Lord Black:

The Agent's Frustrated Prince L Kalajian,2025-01-29 Prince Arthur Evergreen Drago has always known that duty would come first as the ruler of England But he never thought those duties would be given to him so soon especially before turning eighteen He would rather be working in the kitchen or falling in love with someone forbidden to him twice over his stepbrother Damian Murrian Lord Damian has suffered in silence about his feelings for his younger stepbrother Prince Arthur He keeps quiet to protect himself from his mother Lady Murrian s homophobic rage awaiting the day he can safely speak up without his mother finding out about his true desires and prove himself to be honourable and loving for the prince s hand When Prince Arthur is taken without warning Lord Security Damian Murrian must step up and track him down The world is watching as he moves to bring Arthur home and it s a race against time as Lady Murrian plots to marry Damian off to a different member of the royal family

Meredith's Dagger Debbie McGowan,2019-08-20 Huddled in a doorway unseen by the men passing on great horses Meredith watched from within the hood of her cloak The pain of the cold wet morning impaled her rooting her in place even as the cat rubbed against her shins with a force that should have felled her She shooed him away Go home But he would not She wished she had died that night She wished she had died for to live like this was not to live at all When Richie Moorcroft takes a housekeeping position to finance his studies it means moving back to his childhood home an ancient almost derelict cottage locals claim is haunted But he never believed those stories he knows where they came from and in any case he has a job to do keeping nineteen year old Julian Denby on the straight and narrow without Julian realising his wealthy parents are paying Richie to do so Luckily Julian s not very astute although the same can t be said for their newest housemates Richie s bestie Anneke and Julian s older sister Tamara Add in George the cat who appeared from nowhere and is in no hurry to leave and that makes five about to uncover the sinister history of their new home

The Last President Paul Robert Howell, An addictive adrenaline pumping political thriller that asks the question Is this the end of America An exhilarating adventure that masterfully combines history world politics Bible prophecy and pulse pounding suspense Fans of Dan Brown will love The Last President David Barry This is a highly addictive book that had me turning pages past my bedtime I read this book because I loved Paul s last book Babylon the great Highly recommended and cheap on kindle Amazon Review This riveting political thriller will have readers on the edge of their seats as they read a plausible scenario whereby the United States could lose its power and position in the world British born JOHN BLACK has always had his eyes set on the American presidency He is linked to a European based secret society committed to the goal of a Euro centric New World Order The group is comprised of many of the most influential political business and religious leaders in the world and has unlimited financial and technological resources Fortuitously the previous US administration has repealed the legislation requiring presidential candidates to be American born American ascendancy can now be undone subversively The CIA arrive at the conclusion Congressman Black may be part of a subversive plot to undermine American

sovereignty The only question is Will anyone be able to prove this theory before the Presidential election and now time is running out as the clock counts down to what may be the election of the last President of the United States as we know it
