High Mas Kevin Adonis Browne, 2018-09-26 Overall Winner of the 2019 OCM Bocas Prize for Caribbean Literature High Mas Carnival and the Poetics of Caribbean Culture explores Caribbean identity through photography criticism and personal narrative Taking a sophisticated and unapologetically subjective Caribbean point of view the author delves into Mas a key feature of Trinidad performance as an emancipatory practice The photographs and essays here immerse the viewer in carnival experience as never before Kevin Adonis Browne divulges how performers are or wish to

be perceived along with how as the photographer he is implicated in that dynamic The resulting interplay encourages an informed nuanced approach to the imaging of contemporary Caribbeanness The first series Seeing Blue features Blue Devils from the village of Paramin whose performances signify an important revision of the post emancipation tradition of Jab Molassie Molasses Devil in Trinidad The second series La Femme des Revenants chronicles the debut performance of Tracey Sankar s La Diablesse which reintroduced the Caribbean femme fatale to a new audience The third series Moko Jumbies of the South looks at Stephanie Kanhai and Jonadiah Gonzales a pair of stilt walkers from the performance group Touch de Sky from San Fernando in southern Trinidad Jouvay Reprised the fourth series follows the political activist group Jouvay Ayiti performing a Mas in the streets of Port of Spain on Emancipation Day in 2015 Troubling the borders that persist between performer and audience embodiment and spirituality culture and self consciousness the book interrogates what audiences understand about the role of the participant observer in public contexts Representing the uneasy embrace of tradition in Trinidad and the Caribbean at large the book probes the multiple dimensions of vernacular experience and their complementary cultural expressions For Browne Mas performance is an exquisite refusal to fully submit to the lingering traumas of slavery the tyrannies of colonialism and the myths of independence Heartfelt Thoughts: Chapters Four & Five James L. Harter Sr.,2010-11-24 I write all of these poems and for me it is exploring my mind and transposing my thoughts into written words And in so doing I do get peace of mind For I am the strolling wayfarer leaving footprints in the sand Searching for what is my future seeking what is already planned Nomadic as it is to some to me it s just mind walking Thoughts worth searching for I find by doing not by talking For love of life will go on and on And songs of mine will be my life song My mind library is public and my thoughts are free Enjoy and sing along with me Principles of Home Inspection: Electrical systems Carson Dunlop,2003 Only half of a home inspector s challenge is technical the other half is effective communication with clients This text is designed both for beginners who need an in depth introduction and more advanced practitioners looking for tips sample dialogue and documents and an understanding of the scope and ethical aspects of a home inspection The text includes Inspection Checklists that summarize the important components and problems home inspectors will encounter and can be used for actual inspections **This Dream Is Not for You** Wade Joye,2023-09-12 Christian speaker and Bible teacher Wade Joye pushes back against the dominant self help teaching of the day to follow your dreams and encourages us to let go and surrender our lives to God in order to truly live Follow your dreams is the self help message of our day In our schools and universities media and culture and even in church we are taught to dream big work hard and find true happiness in living our dreams And so we spend our lives chasing But as we chase our dreams we can be met with exhaustion anxiety and disappointment Our circumstances may put our dreams in jeopardy or even deny them and we re heartbroken Or we achieve them and just want more Wade Joye offers here a different way Release your grip on your dreams and trust God with your whole life Joye shows that by letting go we are freed from the pressure to secure some ideal

unattainable life and instead become open to God and his plans Living a life of daily surrender to God s purpose we begin to see glimpses of God in our present circumstance as he shows us that he more than anyone can be trusted With deep wisdom frank teaching and a pastor s heart Wade guides readers step by step to the place of letting go the place where we find real life
