Losing Everything Stories:

Losing Everything David Lozell Martin, 2008-12-30 In *Losing Everything* his first book of nonfiction acclaimed novelist David Lozell Martin tells his wildest most outlandish story yet his own One evening in the mountainous forest of his isolated West Virginia farmhouse Martin became disoriented when searching for a horse who had wandered off the property Wading through the dark and guiding his horse with a belt around its neck Martin felt as though every step was taking him deeper into the mountains Instead he unknowingly spent the night walking in a wide circle that brought him back to where he started This quickly became a metaphor for Martin's life The more lost I get the closer to home I come After growing up with a violent father who nearly killed Martin's clinically insane mother Martin pursued a writer's life with a vengeance becoming vulnerable to struggles with alcohol financial ruin and legal feuds Then after a betrayal by his soul mate Martin's sanity was in as much jeopardy as his mother's had ever been a state of mind that in his case led to gunfire divorce and at least one trip to the emergency room But *Losing Everything* is less about getting lost and more about finding your way home again In his pursuit of stability Martin uncovered lessons that might help others who have encountered loss take pleasure in something as small as an ampersand keep a list of people you know who have died meet your own death like a warrior and be glad you don't own a monkey Deeply personal yet surprisingly universal Martin's story is for anyone who has wandered astray If not a road map his journey is a guide providing hard earned wisdom to illuminate the path home *Life Is About Losing Everything*

Lynn Crosbie, 2012-05-05 From the author of the wildly controversial books *Liar* and *Paul's Case* comes one of the most anticipated and perhaps in some quarters feared books of the year This is author Lynn Crosbie at her most honest most cutting most hilarious and most heartbreaking The stories told here are at once a cache a repository of a seven year period in the author's life and too a gymnasium a place where she can flex her prodigious wit and her dazzling stash of literary tricks Deft with matters both low and highbrow here are stories about 80s big hair bands and the lasting theological value of the Rocky series here too are stories contemplating critical theory and fine art *Life Is About Losing Everything* speaks with manic yet grave authority about risking and losing everything and then sorting through the remains to discover what is beautiful what is trash and what ultimately belongs **A Lot of Life - Is Winning It All Worth Losing Everything?** Kyle

Lost Everything Brian Francis Slattery,2012-04-10 From the author of the critically acclaimed literary sci fi novels Spaceman Blues and Liberation comes an incandescent and thrilling future history dystopia in the vein of 1984 or The Hunger Games *Because of the Anger, I Almost Lost Everything* Mario Ferro,2018-09-17 Stop fighting change and walk freely Who can say that they have never felt anger in their life Who can say that they have never been blinded by anger Who has never wanted to take revenge Anger can provoke all of this In fact anger can become the bane of our lives Many people among cries of pain arrive at the end of the road suffering the havoc caused by their anger over the years Their biggest regret is that people only remember them by their terrible attitude bad temper the suffering they caused However things don t have to be the same for you There is hope When we talk of hope we need the credibility of a man like Mario Ferro who suffered the consequences of anger first hand and came out on top by the grace of God If you want everything to get better you must read this book Don t let demons destroy your life Don t let them take away your peace and love Live triumphantly and be free once and for all

Back Stories Amahl A. Bishara,2013-01-09 Few topics in the news are more hotly contested than the Israeli Palestinian conflict and news coverage itself is always a subject of debate But rarely do these debates incorporate an on the ground perspective of what and who newsmaking entails Studying how journalists work in Jerusalem Bethlehem Ramallah and Nablus and on the tense roads that

Uncharted Waters: A Selkie Story Andi Lee, 2021

Have you ever had a secret so deep even you didn't know it? When Aveny discovers an old seal skin tucked amongst the bric a brac of her grandmother's attic, she realizes something is amiss. After all, what is her kindly midwestern grandmother doing with a seal skin? Is that really ethical? Or even legal? Soon the skin's mysterious origin is the least of Aveny's concerns. Strange occurrences start happening with increasing frequency, causing her to question her own sanity, which is especially concerning considering what happened to her great aunt. But as the haunting nightmares and unexplainable occurrences accelerate, Aveny finds herself in a new and especially horrifying situation. She wakes one morning not in the comfort of her own bed but laying on a distant beach, clutching the sealskin and gasping, completely naked. Grappling with the possibility that she has finally succumbed to the insanity that has plagued her family for generations, Aveny discovers something even more extraordinary: the seal skin is more than a politically incorrect family heirloom; it's a Selkie skin, capable of transforming her into a mythological selkie. Or maybe she's just crazy. Even she's not sure which it is. And as she ventures deeper and further into the sea, she's not even sure she cares. But when a nearly fatal close call lands Aveny in the hospital with no explanation and no alibi, she finds herself caught in her own web of lies. Her closely guarded secret threatens to tear her family apart. Aveny must choose whether to trade her newfound liberation for safety or risk everything by following her heart into *Uncharted Waters*. Are you ready to dive into the adventure? *Uncharted Waters: A Selkie Story* is available free of charge, one chapter or episode at a time at SelkieStory.com. You can also sign up for each chapter to be delivered straight to your email inbox. So what's a Selkie? Selkie stories have long been told throughout the emerald isles of Ireland and Scotland, extending as far as Iceland and Scandinavia. The ancient myths tell of seal folk, seals with the ability to transform into humans. These beings are so alluring, the rare person fortunate or unfortunate enough to stumble across one's path often falls immediately and madly in love with them. However, these love stories are generally ill-fated. At their heart, these mythological adventurers are far too in love with the wild sea to ever remain on land. The old Celtic tales are just myths, right? Maybe, maybe not. After all, some legends are true, and the biggest of secrets are often hidden within. Phillips, 2016-10-04. A half century after the War on Poverty, Lyndon Johnson, poverty rates remain unchanged. Scholars have advanced polarized theories about the causes of poverty, as politicians have debated how or if to fund welfare programs. Yet little research has been conducted where the poor are provided a platform to speak on their own behalf. While it is important to understand how economic systems affect the homeless, it is equally important to learn about the day-to-day realities faced by those who rely on public policies for survival. Drawing on the author's experience working in the homeless community, this book presents some of their stories of loss, abuse, addiction, and marginalization through interviews, observations, and ethnographic research.
