate accelerates whenever she s near him But after discovering his enigmatic past and witnessing a few fiery moments of tenderness June can t help but see Rochester Darcy and even Heathcliff in Everett If she s going to make it through the summer without becoming a tragic heroine in her own story she has to separate the man from the ideals of fiction in her head Because if there s one thing she knows about Byronic love stories it s that they don t always end happily ever after
