

LORCA

A DREAM OF LIFE

LESLIE STANTON

"A splendid achievement. [Our] understanding
of Lorca and his legacy will be enriched."

—ROBERTO RUIZ, THE BOSTON GLOBE

Lorca A Dream Of Life

Cary Nelson

Lorca A Dream Of Life:

Lorca - a Dream of Life Leslie Stainton, 2013-06-10 With a rare blend of grace warmth and scholarship Leslie Stainton raises the stakes of our appreciation for the greatest of Spain's modern poets Federico Garcia Lorca Drawing on fourteen years of research more than a hundred letters unknown to prior biographers exclusive interviews with Lorca's friends family and acquaintances and dozens of newly discovered archival material Stainton has brought her subject to life as few writers can She describes his carefree childhood in rural Andalusia his residencies in Madrid and Granada then in New York Havana and Buenos Aires his potent interaction with other Spanish artists such as Salvador Dal Luis Buuel and the composer Manuel de Falla and finally Stainton shows how Lorca's marginal political activity during the Spanish Civil War still cost him his life Throughout Stainton meticulously but unobtrusively relates the oeuvre to the life Her biography is quickly becoming the standard one volume work on the poet

Revolutionary Memory Cary Nelson, 2013-10-11 Revolutionary Memory is the most important book yet to be published about the vital tradition of leftwing American Poetry As Cary Nelson shows it is not only our image of the past but also our sense of the present and future that changes when we recover these revolutionary memories Making a forceful case for political poetry as poetry Nelson brings to bear his extraordinary knowledge of American poets radical movements and social struggles in order to bring out an undervalued strength in a literature often left at the canon's edge Focused in part of the red decade of the 1930s RevolutionaryMemory revitalizes biographical criticism for writers on the margin and shows us for the first time how progressive poets fused their work into a powerful chorus of political voices Richly detailed and beautifully illustrated with period engravings and woodcuts Revolutionary Memory brings that chorus dramatically to life and set a cultural agenda for future work

A Study Guide for Federico Garcia Lorca's "Gacela of the Dark Death" Gale, Cengage Learning, 2016 A Study Guide for Federico Garcia Lorca's *Gacela of the Dark Death* excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs

A Study Guide for Federico Garcia Lorca's "Blood Wedding" Gale, Cengage Learning, 2016 A Study Guide for Federico Garcia Lorca's *Blood Wedding* excerpted from Gale's acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs

Federico García Lorca Federico Bonaddio, 2022 Feted by his contemporaries Federico Garcia Lorca's status has only grown since his death in 1936 This book shows just why his fame has endured through an exploration of his most popular works *Romancero Gitano Poeta en Nueva York* and the trilogy of tragic plays *Blood Wedding Yerma* and *The House of Bernarda Alba* Feted by his contemporaries Federico Garcia Lorca's status has only grown since his death in 1936 poet playwright political martyr gay icon champion of women defender of the oppressed This

book guides readers through the key themes and concerns in Lorca's work. It demonstrates how Lorca applied his poetic sensibilities and lyrical craft to what were in essence tangible real life issues: the plight of Andalusia's Romani people, the idea of modernity and the condition of women in Spain. What becomes evident is that even though he was writing at a time when many writers and artists were less inclined to deal directly with the things of the world, Lorca maintained a profound interest in the human subject and in the world around him. It is this interest, the book argues, in tandem with his poetic vision and craft that ensured his most popular works enduring universal appeal.

Lorca's Legacy Jonathan Mayhew, 2018-05-15 In *Lorca's Legacy*, Jonathan Mayhew explores multiple aspects of the creative and critical afterlife of Federico García Lorca, the most internationally recognized Spanish poet and playwright of the twentieth century. Lorca is an iconic and charismatic figure who has evoked the admiration and fascination of musicians, poets, painters, and playwrights across the world since his tragic assassination by right wing forces in 1936 at the onset of the Spanish Civil War. This volume ranges widely, discussing his influence on American theater, his much debated lecture on the duende, his delayed encounter with queer theory, his influence on contemporary Spanish poetry, and other relevant topics. The critical literature on Lorca is vast, and original contributions are comparatively rare, but Mayhew has found a way to shed fresh light on his legacy by looking with a critical eye at the creative transformations of his life and work both in Spain and abroad. *Lorca's Legacy* celebrates the wealth of material inspired by Lorca, bringing to bear a sophisticated, theoretically informed critical perspective. This book will be of enormous interest to anyone interested in the international projection of Spanish literature or anyone who has felt the fascination of Lorca's duende.

Archives of Flesh Robert Reid-Pharr, 2016-12-13 Enlists the principles of post humanist critique in order to investigate decades of intimate dialogues between African American and Spanish intellectuals. In *Archives of Flesh*, Robert Reid-Pharr reveals the deep history of intellectual engagement between African America and Spain. Opening a fascinating window onto black and anti-Fascist intellectual life from 1898 through the mid 1950s, Reid-Pharr argues that key institutions of Western Humanism, including American colleges and universities, developed in intimate relation to slavery, colonization, and white supremacy. This retreat to rigidly established philosophical and critical traditions can never fully address or even fully recognize the deep seated hostility to black subjectivity underlying the humanist ideal of a transcendent Manhood. Calling for a specifically anti-white supremacist reexamination of the archives of black subjectivity and resistance, Reid-Pharr enlists the principles of post humanist critique in order to investigate decades of intimate dialogues between African American and Spanish intellectuals, including Salaria Kea, Federico García Lorca, Nella Larsen, Langston Hughes, Richard Wright, Chester Himes, Lynn Nottage, and Pablo Picasso. In the process, Reid-Pharr takes up the African American Spanish Archive in order to resist the anti-corporeal, anti-black, anti-human biases that stand at the heart of Western Humanism.

Homintern Gregory Woods, 2017-11-21 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture. In a hugely ambitious study which crosses continents, languages, and almost a century, Gregory

Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin s Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history

Granada Steven Nightingale,2015-02-01 Andalusia ancient homeland of the mysterious Iberians birthplace of Roman emperors seedbed of modern Anarchism and unmarked gravesite of Spain s greatest lyric poet Perhaps most importantly Andalusia is home to the city of Granada where a hybrid culture composed of Islamic Jewish and Christian traditions gave rise to an intellectual vanguard whose achievements can be compared only with those of classical Athens Ming China or Renaissance Italy Granada resident Steven Nightingale excavates the rich past of his adopted city and its surrounding countryside finding there a lavish story of utopian ecstasy political intrigue and finally anguish Part of that region in southern Spain named by its Islamic rulers Al Andalus medieval Granada witnessed a flourishing of poetry in several languages the first modern translations of Greek philosophy the birth of algebra and the construction of architectural masterpieces such as the Alhambra and the Generalife Yet with Ferdinand and Isabella s sack of Granada in 1492 regarded as the culmination of the Reconquista which sought to reclaim Spain for the Vatican a Catholic mythology of Spain began to erode Granada s centuries old reputation as an artistically vital haven for multiple ethnic and religious groups Linking the disastrous afterlife of the Reconquista to the Catholic nationalism of the Franco regime whose execution of Granadan poet Federico Garcia Lorca symbolizes the suppression of Andalusia s cultural heritage Nightingale demonstrates the extent to which this Catholic triumphalism also obscured the source of much cultural wealth bequeathed by Al Andalus to Christian Europe Nightingale s own account of the region s medieval zenith recovers the intellectual pageantry and aesthetic splendor of this astounding period in Western history and the marvelous city that was its cultural center

The Concise New Makers of Modern Culture Justin Wintle,2008-11-28 A Who s Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major

political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms
